The Blues - Easiest Songs to Play on Guitar Blues songs can sometimes be difficult only because of the tuning or irregular rhythms. Stevie Ray Vaughan used huge strings and tuned down, some tuned to open tunings and others were barely in tune at all. These songs are all classic blues, but the blues embodied so much more than just the chart-toppers. Many spirituals helped us co-labor with the blues. Many of these old tunes are just three chords and a groove. Listen to these and other staples. Try to get it in your soul and attempt to reproduce what you hear and feel. Rhythms change and the purpose of the song might change, but the goal is the same: With modern praise and worship, the goal is vertical. Do it in the key of C. Look for the tried and true ones and learn them first. Fortunately there is no shortage of easy worship songs for guitar, so you have plenty to work with. Find your favorite sound and pick the most doable songs and have fun. But, truly with music, bending the rules or actually bending the strings is how guitar developed into a thing. Take away every little thing you can from these greats and make your own music. Who did you listen to when you were learning how to play. However messy and mucky and mysterious to the hovering adult, play is vital to the child. Yet most of the UK gives it no priority: Under such a regime, play is treated as a luxury good, and we know what happens to luxuries: But there is one giant exception. I came to Flintshire, in north Wales , to research a piece on food poverty. Over the slope were strewn bits of cardboard that had been ripped up and turned into sleds. Right up ahead was a yard full of children wielding saws and hammers and knocking together bits of wood. Plenty of adults could be seen over the site, but they gave the children all the space they needed. What were they making? A set for a horror game, explained one boy, kindly enough but with an air of abstraction. He had better things to do than humour visiting reporters. Outside, another worker painted vampire faces, a tent was devoted to handicrafts, and 22 boys and girls chased a football. Every bit of this was free. The wood came from a local sawmill, the cardboard boxes from the local Morrisons. In similar fashion, the money to run the entire play-centre had been found out of grants and loose change from other budgets. The play development officer and her colleagues on the council lean on the law. The UN gave every child the right to play , but the first country in the world to turn that into law was Wales. It encourages councils to ask children what events and activities they want, and to reflect their desires in annual play action plans. And it gives play officers like Roberts extra ammo when they need cash to organise aquaslides. It makes Wales the first country in the world to take play seriously. Nor has it protected play-centres from the spending cuts that have scarred the past decade. The result has been devastating. More than 4 million children live in poverty today – more than one in four of all unders – up from 1. Through freedom of information requests, we know that councils in England closed playgrounds in just two financial years in the middle of this decade , and there are plans to close a further Up and down the country, local youth services have been cut to ribbons. Children can still use play spaces – but increasingly their parents will have to pay. The emblematic example is the adventure playground in Battersea , south London. Until very recently, Britain was a world leader in adventure playgrounds and the one in Battersea was excellent. Free to all, it was shut by Tory-run Wandsworth council in In London, kids are painted either as members of violent gangs or as targets of them. At the same time, more than 81 youth centres and projects have disappeared since the riots of Across the country, they are supposedly morbidly obese, or in a sexting frenzy, or massacring each other in computer games, when what they should really be doing is preparing for their never-ending exams. Yet play teaches children to resolve differences. A child who has problems in the classroom can turn into an exemplar in the playground. Most of all, it gives children space to be themselves among their peers without being pulled and prodded and measured by adults. At Quayplay, Steve Taylor blew the whistle on another epic game of football. How to handle great highs and big lows:
