

## 1: Toyota Corolla Repair Manual - Vehicle Maintenance

*For accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty*

Factory Like and Factory Like Exotic is "exclusionary" coverage - covering everything except the "excluded items". Factory and Factory Exotic Coverage covers the reasonable cost to remedy any operating mechanical or electrical failure of the vehicle, for the time indicated on the contract application, except as specified as excluded, subject to the provisions, terms and conditions of this contract. Exotic Coverage is "inclusionary" coverage - lists the covered components. Exotic Covered Components Coverage B: Cylinder block; heads; intake manifold; timing gear; timing gear cover; flywheel; oil pump; oil pump housing; water pump; harmonic balancer; valve covers; oil pan; crankshaft; valve train; crankshaft seals; connecting rod. Fuel pump; EFI sensors; throttle body assembly; injection pump; lines; vacuum pump. Final drive housing; axle shaft; axle shaft; constant velocity joints; axle housing; axle supports; front hub; differential. Axle shafts and axle shaft; axle housing; propeller shafts; "U" joints; locking hubs; rear axle hub; differential side; pinion gears; disc limited slip. Upper and lower control arms; control arm shafts; kingpins and bushings; spindle supports; stabilizer shaft. Power steering gear, power steering pump, steering gear housing. Alternator; voltage regulator; starter motor; electronic ignition module; distributor; windshield wiper motor; washer pump; cruise control module; fan motor; heater blower motor; antenna; electrical door and trunk locks; electronic drive display; heat element rear window; electronic level control compressor and its sensor valve. Fan; coolant system modulator; radiator; radiator fan; temperature sensors. Electronic control module; calibrator prom; manifold pressure sensor; oxygen sensor; throttle position sensor; idle air control valve; crank sensor; exhaust gas recirculation valve; electronic spark timing control. Wear and Tear Coverage Coverage C: Wear and Tear Coverage is optional coverage and must be paid for at the time the service contract is purchased. It may not be added after purchasing the service contract. This coverage revokes the exclusion of "wear and tear items" from the excluded items list. Wear and tear items are those items that have failed due to being out of manufacturers recommended specifications, yet have not actually failed and are still a mechanical or electrical failure. We reserve the right to wait for a total failure depending on the severity of each claim. All other exclusions for this contract still apply.
