So we started our community unit today, I remembered at the end of the day that this is my favorite unit! I love that we teach the jobs in a way that the students can be 5 again and enjoy role playing! Today we taught about bankers. We talked about what a banker does, what tools a banker needs and why a bank and banker are important to our community. Then on to the fun stuff! We made our classroom into a bank! I think they loved it more because I was so excited about it, too. They then had to "deposit" their money into the bank. It was sooooo cute! Went a little like this If only it were that easy in real life, huh? The funniest thing happened, too When we were done with depositing our money, I asked, "How are we going to get our money back? Impatient customer 2 says, "Awww, again? We made wallets next, paper wallets. After folding our wallets and making them our own, we got back in line and withdrew our money. My students were so excited for everything we did! This is my favorite lesson guys! I planned on giving these away as a freebie Come back tomorrow for the freebies and for how we will teach police officer! Have a great week everyone!

Community Vehicles Turn boxes into vehicles. I have used boxes that photocopier paper comes in. Cut out the top and bottom flaps. Now, you can stand in the box and pull it up to your waist! To make it easier, cut out oval shaped openings into each of the long sides for the children to hold onto the boxes with while they are standing in them. Decorate the boxes with the children by painting them different colors. Glue paper plates or cut out circles for head lights. As you introduce other themes, you can add a construction paper sign to the sides i. Mail Carrier or Ambulance. Paper Bag Community Materials Needed: Small, white lunch bags, LOTS of newspaper or recycling paper, markers, construction paper and stapler. Talk about your community with the children at circle time. Follow up by asking each child to choose a building to create. They use markers to draw what their building will need windows, doors, etc. They stuff the bags with newspaper and you staple the bags closed. Use these in the block area or on a table for them to recreate events in your town. Block Area Community Helpers Theme Block Center Ideas Add people, trucks, cars and emergency vehicles to the block area to encourage making your city or town! What Are Community Helpers? Pictures of different helpers such as a grocer, police officer, teacher, etc. Show pictures and ask children to name the person and the job they do. Encourage the children to name the jobs of their parents, neighbors, etc. Song with Puppets In advance, cut out pictures from magazines of helpers and tape or glue them to craft sticks. Sing the song below using each helper when appropriate. You could then use this song in the future when you use a specific helper theme for a week dentist week, etc. And how do you do? I am the doctor.
