Financing available About the Andersen Series Tilt Wash Double Hung Window The Series is the most popular windows line from Andersen, which has a long-lasting reputation for dependable products and craftsmanship. The Tilt-Wash double hung window delivers an exceptional combination of beauty and performance with a wide variety of options to fit your style. Rated a Consumers Digest Best Buy! Energy Star certified thermal performance. Both sashes tilt in for easy cleaning. Select from an unfinished stain-grade pine or pre-finished white interior finish. Frame exterior protected by a tough vinyl clad that provides long-lasting protection, is virtually maintenance free, and available in 7 color options. Choose from a variety of grid types, grid patterns, hardware finishes and options. The lower the number, the better. To meet Energy Star requirements, windows must have a u-factor at or below 0. Thermal Performance 4 Visible transmittance refers to how much visible light comes through the product. The higher the number, the more light is transmitted. VT values typically range from 0. The lower the number, the more it will help reduce the use of air conditioning and energy use. In cold climates, a higher SHGC is desirable to collect heat from sunlight. SHGC typically ranges from 0. Solar Heat Gain Coefficient. The warranty consists of the following: All glass components, including the glass, glass seal and grids, are covered to be free from defect or failure for 20 years. The warranty is transferable should you sell your home.

### 2: Andersen Series replacement window Summary information from Consumer Reports

*Double-hung windows have two operating sash that move up and down allowing for ventilation on the top, bottom or both. Single-hung windows have only a lower operating sash for ventilation. In either case because the sash do not open outward they are an excellent choice for rooms that face walkways, porches or decks.*
