

1: Horse Astrology by Kim Devries

Read your Daily Chinese Horoscope for Horse. Chinese mythology contains stories of flying horses, horses that are part dragon or deity, and a silkworm/mulberry origin story wherein a girl promises to marry a horse if he helps her find her father.

Verify Your Sign Horse is in the Fire group. Horse has proactive, passionate, talented and articulate personalities. Pig is the Water group. Pig is connected to river, running water, lake or ocean. It implies wisdom, initiative, energy, offensive and encroachment. Pig contains Yang Water and Yang Wood. Water of Pig and Fire of Horse have attractive relationship related to Wood. Wood of Pig and Earth of Horse have attractive relationship related to Earth. They have double attractive relationships. They can get along very well. Fire is afraid of Water. Water gives Fire pressure. Water can extinguish and conquer Fire. Pig provides a working place to Horse. Horse helps Pig earning money. They are good business partners. Horse is the fastest animal for long distance travelling on the ground. Horse likes to pursue success, victory, power and reputation. Pig also contains Male Wood, which is tall tree, landmark, leader or decision maker. That implies Pig has generous, magnanimous and open-minded personalities with Leadership traits. Pig has the leadership skill and good vision for the future. Working with Pig, Horse has the pressure on its responsibility. Horse will work hard to seek for the greatest achievement. You were born in the Year of Horse. The following is the Brown Pig year prediction for people born in year of Horse. Horse drinks water on the river. Horse can happily and industriously travel under the sun. Water gives Fire pressures. Water represents your career. Pig is related to river water. That implies that you have unlimited job opportunities. You will focus on your career development. Your job will be getting busy. You will have more responsibility on your job position. Fire of Horse and Water of Pig together have attractive relationship into Wood. Wood is the mother element of Fire. Wood represents your mentor, benefactor, guardian angel or savior. Whenever you encounter troubles at work, someone caring you will guide you to find the solutions. Wood helps Fire to burn. The more job pressure comes, the more energy comes to support you. Your career opportunity is not bad. If someone offers you a new job, then you can consider to accept it. If you are well prepared and feel lots of passion on the new position, then you should pursue your career goal. If you cannot get over the people relationship in the current position, then you can consider skipping the opportunity. Horse is Female Fire. Metal represents your money. Pig contains Water and Wood, without Metal. Horse has a good luck in career. You should have a stable job and have a good fixed income. Horse pursues the victory of prosperous life. As long as you want to diligently work for your goal, you will have decent income. Horse and Pig is a couple of good match. Horse and Pig have double attraction relationships. If you are single, this is good time to find your true love. If you are a lady, then Water of Pig represents your husband or boyfriend. If you are sincerely and energetically looking for love, you will find your ideal gentlemen. If you are a gentleman, then Metal represents your wife or girlfriend. If you are a single man, then you need more time to find your girl. You have better chances to meet girls from the job related networking. If you are in love, then you and your lover must be a happy and affectionate couple. Both of you can consider the engagement or marriage. If you are married, then your marriage life should be happy, romantic and sweet. You will feel you fall in love again. Your people relationship is pretty good because of the attraction relationships between Horse and Pig. You can build your solid social networking during this time. Horse likes to pursue fame, success, victory and power. But you need to respect each member in your group. Then people will accept your leadership and keep the friendship. Pig and Horse have good people relationship. But you might receive a slander because of Pig. The dispute will be tangled for a long time. That will hurt your energy, spirit and money expenses. You will take care of your health well. With the protection of Pig, your health should be excellent. Pig is connected to the water in the winter. Pig Water is cold. If your birth chart has too much water, then you should watch out for your kidneys, bladder, and the urinary system. Pig brings you good people and love relationship. Diligently hardworking can ride on the crest of success. You will have a prosperous year.

2: Horse: your Chinese Horoscope FREE and complete

Among the Chinese Zodiac animals, Horse has the sixth position. Horse is regarded to be pliable. Some of the positive characteristics of the people born in the year of the Horse are wise, discreet, agile, attractive and full of sympathy.

