The band began looking for a new record deal, but most record labels wanted to model them after the Spice Girls, who had become an international sensation by that time. The demo made its way to London Records, where John Benson finalised the recording deal in November. Their second single, "Never Ever", was issued in November and launched them worldwide, peaking at number one in the UK and Australia. The single sold 1. The same month, the album was re-released with a slightly different track listing. The album achieved success in countries such as Australia double platinum, selling , copies, Canada triple platinum, , copies, and the United States, where All Saints was certified platinum by the RIAA for sales of one million and produced two top forty singles on the Billboard Hot Saints and Sinners and break-up[edit] Main article: Also in , the Appleton sisters and Blatt made their film debut with Honest, which was directed by former Eurythmics member Dave Stewart. Honest is a black comedy set in Swinging London in the late s, in which the singers playing three street-wise, saucy sisters who head "up West" to pursue a life of crime. The film received attention for the Appleton sisters topless scenes. The second and final single was "All Hooked Up" in January, which peaked at number seven. In February, All Saints announced that they were to take a break so that they "could clear the air between themselves". Melanie Blatt said later that year that it was uncertain if they would reform, citing their difficulties with the financial and business aspects of the group. But when that incident happened, it fired up so strong, it had to be over. The album peaked at number eighteen on the UK Albums Chart and was later certified gold, selling , copies. In , a slightly altered edition of the album was given away for free as part of a promotion with The Mail on Sunday. First reunion and Studio 1[edit] Main article: Studio 1 album On 24 January, it was announced that the band had reformed and signed a record deal with Parlophone. A second single, "Chick Fit", followed in February, but promotional appearances and a physical release were cancelled and it failed to reach the top. It was subsequently reported that All Saints and Parlophone had parted ways and the group cancelled their planned UK tour. I know that I did it for the money. She also said she never felt comfortable with the success the band had and that "it was not necessarily the plan at the beginning; there was a lot of compromise involved". Celebrity Hijack, during which Blatt said that they had a record deal with an undisclosed company in a conversation with housemate Nathan Fagan-Gayle. The Very Best of All Saints, was released. Second reunion and Red Flag[edit] Main article: Red Flag album On 25 May, original All Saints member Simone Rainford died from kidney cancer a month after her 38th birthday in her home in Greenwich. Blatt said in an interview that the group had no plans to record new material and were "just taking each day as it comes and doing it for pure enjoyment". The lead single from the album, "One Strike", preceded the album on 26 February. Testament[edit] On 19 March, the group confirmed that recording had begun on their fifth studio album. You can help by adding to it. April Musicians including Jessy Lanza, M. Blatt was dropped by the label due to low sales, and the album she was working on at the time never materialised. In April, Blatt returned to the music industry with a new single, "See Me", which was included on the Robots film soundtrack and peaked at number 78 in the UK. The single was released through Swollen Ankle Ltd, with whom Blatt began working on an album. During mid, she played small venues in the UK and performed material from the album, which was shelved when All Saints reunited in early. Natalie and Nicole Appleton wrote and recorded their own album, formed the duo Appleton and signed a contract with Polydor Records. In September, the Appleton sisters launched their first single, "Fantasy", which reached number two in the UK. Their autobiography, Together, was published the following month. The album peaked at number nine; its final single was "Everything Eventually", which was released in July and peaked at number. Appleton and Polydor subsequently parted ways. Her album Open followed two weeks later via London Records and peaked at number 22, although the second single, "You", charted only at number
