Chapter-by-Chapter Changes Chapter The Industrial Society A new Feature Essay focuses on the rise of the department store in the late 19th century and how this affected women and changed the way many Americans shopped. Toward an Urban Society, The history of African Americans has been strengthened with a major new section on the spread of Jim Crowe in the South and North after Reconstruction. Transition to Modern America The authors have revised the narrative to make it clearer that the KKK was not exclusively a rural southern organization, but a national organization that also operated in cities. America and the World More coverage of the Manhattan Project has been added. The Onset of the Cold War For the 10th edition, the authors have addressed the question: Were there really Soviet spies in the U. Additional coverage of Spiro Agnew and conservative Republicans is included. To the 21st Century A new section provides a full account of the election of and the Obama administration through the present. A new Feature Essay discusses why global warming has become such a controversial issue in the U. Table of Contents 1. Brief Table of Contents 2. Full Table of Contents 1.
