

ASTD LEARNING SYSTEM FLASHCARDS pdf

1: ATD | The World's Largest Talent Development Association

The ASTD Learning System Flashcard set contains cards with more than questions to help you study for the CPLP knowledge-based exam. Tabs divide cards by area of expertise, so you can easily customize your study experience by mixing up the cards or by focusing on one area at a time.

It is a broad-based certification and addresses ten areas of expertise as defined by the ATD Competency Model. You have been a learning professional for at least five years now. You keep up on learning best practices, trends, and news. You network and have established rapport with your learning professional peers. That means your enhanced skillset can be used to elevate your credibility, distinguish you and your organization, expand your career opportunities, and establish yourself as a training leader. The CPLP is a three-part process: Have three years or more of learning industry experience. Exam consists of multiple choice questions from across all ten 10 Areas of Expertise and six 6 Foundational Competencies. Submit a work sample to be reviewed and scored by a panel of learning experts. How Do I Prepare? The next step is to prepare for the exam. What are My Study Options? Want an instructor-led or group study format? They offer both an in person and ILT online workshop. ATD Dallas also offers a local study group series based on demand. If you are interested in participating in an upcoming study series, please contact the CPLP Coordinator listed below. And, boy, was that right! I was accountable to myself and my peers without external stress. Insights from the facilitator and other experienced CPLPs helped me know what to expect during every step of the certification process. Plus I made some new friends and colleagues. The collegial environment provides a great forum for discussion and application of CPLP content and learning components. The rigor and discipline of the weekly assignments supports knowledge preparation in a timely manner. Facilitation by CPLP credentialed professionals gives expertise, guidance and support for both the knowledge exam and the learning project submission. Barb had valuable inside knowledge that made the study group worthwhile in a number of areas. Working with the study group was very helpful, not only for studying the material, but also as a support group who offered encouragement along the way. I highly recommend training professionals, especially those in the field for a while, obtain the certification.