Written by Alison is a beautiful year for the Horse, protected by a mild sky. This pleasant and constructive climate encourages you to take initiative, which strengthens your confidence. You have excellent relationships with others and this only boosts your potential. This year, you can consolidate all your achievements, be they material, emotional, or professional: You do not lack charm or daring and you will have many opportunities to convince and take the other in your wake, to install a stable and fulfilling situation in your relationship. Exchanges are just as enjoyable with your family and friends: If you are single, you are not safe from love at first sight, friendly meetings are favored and a friendship can be transformed into more tender feelings. Tips from Free Horoscope. Use your past to ensure your future: Your relationships are flourishing and they will make your life a lot easier. You could even collaborate on a large-scale collective project: You see big and far, the annoyances of everyday life do not affect you and this state of mind gives you the courage to gather your troops in a good team spirit. Do not try to control everything, even if your ideas are excellent. It is by associating your talents that the success of your joint projects will be born. Stay away from frivolous or low material concerns, step back and consider the global nature of recent years. If you lack confidence, if you feel that you are getting lost, do not hesitate to seek advice from wise and reliable people. Learn to say no without feeling guilty, give yourself time and space just for you. Well-being for the Horse In , you need to maintain your health or improve it to finish this cycle in style and then go back to a new healthy foundation. Now is the time to set up a healthy lifestyle, time to detect and then correct the excesses you allow yourself too often. By working on yourself you facilitate a great clairvoyance and your usual intellectual honesty. Do not get overwhelmed by multiple stresses, stay calm without feeling guilty. It is within family that you find your energy and that you re-energize yourself. Family relationships bring you serenity and meetings while family meals allow you to bond, even if you have neglected them. It will also be an opportunity to exchange more deeply with some people and strengthen the affection that unites you. Do not make promises that you would have the greatest difficulty keeping but keep your previous commitments.

3: Year of the Horse: Zodiac Luck, Romance, Personality

Horse is the seventh in the year cycle of Chinese zodiac sign. The Years of the Horse include , , , , , , , The Five Elements of Horse is Fire (Huo), which symbolizes enthusiasm and energy.

However, heavy responsibility or pressure from their job may make them weak. Also Horses should refuse some invitations to parties at night. The Horse sign stands for leadership, management, and decision-making. Horses dislike taking orders. The Horse can make it in any career that demands neither solitude nor meditation, for he is an extrovert and he needs to be surrounded by people who approve of him and flatter him. Good career choices for Horses include: How to Build Relationships with "Horse People"? People born in a year of the Horse have a pleasant, amiable, easy-going disposition. With good humor and geniality, they are extremely comfortable to get along with, as they have the ability of instantly putting people at their ease. All these guarantee their popularity and a large following of friends. The Luckiest Things for Horses Lucky numbers: If you are a Horse, you will find it easy to get rich using your own horse sense "intelligence and wisdom, so use your natural skills and strategies. However, your horoscope shows that you might desire to achieve a goal regardless of legal or moral constraints. Horses will have good returns on real estate, technical projects, and cultural trade. But these will require you to expend much energy, and you are likely to get upset. Horses, you might have conflict with your leaders, and that will result in a poor relationship between you this year. However, you will do well in studying and research. You should work hard on technology projects. This will also reduce the direct conflict between you and your leaders. You have a higher rate of success in these areas in It will help pave the way to a bright future. It will be easy to scare away your favorite mate, and even have fallouts and affairs. So you are suggested to be modest, talk less, and think more, which can avoid breaking the harmonious aura. You can also let your friends and people around you to help you to make a good impression with your loved one. It will be easy for you to settle down in a relationship with your loved one. Horses, you should be careful of going against the law or having conflicts with people, otherwise it will be easy to be involved in bloody incidents. Your stomach might not feel well, and your respiratory system will also easily have problems. Horses are not suggested to go on self-driving