

### 1: Prayer for America, Our Nation - 25 Verse of Hope

*A Prayer For Forgiveness Lord we know that the nation whose God is the Lord is a blessed nation indeed and yet we know that the nations in general and my own nation in particular has turned our backs on You who made us and redeemed us with the precious blood of Your only begotten Son, our Saviour Jesus, Christ - our Lord.*

The state of our nation is disturbing, discouraging, and to be honest, baffling. Friends, we are at war. Wars of this kind are won on our knees. Let me ask you, Do you have a war time strategy? Or are you spending more time watching the news, complaining about it and cluck-clucking in bewilderment than actually engaging in the battle? Praying for our nation is something I CAN do. Will you join me? I invite you to play a part in praying for the nation. We have weapons strong enough to destroy strongholds. So how about it? Below are ten suggested references, followed by my own sample prayers. Please note my prayers are not Bible translations. They are included for those who would like examples of how to prayer. You can use these as a prayer guide for our nation. You even promise healing in the land. Lord, our land needs healing and I believe it starts with me. I humble myself before You right here, right now. I ask You to grant me a repentant spirit so I may be an instrument that ushers in Your blessing for this nation. But Your word says the blessed nation is the one whose God is the Lord and our nation has turned from You. God, on behalf of myself and my people, I confess our disregard of You. Not flagrant personalities and foul speech. Righteousness, Lord, righteousness is what we need. Oh Lord, let Your righteousness rain down on us and spring up from within every home and community in our land! Strike a fear in the heart of Your people! Show us the seriousness of our sin and the holiness of Your majesty. And let us be wise! You have a people and You have a plan that will not fail. No matter what, Your purposes will prevail. You are in Your church and indwell Your people. In this we take great hope. Strengthen Your people, Lord! Strengthen Your church in this country! Let us rise to the battle cry and faithfully stand firm! Stir up our passions and desires for purity, holiness, and intimacy with You. Let us walk in the unquenchable fire of Your Spirit. Lead us out and lead us up. We are a holy nation, a royal priesthood, set apart for worthy purposes. Stir in each and every heart to come out and be different! Let Your people see You high and lifted up! Let us see You as holy. Let us understand Your nature, character, and sovereignty. Let us know Your word. Sweep across this land and reveal Yourself like never before. Let us know You, God! May those without Christ see our good works and glorify You. We pray that many will come to know You and confess You as Lord. We know You are the One who sets up rulers and kings. The buck stops with You. We pray for our leaders and future leaders—and those who elect them—to have wisdom, knowledge, and discernment, for these things come from You. We know Your will is for righteousness, salvation, and truth. We pray for these things to define our lives, our marriages, our homes, our communities, and our nation. We ask for Your church to be vessels that usher in Your Kingdom and fulfill Your will. Grant us, Your servants, success as we seek to glorify Your name. There you have it, 10 war time scriptures to pray for the nation and to pray for our leaders. I encourage you to stop right now, take ten minutes, and write out the scriptures above. Armed with promises to trust God for, we CAN make a difference through the power of prayer! ### 2: Our Nation: 10 Scriptures To Pray For Our Nation And Leaders

*Below you'll find suggested Scripture prayers for our nation. 10 War Room Prayers For Our Nation: Below are ten suggested references, followed by my own sample prayers. Please note my prayers are not Bible translations. They are included for those who would like examples of how to pray. You can use these as a prayer guide for our nation. If Chronicles Lord, You promise that when your people pray, humble themselves, and seek You, You will hear and answer.*

