

### 1: Grace Livingston Hill: Because of Stephen Vol. 96 by Grace Livingston Hill (, Paperback) | eBay

*Because of Stephen (Grace Livingston Hill, No 96) by Grace Livingston Hill Lutz, September , Tyndale House Pub edition, Paperback in English.*

As an accomplished author, Grace Hill has penned more than novels and several other short stories. Most of the characters that Grace Livingston Hill creates are normally Christian women or women who are raised within the confines of religion. Both of her parents and her sister were writers as well. The first novel that Grace Livingston Hill wrote raised more than enough money for author Hill to go on a vacation to Chautauqua. Because Grace Livingston Hill did not have any other source of income, she was prompted to write on a frequent basis. After the death of her husband, Grace Livingston got married to Flavius Josephus Lutz, who served as a church organist. However, after ten years, her marriage got sour, and the two broke up. Many reviewers have likened the Enchanted Barn to a fairy tale, where hard work, love, faith, and courage outweigh the forces of despair. In Enchanted Barn, a destitute family manages to turn an extremely old stone barn into a family home. Shirley, the protagonist, is the eldest child and serves as a stenographer. While going with her day-to-day work, Shirley finds herself at the center of espionage and fraud attempts. Despite the fact that Shirley had no option, but to bear the burden herself, she does not become bitter. Instead, Shirley becomes optimistic, irrespective of the various challenges that her family faces. Nonetheless, it does not take long before the small house that they had lived in for quite some time is to be demolished. Within the same month, Shirley must be able to find a new house for the family. If she fails, then her family will not have a home. Their father has recently passed away, while their mother is seriously ill. Shirley is the oldest girl in the family and is employed as a secretary. One fine day, Shirley decided to leave work early and decided to take a trolley, while looking for affordable apartments or houses to rent. Shirley spends her entire day looking for an affordable apartment. Just when she was about to retire, Shirley is informed about an old barn that was sitting empty. Shirley decides to inquire more about the barn. The first person that Shirley met was the owner of the barn. After a lengthy conversation, Shirley and the owner of the barn strike a deal. The owner of the barn is not only tall and handsome but also extremely rich. Shirley was very different from all the other girls that he had previously met. Because Sydney Graham developed a liking for Shirley, he decided to help her by adding a few things to the barn and lowering the expected rent. In Marcia Schuyler, Marcia was expected to be the bridesmaid; however, she ended up becoming the bride. Marcia married the groom who was initially expected to marry her sister. Nonetheless, the marriage took place with the permission of her parents and the groom as well. This was an extremely awkward situation with the awkwardness being postponed by the sudden switching of brides. Most people were not aware of what had happened until the middle of the ceremony. After the wedding, Marcia finds herself in a new home, new town, and new life. Apart from being a happy marriage, it is also a safe marriage for the most of it. Marcia and David are quite friendly with one another and quite respectful as well. Marcia Schuyler is a romance novel, where the protagonists fall in love after the marriage ceremony and not before. Apart from Kate, there is also another villain, Harry, who just like Kate has his role to play in the narrative. With that said, Marcia Schuyler is a novel that takes place several years ago, before feminism meant that women could be unwomanly or rude. Marcia Schuyler is undeniably a page-turner that is filled with numerous unexpected twists and turns. All the characters in Marcia Schuyler portrayed emotions that readers may have experienced at one point in their lives. Jack Reacher is back! Family secrets come back to haunt Reacher when he decides to visit the town his father was born in. Because when he visits there he finds out no-one with the last name of Reacher has ever lived there. It leaves him wondering - did his father ever live there? Recommendations Every 2 weeks we send out an e-mail with Book Recommendations. Insert your e-mail below to start getting these recommendations. If you see one missing just send me an e-mail below. Featured Author Our author of the month is Canadian author Opal Carew who writes erotic romance novels. Opal has written over novels with multiple book series such as the Dirty Talk series and the Abducted series. Did You Know? Arthur Conan Doyle pursued a medical degree at the University of Edinburgh instead of going into the arts much to the surprise of his family. At med school,

## BECAUSE OF STEPHEN (GRACE LIVINGSTON HILL, NO 96) pdf

Doyle met his mentor, Professor Dr. Joseph Bell, whose keen powers of observation would later inspire Doyle to create his famed fictional detective character, Sherlock Holmes.