tours in , neither should they go climbing or do other adventurous activities. Ignore this and you will be in danger. You are suggested to do health examinations regularly, and take the time to adjust your mind by relaxing in a forest or by a lakeside. Love compatibility within the Chinese zodiac animals takes the characteristics of each animal into account. Only those whose characteristics match each others can be good partners. Verify Your Sign Horse Hour is from The Sun is at its highest position at noon. Dog hour is from 7: The Sun will disappear from the horizon at Beijing China time zone. Horse Month is June, which is the month of summer solstice. Dog Month is October, the last month of the fall harvest season. The farmland will soon take the winter break. This implies Dog is telling Horse to take a rest. Horse is the 7th animal in the Chinese zodiacs. Seven is an odd number. Horse should be in the Yang group. Actually, Horse is in the Yin group. Female Earth is the farmland. Female Fire is candle, campfire or the energy on the ground. Horse provides energy for farmland to grow plants. Horse always is busy during the day till the sunset. Horse is in the Fire group and Dog is in the Earth group. Fire is the mother element of Earth. Horse will fully support and protect the Dog. Dog always welcomes the help from the Horse. Horse is the fastest animal for long distance travelling on the ground. Horse likes to compete with others. Horse can be a leader in their group. Horse likes to pursue success, victory, power and reputation. Horse will satisfy the mother and child relationship with Dog. Dog is Male Earth, which is connected to hill or tall wall. Horse is Female Earth, which is connected to torch, candle fire, lighting or Leon light. When the illumination decorates on the wall, the wall becomes an eye-catching advertising billboard. That implies Horse and Dog working together can become an outstanding and attractive team. They have a reciprocal relationship. Horse is Fire and Dog is in the Earth group and also contains some Fire. In the Chinese astrology, Dog has a nickname, the Storeroom of Fire. Dog is collecting the Fire. Dog is the jail of Fire. After entering the storage room, Fire will have the difficulty to take out of there. That means the Fire relationship between Horse and Dog is very close. You were born in the Year of Horse. The following is the Brown Dog year prediction for people born in year of Horse. Diligent and persistent Horse chases the sun all day long till sunset. Horse is in the Fire group. Fire is afraid of Water. Water represents career to Horse. Dog is in the Earth group. There no water inside the Dog. You probably just want to keep the current job status. The career luck will become stronger in the winter. If you work hard, you might have extra rewards in the end of the year. If you have the promotion chance to a new position, then you need to think twice before making the decision. Dog is Male Earth, which is connected to the mountain. When we see the mountain, we need to stop to figure out the better way to overcome or bypass it. Therefore, you need to analyze the situation, consider whether the job is hot and check any limitation for your career. Or people try to kick you upstairs. You should be conservative. When your competitor suffers setbacks, then you can consider stepping forward. Metal is afraid of Fire. Fire represents your money. Dog is Male Earth and also contains little Metal. The Metal inside the Dog is connected to the money earned from hardship. To improve your money luck, you need to use your creativity, willpower and leadership skill to earn the money in the first half of Dog cycle. The second half will be the harvest season. You need to finish your works early. Then you can enjoy your achievements and rewards during the winter. In Chinese astrology, Horse and Dog have attraction relationship into Fire. This is a good sign for love relationship. If you are single, then you have great opportunity to find your lover. Therefore, you can attend more social activities and express your caring to people. Then your dream will come true. If you are in love, then your relationship will be closer than ever. If you are married, you will feel your love much stronger than before. You and your spouse will be an inseparable couple. Horse and Dog have attraction relationship into Fire. Therefore, your people relationship will be pretty good during the cycle of the Dog. Horse is taller than Dog and runs faster than Dog. Horse likes to compete, seeks the limelight to become a leader in the group. Horse and Dog can get along well. In order to gain for the higher reputation, Horse needs to seek the support from Dog. Dog might steal the show from Horse. If Dog holds the leadership, then Horse will leave and find a new group. If you have argument, dispute or lawsuit with someone, then you might lose the case. Your momentum looks good in the beginning. But after all, you will get into the trap of the rival. If you encounter a mad dog, then the jail time might become