Printer-friendly version If all the desires, requests and goals expressed throughout this website were to be implemented it would radically change the nations of this world. Wars would be ended, ethnic hatreds tamed, politicians become honest, ecological restoration begun, global warming and AIDS halted, poverty reduced. The Church of the Lord Jesus Christ would be provided with godly leaders, it would be renewed, revived, united in vision, mobilized for mission and readied for the return of its Head. Jesus would return with the world evangelized and the Church complete! That is the wish. How much of the earthly and how quickly the eternal agendas would be achieved depends on ONE activity – prayer in the name of Jesus to a loving, sovereign Father. When man works, man works; When man prays, God works. The ministry of the children of God is not doing but praying, not strategizing, but prostrate before God seeking His will, not clever strategies for manipulating people and events but trusting in God who moves in the hearts of even His most implacable enemies. Look at the command and promises of Ps 2: God spoke to me from Psalm 2: I heard for the first time of the work of the Dorothea Mission in the urban slums of Southern Africa. I knew that God was speaking to me that this was His will for me, but I asked the Lord for scriptural confirmation, and it was this passage which spoke to me – South Africa was, for me, one of the ends of the earth for which I could ask. Again this passage leapt to my mind. The content of this website give something of the needs and challenges of our needy, sin-sick, doomed world. The nations are there for the asking. God is calling you and me into the ministry of intercession for them. Through these prayers much will happen – above all we could ask or expect. In this edition we have added a new feature of giving a few answers to prayers requested in earlier editions for which there has been some answer. The cost is great, for these words were preceded in verse by: As I looked, this horn made war with the saints, and prevailed over them, until the Ancient of Days came, and judgement was given for the saints of the Most High, and the time came when the saints received the kingdom. Yet Jesus offers you a share in his reign. We may look up to Him in agony at times, but see your true position looking down with Him exercising the authority bequeathed to you by Him in the Great Commission He has given to you and every Christian. May you become an intercessor with a world vision that prays Satan-defeating, kingdom-taking, people-reaching, captive-releasing, revival-giving, Christ-glorifying prayers. Prayer not only changes people, situations and even the course of history, but also those who pray! There is a price to pay to be a person who stands in the gap in prayer. That price may mean becoming an answer to your own prayers in giving time, finances and even going out as a witness in your Jerusalem where you now live , your Judea your own country , your Samaria the other ethnic groups in your own country or even to the ends of the earth.

### 3: The Power of Praying for Your Nation - Prayer Help

*Prayers for the Nation and it's Leaders. Billy Graham's Prayer for the Nation Our Father and Our God, we praise You for Your goodness to our nation, giving us blessings far beyond what we deserve.*

Now new Prime Minister Scott Morrison has once again called the nation to pray for rain in this current horrific drought. We hear the current Prime Minister Malcolm Turnbull saying that we are praying for you. If memory serves me well Julia Gillard and Paul Keating spoke of such as well, but I was unable to find references to this. In a stirring broadcast, the King called the people of Britain and the empire to commit their cause to God. The whole nation was at prayer. Three miracles then happened: What are your plans for defeating an overwhelming number of the German Air Force? I believe in God. And then there is radar. On 30 August enemy aircraft darkened the skies of southern England, flying in to put key airfields out of action. By September 6 Fighter Command was in serious trouble. The King, as if gifted with some foreknowledge, had expressed the wish that Sunday September 8 should be fixed as a National Day of Prayer. There was a tremendous response. At a crowded service in Westminster Abbey, the final prayer began: Remember O God, for good, these watchmen, who by day and by night climb into the air. Let Thy hand lead them, we beseech Thee, and Thy right hand hold them. On September 17, a tele-type message clacked out from the German High Command postponing the invasion of Britain? Malta There were later divine over rulings in the Mediterranean, the outstanding example being Malta, which lay in the path of Italys vital supply lines to North Africa. General Dobbie was appointed Governor of Malta. He was a Christian, a man of faith who testified to the power of prayer. He issued an Order of the Day to the garrison which included the following: I know that the courage and determination of all ranks will not falter, and that with God? The Germans seemed strangely blind in failing to see that the key to all supply problems, and, indeed, the key to control of the Mediterranean, was the capture of Malta. Photo - Jewish Holocaust - a time of war At the gates of Cairo Two dedicated Christian men were appointed to the most responsible positions in the Middle East on August 15 People flocked to the churches all over Britain. Let us pray that the Lord, mighty in battle, will give us the victory. A succession of remarkable occurrences followed. When the attack on the German forces was opened, Rommel was in Germany, sick for the first time in his life. General Stumme, appointed to take his place, died of a heart attack the next day, leaving the German High Com-mand in a hopeless state of confusion. And, due to faulty intelligence, the Afrika Korps was completely taken off its guard when the bombardment began. Churchill said afterwards concerning the battle of Alamein: Before Alamein we never had a victory. After Alamein we never had a defeat.? A bumper harvest During shipping normally used to bring food to these shores from overseas was urgently required for carrying men and munitions. Yet Britain had to be fed. A supreme effort was made by British agriculture and a degree of co-operation and united labour was achieved as never before in our history. Added to this were the prayers of innumerable people that God would bless their efforts. There was a bumper harvest! It had become apparent to R. I believe we have a Higher Power to thank as well, and from the depths of our hearts. Some power has wrought a miracle in the English harvest fields this summer, for in this, our year of greatest need, the land has given us bread in greater abundance than we have ever known before. The consecration of our armies has not been a last-minute effort. We were asked, and strongly asked, to make our men as Christian as we could, to preach the Word faithfully because it is true; to bring men to God that he might make them good. Most of the men are not regular churchgoing men, but they are God-going men, and they have their picture of the King of Kings in the sanctuary of their hearts. And when General Eisenhower and General Montgomery in their final Orders of the Day asked us all to pray that God would prosper us, that prayer went up, and went up from honest hearts, freely and fully convinced that the business in hand was a liberation according to the will of God.? Messages went to all the vast forces concerned: General Eisenhower gave testimony to the effect this had on him, when he was speaking in Abilene, Kansas, his home town on June 4 Time magazine June 16 This day, eight years ago, I made the most agonising decision of my life. I had to decide to postpone, by at least 24 hours, the most formidable array of fighting ships and of fighting men that was ever launched across the sea against a hostile shore. The

