Blue Star Summary Dora and friends are about to put on a pirate musical when the Pirate Piggies steal their treasure chest and costumes. Embarking on a musical Adventure, Dora and the gang must go to Treasure Island to teach the pigs a lesson. Recap The episode begins with Dora peeking out through the curtains of a stage. She says hello to the viewer, then explains that she, Boots, Benny, Isa, Tico, Diego and Baby Jaguar are putting on a play about pirates. Everybody then begins singing "We Love to Sing". After the song, Dora asks the viewer if they want to join their pirate play. The viewer accepted the request. Then, Dora shows the viewer a cannon showing that whenever it booms, everyone says, "Give us back our treasure! Dora and Boots take a peek at their families. Dora tells them that the costumes were in the treasure chest. The gang continues to sing to the tune of "Pirate Costumes". The pirate pigs were looking for treasure. Pirate Pig sings his song while his pirate piggies crew join in. After the tune, Pirate Pig sees the treasure chest which they did not know had costumes. The pirate pigs hid behind the treasure chest. Nearby, Dora and Boots practiced their lines. They stopped and heard that the pirate pigs have come. The pirate pigs take their treasure chest filled with costumes. The pirate pigs thought it had gold in the chest. The pirate pigs return to their pirate ship taking the treasure chest filled with costumes with them. Dora and the gang tried to stop the pirate pigs but they were long gone. If Dora and the gang do not get their treasure chest back, they cannot dress up as pirates. And if they cannot dress up as pirates, they cannot put on a pirate play. Everybody except Dora turns away as they sadly sang "We cannot do the play without our pirate costumes" twice. Dora had a thought and wanted to get their attention. Dora sings to the group that she understands that it is going bad and that they are feeling mad. Dora then says that they should not give up, they should not feel sad and they will find a way to get their costumes back. Dora stops and thinks. Dora thought that she and her group can get their costumes back if they know where to go. Boots tells Dora that they do not know where to go. The viewers tells Dora "The Map! Map pops out of Backpack and lands on a picture map singing his own song. Map tells the viewer that pirate pigs took the treasure chest to Treasure Island. Map explains how they have to get to Treasure Island. Map tells the viewer that Dora and her pirate gang have to cross the seven seas, go through the singing bridge to get to Treasure Island. Dora sings out the places. The first place they have to go is the seven seas. Dora and her pirate gang have to figure out a way to cross the seven seas. They use a boat from the play. They all wondered how they were going to get the boat into the water. Tico gets behind the boat and tells the group that they should push the boat. After that, Dora and her pirate gang jump into their pirate boat as they sail to Treasure Island. At the end of it, Baby Jaguar goes overboard. Baby Jaguar pokes his head out of the water. He was OK because jaguars are great swimmers. They needed a life preserver which is round like a giant donut. Diego gets the life preserver and tosses it into the water. Baby Jaguar was in the life preserver. The entire cast helps Diego pull Baby Jaguar up and out of the water. Diego dries him off with a towel. Baby Jaguar thanks the viewer for helping. Immediately after that, Tico saw the seven seas. They had to be sure they make it across all seven seas. The pirate boat makes it through all seven seas. Along the way, they see Kevin the turtle. After making it through the seven seas, stars appeared and flew all over the place. The "Star Catching Song" plays. Tico saw an explorer star who is blue, had lots of muscle and wears a cape. It was Hero Star. Hero Star sings a scale as he lifts up some barrels. The other stars go, "Catch us, catch us! Catch us, catch us! Dora sings out the star catching tune telling the viewer that they have to catch the stars. Dora tells the viewer and to the group to "reach up, reach up" and "catch them, catch them". Dora and the gang each caught a star. Then, they put them in the star pocket. The "Star Catching song" ends. Dora and the group had to figure out where to next. They made it past the seven seas. Next, they had to go to the singing bridge. When it finishes, Baby Jaguar stays on the boat. Tico saw Pirate Parrot coming their way. Pirate Parrot heard what happened to their treasure chest and about the fact the pirate pigs thought it had gold in there. Pirate Parrot was sure that the group is going to get their costumes back, but they had to beware of the foggy fog. Pirate Parrot sings about the foggy fog. Soon after, the pirate boat goes into the foggy fog. It was certainly hard to see. She could crash into something.
