

## 1: Gardens You Must See Before You Die - Google Books

*The new second edition of Gardens You Must See Before You Die is a stunning guide to the most outstanding gardens in the world. You'll find descriptions of magnificent gardens flourishing in the Americas, Europe, Asia, Africa, and Australia.*

Reviewing the books, one book at a time. We hope to have covered all versions, and of the list now. If you spot any errors, please just drop us an email and we will double check and make any corrections needed. Because there is substantial differences between the and lists, there may be a bit of awkwardness around the numbering and the century in which it was published. So please bear with us on that score as we try out how best to list those books. Each book already reviewed here at Book Reviews has a link directly to the review post. Books that currently have readers in progress can be viewed in bold type. The Elegance of the Hedgehog â€” Muriel Barbery 2 a. Falling Man â€” Don DeLillo 2 b. On Beauty â€” Zadie Smith 3 a. # 1001 GARDENS YOU MUST SEE BEFORE YOU DIE pdf

## 2: Gardens You Must See Before You Die by Rae Spencer-Jones

*The book is titled " Gardens You Must See Before You Die." I thought "see" was the important word, but I guess not. Only one out of every two tothree gardens described is accompanied by a picture.*

Travelers, too, will take inspiration from this unusual collection. Hundreds of magnificent color photos. The book shows pictures of gardens, with descriptions, from all over the world. They have some of my favorite gardens included: Louis, Royal Botanic Garden in Edinburgh. There are wonderful photographs and delightful descriptions of all the gardens. Bingham on Sep 23, Sorry that there were not more american gardens that met their criteria for great gardens to see before you die. They did cover many of the wonderful gardens of Great Britain. It was a big I am glad I bought but for me not worthy of 5 stars. Disappointing By Printer on May 30, It is pretty much a book of locations and addresses. Great if you want a list of a great gardens. I described having many photos. Photos are small and often a narrow focused shot. From descriptions expected large photos of expansive garden shots. Ward on Dec 25, Bought if for someone else for Christmas. They liked it, probably more than I did so they might give it 5 stars. Colors are too severe By Poppy P on Jun 21, I thought the colors of the gardens were too enhanced and looked artificial. I have visited some of the included gardens recently and found them to be in disarray. This is a beautiful book. Thanks Very informative with the basic info regarding each garden and. Would be grand if not in this small format. This particular edition is in a Hardcover format. To buy this book at the lowest price, [Click Here](#).