consequences of that decision at that moment could not have been foreseen by anyone. If there was nothing else in my life to prove the existence of an Almighty and merciful God, the events of the next 24 hours did it. The greatest break in a terrible outlay of weather occurred the next day and allowed that great invasion to proceed, with losses far below those we had anticipated. He was one who had always been conscious of that over-ruling providence, that guiding, guardian hand. He must have come straight from the Thanksgiving Service in St. He said with great emphasis: We give thanks to Almighty God for the victory He has granted us in Europe. He mentors young writers and has written 24 books, and enjoys writing. He is married to Delma, with four adult children and grand-children.

### 4: A Nation's History of Prayer | American Center for Law and Justice

*As our nation finds itself in yet another highly divisive election season, our tendency can be to draw firm lines between ourselves based on which candidates we support, and that can in turn lead to personal dislike for one another, anger towards those who lead, and eventually division. As.*

Intercession For Our Land Dear God, give the leaders of this nation the wisdom and integrity to lead our nation in the best direction, where You are put in Your rightful position - and give each one discernment I pray, when making decisions or drawing up the legislation and laws that they pass - and may the decisions that they reach be godly and wise. I pray also that You would protect our nation from other peoples that may seek to enter our borders, uninvited and ask that You would be with us and keep our roads, ports, borders and crossings safe and uncompromised. As the days become increasingly dark in our country I pray that the light of Your love will shine on this land. May peace reign in our nation and protect us from those that would seek our downfall, I pray. I really thank You that you have placed me in this land and I am grateful that I am a citizen of this nation " but I know that my home is in heaven, Amen Prayer For The Leaders Of All Nations Lord, I come to You today to pray for the nations of the world and their leaders and governors. Whether a nation is governed by a king or queen; a prince or president, a prime minister or some other form of governance, we pray for each one " that they may fulfil Your plans and Your purposes, in whatever they do - in their lands. We ask Your blessing on those that are seeking to follow Your ways and we pray for Your pity and mercy on those that are deliberately defying You as the Creator God. Lord we know that You are the One that places rulers in their high positions of honour and You are also the one that removes leaders from their elevated perches " and we pray that in Your grace and mercy You would look down on the nations of the world and intervene with those that are severely oppressing their own people. Blessed is the nation whose God is the Lord and whether at a national level or in local governance, we pray Your blessing on those men and women that are seeking to follow Your way, as they implement their authority " but Lord we also know that the opposite is true and that those who defy the living God will come to no good! Have pity Lord and convict the leaders of our nations to turn to You - and protect the people that are having to live in nations with a corrupt or evil government - and may the Lord Jesus Himself return very soon to set up His perfect kingdom in this world " when the earth will be filled with a true knowledge of You, in Jesus name we pray, Amen Prayer For Our Own Nation Lord we pray for our nation and ask that You would look down on us in pity and mercy. Forgive us for the way that we have turned our backs on You in so many ways and bring us back as a people who seek to follow the ways of justice and peace. Keep our land free from war and aggressions " from winds and earthquakes " from fear and confusion and from other things that can cause hurt and fear and confusion.. Be close to all our leaders and governors and give them wisdom and discernment as they rule this nation and I pray that the decisions that they make may be wise " and Lord that our nation would turn to You for Your wisdom and Your strength. Be with all those that are oppressed and downtrodden and especially those that do not know You as their Saviour " may there be many that come to know You as their saviour in this my country. We pray that the gospel may one day be preached in this land from shore to shore - openly and truthfully, and keep us from compromising Your word of truth. Restore to this nation the joy of Your salvation and bring many to a faith in the Lord Jesus as Saviour we pray " in His name, Amen Prayer The Freedom In My Country Loving Father, I thank You that I have been privileged to grow up in this country and although many of our standards are being eroded I thank You that for so long we have enjoyed the liberty and blessings we have received from Your hand in this land. Thank You for the for my country Lord, and for my family and friends and the freedom that we have enjoyed up to now! Keep Your hand on this my nation and give our leaders wisdom to see Your ways and to look to You for the direction that we, as a nation, need to go. But also Lord help me to hold to the things of this world lightly, knowing that my true citizenship is in heaven.. Provide for those that are in need, feed those that are hungry, comfort those that are sorrowing, heal those that are sick and bring those that do not know You as their Saviour into a close and personal walk with Yourself, I pray " in Jesus name, Amen Prayer For Revival In Our Land Loving Lord Jesus, it saddens me

