

BALLAD OF THE GODDESS PIANO pdf

1: Ballad of the Goddess Orchestrated sheet music download free in PDF or MIDI

Print and download in PDF or MIDI Ballad of the Goddess. A simple version of "Ballad of the Goddess" from Skyward Sword. The timing might not be perfect.

These four pieces are taken from the Symphony of the Goddess traveling symphony which accompanied the release of Skyward Sword. Each piece is in the form of a symphonic movement, moving through various different themes from a Zelda game. The tracks are on the audio CD which came with early copies of the game. If you are unfamiliar with the pieces, it may be good to check out the live orchestra versions first to get an idea of what these are. First, the book is very nice. The binding is stiff, but secure. The score looks beautiful. The full color artwork pages are stunning. I am picky with piano arrangements. That said, I happily endorse this book. Playing this music is delightful. There are many moments which perfectly capture the orchestrated versions. The only potential drawback, in my opinion, is that a few ornaments have been simplified; yet, the notes left out are easy enough to add by ear if this is an issue. As for difficulty, I will not try to describe it with generic terms. In my opinion, the music was not arranged specifically to be easy or difficult. Rather, it was arranged to convey the underlying music. Some passages have tricky articulation switching rapidly between staccato notes and slurs. A few passages have two voices played by the same hand, sometimes a 6th or 7th apart. Sometimes the left hand carries the melody or both hands play equally important lines. The key signatures range from 5 flats to 7 sharps. There is an enormous dynamic range. Some chords are fairly large. And above all else, I believe this would be very fun to play even if it takes a little longer to master than other arrangements available. I only include this discussion in case a new pianist is looking for a Zelda book.

2: Ballad of the Goddess "Zelda Dungeon

Mix - The Legend of Zelda: SS Ballad of the Goddess "Zelda Dungeon" Piano Tutorial YouTube The Legend of Zelda: OoT MEDLEY for Solo Piano HD - Duration: kylelandry 1,, views.
