Where does it come from? The University of Minnesota first organized a hockey team in and though unsanctioned by the University, played a game against a team from Winnipeg on February 19, Around the turn of the century, indoor games begun to pop up around Minnesota in increasing frequency. Slowly and deliberately, the landscape of Minnesota hockey began to take shape and before we knew it, Minnesota became the beating heart of USA Hockey with the game flourishing at all levels. That starts with youth hockey, from mini-mites to high school and every level in between. That number becomes even more impressive upon the realization that high school hockey players are technically not affiliated with USA Hockey so that number could be a few thousand higher even. The number two state is Michigan with slightly more than 50, The staggering statistic here is that Minnesota has considerably more hockey participation despite Michigan having nearly double the population. This video for the Olympics was shot in Minnesota and shows the type of attitude displayed towards the game not found anywhere else in the country. Each year in March, fans flock to the Xcel Energy Center for the state boys high school hockey tournament. Over , fans attended 8 sessions, a new record. Minnesota is also a hotbed for college hockey, boasting 5 division I hockey schools. Also in the tournament are St. College hockey players continue to rise to the NHL ranks at an increasingly large rate and many of those players are Minnesotans. For now let us examine the history of professional hockey in Minnesota. Among those expansion franchises was Minnesota and a team that would become known as the North Stars. In , the North Stars moved to Dallas after controversy surrounding ownership and the inability to finalize a deal on a new arena for the team pushed them out. Just 4 years after the North Stars left, the league announced that Minnesota would be one of four cities to receive and expansion franchise along with Nashville, Atlanta and Columbus. This new team became known as the Wild and it began play in the season. Some were slow to come around to cheering for a new team and still missed the North Stars while some were just elated to have hockey back in Minnesota. Regardless, the State of Hockey immediately validated the decision to bring pro hockey to the area again with staggering attendance numbers and rabid enthusiasm despite a sub par team in the early years. Minnesota quickly garnered the 6th highest attendance numbers in the league during the inaugural Wild season and they never slowed down. From to , the Wild sold out every single game from exhibition to regular season and playoffs, an unprecedented run of over consecutive games. In terms of average attendance by percentage of capacity, Minnesota ranks fourth in the league this year at Minnesota Hockey Detractors In Minnesota, the State of Hockey moniker is revered as a symbol of our heritage and our passion for the game. Not everyone agrees though, detractors are quick to point out the fact that Minnesota has never won a Stanley Cup. The Minnesota Wild have yet to make it to a Stanley Cup finals series but the franchise is still young and if you believe in trends, Minnesota is certainly headed in the right direction. Citing the lack of Stanley Cup success in Minnesota however, is missing the point. Still, critics also point out that the North Stars left for Dallas and claim that it was due to lack of support from the fans, so therefor, how is Minnesota still called the State of Hockey? Suffice to say there exist various hypotheses on why the North Stars truly left. The bottom line is this: But neither one of those facts has yet to slow the enthusiasm for hockey in Minnesota, and that is what really matters. Producing the largest amount of American-born National Hockey League talent has long been part of the lore of Minnesota hockey. Minnesota has produced nearly 60 more NHL players than the next closest state, Massachusetts, and nearly more than the third place state of Michigan. On top of that, some of the best U. Anders Lee, a budding super star for the Islanders, is a Minnesota native. Shattuck is one of the premier hockey development schools in all of North America and has produced countless NHL talents. Additionally, TJ Oshie, one of the highlights of the Sochi Olympics , is from Washington originally but moved to Minnesota to develop his game and play high school hockey for the Warroad Warriors. Coach Herb Brooks also hailed from Minnesota. To truly understand the State of Hockey, you would have to brave the cold and attend an event like the U. You would have to immerse

yourself headfirst into the emotional celebration that is Hockey Day Minnesota. You would need to tour the U.S. Hockey Hall of Fame in Eveleth, Minnesota and feel the history surrounding you. To truly understand the State of Hockey, you would have to attend the state high school hockey tournament and be one of over 20,000 fans going crazy for an amateur game or go to a MN Wild hockey game and see first hand the love affair Minnesota shares with the game. The State of Hockey is maybe best summed up, however, in one simple song. Originally published in March of 1998, hockey in the great state of Minnesota only grows stronger with each passing year.
