This is the answer key for my product named 7th Grade Math Review Packet. It is a PDF file that I scanned in, and has all of the answers to the questions in the packet.

Gunn, Thank you for your comment. Yes, we have a final exam for all of our courses. It can be found in the "Implementation Resource" category, just above the comments section. Odom, Thank you for your comment. The Year Long Plan has been updated. Check the denominator of the expression. You are absolutely correct, and I have corrected the error and reuploaded the file to our website. We appreciate the feedback! Currently, there is not a separate file that lists all of the vocabulary words in our 7th grade mathematics course. However, we do have Glossaries at the end of each presentation. These slides are designed to be shown during instruction. They can also be printed out and hung up in classrooms. Would printing these slides work for you? Or do you need a separate file as shown in 6th grade mathematics? If a separate file was to be made, is there a date that you needed the file to be completed? We could have this task done by the start of the school year, if needed. The lab links in Unit 1 have been fixed. Please let us know if others are not working properly, and we can get them updated. RAFT is currently transitioning their labs from their old website to their new site. For the time being, any labs from them starting with www.
