

## 1: National Political Index: Contacting State & Local Gov't Agencies

*This bar-code number lets you verify that you're getting exactly the right version or edition of a book. The digit and digit formats both work.*

Overview[ edit ] The Almanac is broken down alphabetically by state , with each congressional district in each state profiled separately. The information provided by the Almanac includes: Demographic information on each district, including income, racial distribution, and other statistics. Individually written profiles of each district, commissioned for the Almanac. In-depth profiles of every governor, Senator, and House member. Analysis of the midterm elections for Senate, House and governor races, and how those results shape the public policy debates in Congress and the nation. A breakdown of the votes cast in the last U. Campaign finance data on spending by all members of the U. Analysis of voter turnout in each state and congressional district for the last presidential and mid-term elections. More than 60 state and congressional district maps, the key votes cast by members of the House and Senate, and interest group ratings. In addition, an overview look at each state is given, including prospects for the upcoming presidential election and demographic trends. The and editions of the Almanac are both 1, pages long. The Almanac was first published in ; subsequent editions have appeared biennially since Matthews stopped contributing after the edition. The co-authors of the edition are Barone, Richard E. Cohen , Charlie Cook , and James A. Cohen co-authored The Almanac of American Politics from through , and again in He is the author of Washington at Work: He co-authored The Partisan Divide with former Reps. Barnes is a senior writer for Ballotpedia and consultant to CNN , projecting the outcomes of presidential, congressional and gubernatorial races for its election night and primary night coverage. He was formerly the chief political correspondent for National Journal magazine and founder of the National Journal Insiders Poll. He is co-author of Public Opinion among Political Elites: Charlie Cook is editor and publisher of the Cook Political Report and a political analyst for National Journal, where he writes a twice weekly column.
