Authentic Manhood Products We understand the confusion around what it means to be a man That's why we created this video experience.

Is it just our sexual plumbing and hormones, which is what the culture embraces? Every man makes a choice whether to live according to how God has designed him and purposed him or to live a counterfeit design and purpose. It comes from Dr. Lewis writes that real man 1 rejects passivity 2 expects the greater reward 3 accepts responsibility and 4 leads courageously. Let me explain a bit about this four-point definition. Like Jesus, a real man is always the initiator. He has an eternal perspective and foregoes short term gain for long term reward of receiving his destiny in Heaven with Christ. He faithfully embraces his responsibilities for the wellbeing of others, starting with his wife and children and takes seriously the vows he makes to nurture, protect and provide for them. LEADS Courageously The Bible constantly calls men out and up to be the spiritual leaders of their homes, to love their wives sacrificially and unconditionally, and to spiritually nurture and instruct their children. In carrying out the Great Commission a real man understand his first responsibility is to disciple his wife and children. We are to boldly protect them from evil, to provide for their earthly needs and to lead and live with the truth. The Counterfeit Adam did exactly the opposite of each of these characteristics. He was passive, short-sighted, irresponsible and cowardly. Only Jesus fulfilled this definition perfectly on earth in our flesh. In doing so, Jesus redeemed our fallen masculinity and enables us to be real men by his power and through his blood. Our culture tells men they can be real only if they claim their right to self-satisfaction and self-fulfillment. When asked, "Who are you? Yet all these things are fleeting and they can exact a horrible cost on us and those who we love. A real man is a man of his word. Keeping it without fibbing or fudging is a test of manhood so critical that Jesus and his earthly brother James both commanded it. Let your "Yes" be yes, and your "No," no, or you will be condemned. Let me tell you about a real man - one of my heroes. But, he personifies biblical manhood in extraordinary ways. His name is Robertson McQuilken. He was married to Muriel for 53 years. His biggest fan and supporter was Muriel. She could no longer function alone. In Robertson McQuilken stood before the student body a Columbia Bible College and Seminary and announced his resignation from its Presidency "a position that was his lifelong dream" to go home and take care of Muriel. He stands firm and kept the faith. Men, let me ask you one question: Do you love your wife like that? Are you faithful to your vow to forsake all others?
