

1: IRCMS - Third Grade Reading Passages

Third Grade Reading Passages. Adobe PDF Files. Outer Space The Monster in the Barn Hoppin' John The Butterfly Types of Teeth 3rd Grade Appropriateness Scale.

It was the third time it had happened that month. Feeling very angered, Sean flicked a hungry Womp Rat that was chewing on his boots, thinking it would stop chewing and go away! A few moments later, he realized that his favorite double lightsaber was missing from his belt! Sean had known Fernando for 1. He was an intelligent Padawan though sometimes a little Sean called him anyway seeking answers, for the situation was urgent. Many scientists used to believe kittens licked your hand or face because they wanted you to pet them, wanted some lovin' or a meaty treat, but they found out they are really slow man-eaters! Why was Fernando trying to distract Sean and evade the topic with his bizarre hyperbole? Reluctantly, Fernando invited his Jedi master over to his new condo next to Yodas old place in the swamp. He asks him to stop off on his way and pick up some bananas, thinking that would buy him some time. He figured that if Sean used his Jedi mind tricks to get out of the detention cell, he had less than a few minutes before Sean would get there. He exhaled with relief. It was Master Jedi Sean! Meanwhile inside, Fernando was panicking. Not thinking, he tossed the lightsaber into a kitty liter box and then slid the box behind his purple hippopotamus lamp. Fernando was not pleased but at least the lightsaber was concealed. With a Jedi force push, Sean opened the door. Sean took a seat excruciatingly close to where Fernando had just hidden the double lightsaber behind the purple hippopotamus lamp. Fernando shuddered trying unsuccessfully to hide his nervousness. But Sean was distracted by his spidey senses. Sean slowly opened his mouth to speak. In a moment of disbelief, he realized that he had hidden the lightsaber right by his oscillating fan. He turned to notice a kitty liter box that seemed clearly out of place. Sean nodded with fake acknowledgement The lightsaber was plainly in view amongst the cat bandini. Sean grabbed the lightsaber and walked to the front door. Fernando let out an evil Sith like chuckle. Fernando always had a funny-smell about him, like old library books from his days in the Jolly Jedi Readers Society. As if it really mattered he gripped his lightsaber tightly and made a dash toward the window, diving headlong through the giant glass pane. Fernando looked on, blankly. The other side door was clearly open, you know. Fernando walked over to the broken window and looked down. Sean had severely hurt his hand and leg during the window jumping incident, and was starting to lose focus. One by one they jumped on top of Sean. Already weakened from his injury, Sean yielded to the furious onslaught and collapsed in a pile of fur. The last thing he saw before losing consciousness was a buzzing horde of Sith wookiees running off with his cherished lightsaber. Then He got in His troop carrier and jetted away with the determination of a 6-legged Nerfcats running from a long-haired Nerfcats Herder. Sean jumped with joy when he saw this. His precious lightsaber was safe. Sean was overjoyed and elated. And so, everyone except DarthFernando and his hungry South American man-eating kittens lived blissfully happily, forever after. How does the figurative language help or detract from the text? What might be an alternate title for the text? Who has not yet had a chance to speak? Is there something in the text that is unclear to you? What do they mean for you personally? Do you understand the text at a deeper level? How was the Socratic seminar process for examining a text? What was one thing you liked or disliked about the Socratic seminar process?
