Nissan Murano - PDF Owner's Manuals. in English. Owner's Manual. pages. Emission Control System (Section EC) pages. LAN System (Section LAN) pages.

Murano comes with a standard horsepower 3. Other performance features include 4-wheel independent suspension for a smooth, comfortable ride and available all-wheel drive system. A front-wheel drive model is also offered. Additionally, two previously available option packages receive upgrades in The Murano is also available in three all-new exterior colors? Merlot, Chardonnay and Platinum. Developed, designed and engineered specifically for the North American market, Murano was conceived as an exciting alternative to the growing number of look-alike crossover SUVs in the market. Murano combines the uncompromising functional aspects of a true SUV with the ride comfort of a sport sedan in a highly refined, well-equipped package. Key Murano differentiators include its sculpted exterior and interior styling, responsive acceleration and handling, high perceived safety and security, comfort that pampers the driver and passengers and advanced technology features that are easy to use. When Murano debuted, it truly set the mark in terms of its combination of outstanding performance and unique styling,? The enhancements for make it even more attractive to a wide range of buyers.? Distinctive Appearance The Nissan Murano? The FF-L platform pushes the wheels out to the corners, allowing a long wheelbase and wide stance within a manageable overall length. Along with the platform? The exterior, guided by a? The design also features vertical stack headlights with available xenon bulbs. Standard inch wheels and tires contribute to the contemporary, high quality exterior appearance. Murano is offered in a choice of eight dynamic exterior colors. Thoughtful, Welcoming Interior As a reflection of the active lifestyles of the target Nissan Murano buyers, the interior has been designed to provide an abundance of storage and cargo capacity,? The interior, highly integrated with the exterior styling, reflects Murano? The seats are specially designed to provide ample roominess and comfort. The split fold-down rear seat includes a reclining feature and a remote flip-down function, so the seats can be released from the rear cargo area. Other interior amenities include standard dual zone climate controls and rear air conditioning vents located on the B-pillars. The instrument panel includes real aluminum trim, an available watt Bose? Additionally, the Nissan Mobile Entertainment System is available. The combination of long wheelbase, wide stance and compact rear multi-link suspension design helps create a rear cargo area that offers exceptional room and utility. Additional storage areas include a tray and two bins under the cargo floor and spaces in the center console for cell phones, sunglasses, coins, cups and bottles. The Murano interior is offered in a selection of three colors: Latte in a choice of cloth or with leather-appointed seats and Cabernet leather-appointed only. The Murano comes with many standard safety features, including a new standard rollover sensor. Zone Body Construction with front and rear crumple zones help dissipate the crash energy away from the passenger compartment. Also standard are front seat belts with pretensioners and load limiters, LATCH Lower Anchors and Tethers for CHildren child seat anchors and tether system and front seat active head restraints. All models come equipped with a standard 3. The engine is rated at horsepower and lb-ft of torque. A manual shift mode is offered on SE Models. Unlike conventional stepped gear automatics, the new Xtronic CVT operates as essentially? By infinitely varying the working diameters of the two pulleys, the transmission eliminates the? This benefit is especially apparent in long uphill drives where the traditional hunting for the proper gear is virtually eliminated. Other available performance features include Vehicle Dynamic Control VDC , which helps improve vehicle stability by controlling brake pressure and engine torque automatically in understeer, oversteer or slippery road surface conditions, Traction Control System TCS and a Tire Pressure Monitor System included in the Dynamic Control Package. Responsive handling and a comfortable ride are provided by the Nissan Murano? Every Murano comes fully equipped with the horsepower 3. Optional equipment packages include a Convenience Package S model only with way power adjustable seat with power lumbar and seat back pockets, adjustable pedals, roof rails, cargo cover and cargo net.