to see the way that the gospel of Jesus Christ " is being so compromised in our land. As a nation we seem to have moved so far from the true gospel of grace and our churches and fellowships seem to be embracing many alternative and compromised teachings that are not true to Your word. Revive this land I pray. Stir up the hearts of those that have come to trust in Jesus Christ but who have been enticed to follow a different gospel or who have chosen to walk the way of compromised or embrace a different type of teaching. Let those that are Your blood-bought children be stirred in their hearts to seek the truth and to draw ever closer to the Lord Jesus " and Lord for those who once trusted You but have now wandered far away -I pray that You will speak to their hearts, revive their spirit and draw them back into close fellowship with Yourself " revive this land, I pray - in Jesus name, Amen.

### 5: How to Pray for America - National Day of Prayer Task Force

*I thank You, Lord, for bringing change to the politics of (name the nation). Thank You for changing the voices of influence to speak in agreement with Your Word. I ask You to send laborers filled with the spirit of wisdom and might, to surround the leaders of (name the nation) with godly counsel and insight.*

Mike Bickle If you do not think your prayers matter, think again. Lightstock We can be assured that God is ultimately in control of where, when and from whom judgment is withheld and mercy and blessing are given instead. He alone makes it rain on one city while withholding rain from another in a time of drought Amos 4: If you do not think your prayers matter, think again—they do! And as you consider this truth, take a look at just three of the many cases the Bible records of those whose history-changing prayers made the difference between blessing and judgment. King Josiah Josiah lived in the same generation in which Babylon destroyed Jerusalem. Both his father and grandfather were wicked kings of Judah, yet Josiah "did what was correct in the eyes of the Lord" 2 Chron. Get Spirit-filled content delivered right to your inbox! Click here to subscribe to our newsletter. As a result of their persistent sinfulness, the prophets told Josiah trouble was coming and Jerusalem would be razed to the ground. I am bringing you to be with your fathers, and you will be brought to your grave in peace, and your eyes will not see all the disaster that I am bringing on this place and on those who dwell here" 2 Chron. Yet in Exodus 32, we find the tables slightly turned after the Israelites made a golden-calf representation of God and began to worship it and make sacrifices to it. The Lord planned to wipe out the Israelites and start over with only Moses. Once again, God listened to the prayer of one of His servants. He spared Israel from the judgment they deserved v. Where Does That Leave Us? Each of these examples reveals the extravagant compassion of our God—a kindness that goes far beyond what is deserved. Today, we live in an era of extravagant mercy and grace. And yet God continues to show mercy. As King David wrote, the Lord is "full of compassion and gracious, slow to anger, and abundant in mercy and truth" Ps. The Lord remains compassionate by giving those who rage against Him more time. Why are we living under such extreme mercy? Because God does not delight in releasing a severe judgment upon America or any other nation. He wants restoration of our nation and desires for all to be saved. Likewise, He is waiting for the nations to turn to Him in repentance. Even the wickedest nation has an opportunity: If that nation against which I have spoken turns from its evil, I will relent of the disaster that I thought to do to it" Jer. Not only is God waiting for nations to turn to Him, but also He is actually seeking intercessors who will pray these nations into His kingdom. This is how much God wants people saved; He is actively looking for those who will "stand in the gap" and contend in prayer on behalf of even those wicked nations that hate Him and rage against Him Ezek. *The one vehicle is the church of Jesus Christ. The two methods are prayer and proclamation of the gospel. We are to pray for our government for kings and all those in authority for the purpose of spreading the gospel through preaching. This is not a self-centered prayer; this is an ambassadorial prayer of the Church.*