possible. Also, the argument will last for a long time. That will hurt your energy, spirit and money expense. Horse is Fire and Dog is Earth. Fire can burn more Earth for Dog. When Earth becomes too strong, then you pay attention on the health related to Earth. You should watch out on your stomach and digestive system. If your Earth is too strong, then Water might become weaker. If Water is too less for you, then you should pay attention on your kidneys, bladder and the urinary system. Since Wood can overcome the Earth. You can often go to lawn, parks, forests, beach, riverside for outdoor exercises and fresh air. This can increase the energy of Wood. You feel that you missed opportunities in the past. But you should take a break, recharge your energy and wait for the opportunity at dawn. Your zodiac sign of birth year is related to your early life, family tradition, culture and your personality. By analyzing all attractive and fighting relationships between Five Elements and animals in the birth chart, it can tell you what major events regarding to career, wealth, friendship, love, marriage or reputation is coming toward you. 5: Astrology - Horse

is a beautiful year for the Horse, protected by a mild sky. This pleasant and constructive climate encourages you to take initiative, which strengthens your confidence.

Pinterest Horse Horoscope An Overview – A Look at the Year Ahead Horse horoscope forecasts that this year your natural skills will shine, and you will even have time to build on them! Your confidence is highly important in this year of the brown earth pig. So keep it up, and it will help you in many aspects of your life. Things will, in general, go easily for you this year if you make sure to play to your strengths. Every sign in the Chinese zodiac is named after a different animal. There is a story that says that once Buddha called all of the animals on the earth to him, but only twelve showed up. The animals that came got the zodiac signs named after them. The seventh animal in the Chinese zodiac is the horse. Horse years are , , , , , and . If you were born in any of these years, then you are supposed to have some of the traits of the horse animal totem: You will be the driving force in your relationship this year, not your partner. If you are single at the beginning of and you want to get into a relationship, then you need to get out of the house and try new things in the first couple months of the year. Understanding is more important than sex in any Chinese zodiac love match. If you as a Chinese horse want a good relationship, then you need to make sure to spend time with the people that you care about it. This is also a good year to find love with your friends as well. They will tend to take things too sensitively. Try to impress your children, rather than depress, your family and friends this year. Family planning for a child can be done after discussion with your spouse. **Horse Chinese Horoscope For Career** The Horse horoscope foretells that this year it will be your social skills that will get you ahead at work. You will need to work with other people this year in your business too. So make sure that you work on your teamwork skills. You also likely to get a large project this year, or many small ones. If you can focus, then you should be able to do well no matter what kind of projects that you get. Your work will get harder in the last couple of months of the year. **Horse Horoscope For Finance** Horse yearly predictions forecast that in this year of the brown earth pig you will be lucky when it comes to finances. You will have enough money to pay off some of your debts this year. **Year Of The Pig Predictions For Health** Speaking of strength, Horse in you will have more energy this year, which will mean that you will be able to work out and exercise more this year! This is a year to get rid of your bad habits. Quit smoking , go on a diet and do relaxing things like yoga or meditation. **Horse Monthly Horoscopes** January will be a month filled with positive vibes and lots of good news. February will turn out to be everything that you wanted. Things will go according to what you desire. March will be a tiring month no doubt, but you will be rewarded for the efforts that you have been putting in. April is not a good month to invest in risky financial ventures. May is a period when you have to be extra careful and not give in to indulgences. June will bring with it new opportunities that could turn your life around. July will be a mixed bag with a lot happening in your life. August is the right time to start planning for your future and take the necessary steps. September is an excellent month to get into new relationships or improve your relations with your spouse. October will bring in many opportunities, some of which are best avoided. November is the month to go all out to fulfill your dreams and ambitions. December is the right time to start planning for the coming year. But something can come out of it if you put in some extra effort. The horse horoscope predicts that this year should be great if you make sure to play to your strengths. Overall, if you work hard while you are actually at work, then you should be able to have a good time when you are away from work. Make sure that you spend time with the people who you care about. The Horse in Earth Pig Year can relax.

Big news!! Your Chinese Horoscope is ready! To have a look and get your yearly predictions, simply click on this link: Chinese Horoscope for the Horse In , you will seek first and foremost to gain, or expand, your autonomy and independence.

Males are unrestrained and frank while females are romantic and passionate. Your lifelong fate will be full of ups and downs and you will get a lot of success and suffer many failures. Lifelong Luck in Money Making With an unstable luck for wealth, you may make a fortune or suffer a loss; you need to grasp the opportunity timely and make reasonable use of funds, so success will be waiting for you! Your luck for wealth will be full of changes. You are not good at financial management and only know increasing income but know nothing about reducing expenditure. Being face-saving and vainglorious, you may even save your face lavishly. While investing into a business, you should be determined and never be misled by the public opinion. If you are not prudent, you may go bankrupt, even suffer a total failure. Lucky Direction for Work Income: West Lucky Direction for Windfalls: Southwest In daily life, you are suggested to wear or place Sheep, Tiger or Dog mascots on your table. Rat or Ox should be avoided. Lifelong Fortune in Career You people under the Horse sign are open-minded, responsible and have the strong leadership skills. However, you might be not tolerant enough and give up halfway. If you can keep motivating yourself to make efforts, you can make great achievements. Being enterprising, you have a very high perception and sensibility and may try all sorts of new challenges. Full of spirit and energy, you have a flexible commercial awareness and unique insights into operation and management. The challenging work can stimulate your inspiration but you should not accept the challenge beyond your abilities, or you will suffer the unavoidable failure. Wanting to make success in career? The Wenchang Star the God of Literature blessing you is in the west. You males like neither the nonsense love nor an ambiguous relationship, thus will have a lot of restrictions in choosing someone to get married. You females are clear about what to love or hate and often get married late. While having a relationship with someone, you should give each other the appropriate freedom for further development. However, you Horses conflict with Rat people and harm the Ox people, therefore, if your partner is under one of the two signs, you will have many quarrels and problems in life thus can hardly have a lifelong marriage. In addition, the lucky direction for you in love is east. Health Since Horse belongs to fire in five elements and fire connects with the heart, you are hot-tempered and in pursuit of efficiency and often feel stressed and bring burden to your heart, intestines and stomach and nervous system, which will damage your health after a long time. Therefore, you are suggested to start from the daily habits, eat more Yin nourishing food, cultivate your mind, hold back your heart fire and keep a happy mood. Moreover, you might be easily frightened and should pay attention to safety when go out. Taboos in Daily Life 1. Never wear the Rat shaped jewelry. Avoid staying with people under Rat or Ox sign. Do not place your bed in the north direction. Horoscope for People under Other Animal Signs:
