The historic bill creating the 29th state of India was passed in the last week of the last session of the Lok Sabha but after much controversies, confusion and commotion. There was the first disqualification from the Lok Sabha after the Supreme Court struck down a provision that protects a convicted lawmaker from disqualification on the ground of pendency of appeal in higher courts. The 15th Lok Sabha also witnessed three women adorning top posts. Swaraj succeeded in returning to the 16th Lok Sabha, Ms. Kumar was defeated in her traditional seat of Sasaram. Even though scams and scandals, including the Commonwealth Games and Adarsh Housing, led to disruptions, the House also created history by legislating landmark laws. The Food Security bill, which seeks to provide cheap foodgrains to 67 per cent of the poor people of the country-some 80 crore people, was cleared during the tenure of the outgoing Lok Sabha. The Land Acquisition bill, which will give a better price to the farmer for his land and also a say in the matter, was also adopted by the House. Amid a campaign against corruption, the House also adopted the Lokpal bill, an issue which had been pending for the last four decades.