Pray for the Holy Spirit to touch them and that they would receive the free gift of salvation. I realize this can be hard to do at times when is someone who had hurt you or someone you love, but God demands it. I have experienced first hand how such relief and daily sorrow can be lifted off your conscience and you can live a day filled with complete enchantment and joy simply for giving some one who has hurt you time and time again. Even if they still hurt

you today but you forgive them and go on with your life. When you forget that person they do not have that hold on you anymore to hurt you God is in control they are not. Arc-Angels used to be part of Christian life until they were purposefully erased. They used to have their own day of celebration on September 29 and have been wrongfully explained as new age when they are VERY OLD AGEâ€The Bible explain that Arc-Angel Michael defeated Satan and the Pastors teach us that Jesus works in sanctityâ€But right now there is no sanctity because the world and the western world in particular is besieged with satanism. Thank you so much for National Pray day in Judith Hishikawa commented Param Swami commented Karen Gibson commented Why would you not want Prayer? I pray for those misguided who think it wrong to exercise my right to religious freedom to pray to my Hod in public!!! Amen deborah beckett commented With a sad heart and tears in my eyes, I ask forgiveness from everyone whom I have offended. I believe that all people are loved and valued equally by God. From this day forward I will pray for my country , but not on this forum. I will not be posting any more comments and I am turning notifications off. This is not a democracy. You are correct about National Day of Prayer historically intended to be interfaith. As citizens and patriots of the United States we can agree to disagree. Christians have answered the call to a National Day of Prayer the only way Christians can respond. I am disappointed that other faiths have not organized their own responses to the National Day of Prayer. This prayer is about uniting citizens in attitude toward one another. I do not know about all other world religions as you seem to know. Our constitution is a guarantee for all cultures to respectfully and harmoniously worship not together but in the manner that we choose. This Christian believes that Jesus died to give us freedom to choose to worship Himself or not to worship Jesus. The founding Pilgrims sailed to the North American continent to escape religious persecutions. All citizens of the United States have one thing in common: This unity does not melt and blend all cultures and religions into one. The constitution and Christianity are not the same thing. The constitution is law. Christianity is a spiritual relationship with Jesus. Christians are presently divided in the fundamentals of our faith and politically. Leslie Schrette commented So thankful our country has a foundation in prayer and faith. We continue to ask for your mercy on our country of the red white and blue. Our fore fathers created our nation one nation under God. We were built upon your name and your values. Our nation has strayed from what we were founded on. Prayer has been removed from schools. Schools are filtrated with violence. Not only schools but society in general is filled with violence and people that do not know you. Please turn our hearts back to you God. Help revive our country to a Christian nation. Allow a spiritual awakening among your people. We need you back as first priority in this country. Thank you for the freedom we have in this country to serve you. What an amazing blessing we have to freely be able to serve you. Some countries do not have that freedom. We thank you and we do not want to take it for granted. Thank you for the men and women that fight and serve for our country. Please protect these individuals that choose to freely serve. Please remind them who they are and what their purpose is for their life. These women and men devote their time and make many sacrifices for our country. Their families are deeply effected in tragedy on a regular basis. What greater love than to lay down their life. These families go through many ups and downs. Help them trust in you with their loved ones that are serving in this country. Please guide the men and women in government. They are leading our country. The greatest weight is on their shoulders. Please give our leaders wisdom on how to wisely guide our country. The fear of the Lord is the beginning of wisdom. Please encourage our leaders to develop a spiritual discipline of reading your Word. This will enable them to fear you Lord and will guide them on what to do and how to do it. Please help our leaders seek your face when faced with any issues. We can do nothing with you. Please help our country as a whole become to know you better. Open our spiritual ears that we may hear you. Please guide us to repentance and turn back to you Lord. Lord, allow us today to humble ourselves in your presence, knowing that you are God, we pray and seek your face, we as church and as nation, we turn from our wicked ways, we repent from every sin that offends you, that prevents your mighty presence to come down; please, hear from heaven, the prayers of your people, forgive our sins, the sins of the people of this land, and heal our land. Stacey Shallenbarger commented Leda Nadeau commented John Hughes commented There are so many things to pray for in this nation. I read the news on Yahoo. Lord Help us to reach out to these people. God â€” I say, have your way. I call upon you to tear down every stronghold that would prevent Unity on those

