*Andy McDermott is a former journalist and movie critic who now writes novels full-time following the international success of his debut thriller, *The Hunt for Atlantis*, which has been sold around the world in more than twenty languages.*

It was originally published in The assassin is soon identified as a ninety-year-old Nazi war criminal with the body of a healthy forty-year-old. Nina, Eddie, and a team of Mossad agents realize that the myth is real, and that a group of former SS men who have tasted this water are now hunting for its source. But before they can act, Nina is kidnapped and spirited away to a secret Nazi enclave in Argentina, igniting a fierce, fateful, globe-spanning struggle in which her life hangs in the balance. They already had five prisoners in the truck and are looking for the Patras family. Kroll goes to the house and ordered the Jews to get out. Patras calls the son Dinos who was in the cellar. Kroll orders to look in the cellar. Kroll notices that the family is worried and is quickly called by his men which have found a cave that reveals a hidden door. Kroll orders the family to open the door and he shoots Dinoa. Patras gives up and says that they are hiding the legacy of his family and opens the door. Kroll and another man go inside the room and see a shrine filled with treasure and a marble statue named Andreas. Kroll realizes that the treasure is related to Alexander the Great. He reads the inscription and see that Andreas knew Alexander. Then finds a silver jar. He orders that the family falls below. Kroll finds out that Andreas is Andreas the cook, from the Alexander Romance and that the jar contains what Andreas found in the Kingdom of Darkness. Patras says that Andreas wrote the Alexander Romance. The vessel is opened but Patras says that the Nazis are not worthy of it. He says that they are the descendants of Andreas, the guardian of the Spring of Immortality. Patras says that he knows that the sacred water source exists but Andreas is buried at the spring. The path to the spring is hidden, but it begins there. Kroll says he deserves that honor and drinks the water and soon feels very good. He tells his men to execute the prisoners and to gather there. He tells men that no one should talk about that discovery. Then orders that the family, left out the little girl , to be executed. Then they see Grant Thorn who tells Nina that he can not deal with the rights of her book for the moment. They also see Jared Zane who is there for business and gives them a newspaper that reveals that Baron Winderhithe died under mysterious circumstances. Nina and Eddie go to take a plane for home.