important values in this country. Let us look past politics and seek you for guidance to rule this great nation you have in trusted to us. We realize that everything belongs to you. We belong to you, All the land, all the silver and Gold belong to you according to your Holy Word. Lord, draw us closer to you. We are so divided Lord, start with our churches. Have you way Lord, repair broken hearts today. You said Lord, a broken heart and contrite spirit, you would in no way cast aside. I come too you on behalf of those with a broken heart today, no matter the situation. God I call out on you for those individuals seeking peace in drugs, opioid addicts, and Alcoholics. Many have cast them aside, but you see them right where they are. Like Nathanel, you see us where we are in life. We so need you. Like Abraham I pray, for the say of the few prayers warriors on this thread. Hear I pray and thwart the plans of the enemy for our Life. Again, pull down every stronghold. You no respect of person. Hear Us Dear Lord Jesus. We need you, nothing but Jesus can deliver us. We are so far away from yon as a people, city, Nations and all other areas. Bless your name Lord. Sherree Wells commented Sherree Wells followed this page Sherry Kaiser commented Thank You, Lord, that You are a God who hears!

### 9: Prayers for the Nation and its Leaders

*Prayer changes things. Use these seven prayers to pray for our nation and its leaders. Pray it in faith, believing and remembering God watches over, loves and protects all.*

By Dustin Dedrick on February 5, How do we pray for our nation and its leaders, current and future? Does our vote really matter? And for whom do we vote? Can we or our prayers help turn the tide of our nation? You have given us a great country, founded on principles and truths from Your Word. We need men and women who will honor You, trust You, and lead us once again back to You. We pray for servant leaders who love the things You love and who care more about others than themselves. Give us leaders with discerning hearts, bold faith, and wise minds that model Your character. Teach them-and us-not just what is good, but what is best. Guide them in the way our country should go. Give them purity in their intentions, and godliness in their convictions. Energize their spirits and bodies physically and spiritually, and keep them emotionally secure in the knowledge of who You are-and whose they are. Help them to be bighearted and sincere, energetic in goodness, and courteous in their manners. You alone hold the power to turn the hearts of leaders, but You listen and use our prayers to move them into right action. Help us to be faithful to care and to pursue Your heart in prayer. Let them take a firm stand on issues that truly matter to You, regardless of the consequences or approval ratings. Make them God-pleasers, not puppets; leaders filled with conviction, not corruption. As a nation, God, help us to desire righteousness more than rights, and to mirror sacrifice more than selfishness. You know us well, and You understand our flaws. Turn those weaknesses into strengths; bathe us with Your grace and mercy, though none of us deserve it. Fill us with the boldness to choose the kind of freedom that will benefit all, rather than a few. Open our eyes to see others as You do-with godly potential and value. But help us, too, to recognize our own pride in trying to elevate ourselves and others above You and Your purpose for our lives. We need, You, God. Oh, how we need You! Your discipline at times is hard, but You are just. Your purpose is always to draw us close to You, to bless us, and to make us a great nation who honors You. You are a good, good, Father-and Your love for us has a proven track record. Forgive us for fence-walking, or for ignoring completely the truths that can so easily set us free. Deliver us from mindless quarrels and destinations that lead us nowhere, but away from You. Free us from divisiveness, and melt our hardened hearts to love, not hate, and to heal, not debate. Our history has cried for king-like leaders who will solve our problems and meet our needs. But there is only one King, and that is You, Lord. We have longed for peace, but You are the only Peacemaker, and the only Prince of Peace. We look at outward appearances; You see the heart. With You, nothing formed against us can prosper. Without You, we are nothing. Make us a great nation, yes. But more than that, make us good, Lord, with a heartbeat that wants every person of every creed and color to know Your love, Your goodness, and Your worth. Make us wise as serpents, but gentle as doves. Turn our fears to faith, as we look to You and You alone for the future of our country. Give us God-confidence that no matter what happens, we will believe You are not only in control, but that You know exactly what is needed to accomplish Your purpose. Help us not to second-guess Your moves, but to move at Your command, always without hesitation. Help us make wise decisions that move our country in the right direction. Help us to do our part in praying and in staying with what we know is right according to the truth of Your Word. Teach us to make our actions count and our words matter, and line them both up to Your sense of rightness, not ours. Guide us with Your eye; grip us with Your strong arm; teach us what we need to know to make our lives-and our nation-count for you. We pray for our leaders, but we ask You to make us both leaders and followers: In the precious and powerful name of Jesus, Amen
