

1: Billy Idol (Author of Dancing With Myself)

This book is packed with a well-chosen selection of 16 of Idol's chart-topping hits from albums such as Billy Idol, Rebel Yell, Whiplash Smile, and Charmed Life.

Billy Idol Singer, songwriter A product of the late s British punk movement, Billy Idol has become one of the most popular and successful vocalists in contemporary rock. His group, Generation X , was extremely popular in the United Kingdom, while his subsequent solo career has developed a worldwide following. Along with his guitarist, Steve Stevens, he has created hard-driving albums, electrifying live shows, and unique videos. Soon he was writing his own tunes in a similar vein. Idol put an ad in Melody Maker, stating simply, "I want to form a group. The group only lasted two months, but Idol and James started another band, Generation X , the following year. Even then Idol could see that the punk attitude would soon burn itself out. What we left out was how we feel about things, rather than how we think about things. He ran into Steve Stevens on and off for about nine months when the guitarist finally left his group, Fine Malibus, and the two began writing tunes together. The album made the top ten as keyboardist Judy Dozier, bassist Steve Webster, and drummer Tommy Price provided support on three more hits: The single "To Be a Lover" received heavy airplay on both MTV and FM radio, and topped out at number six on the charts, and the group then embarked on a massive arena tour. The group now consisted of Susie Davis on keyboards and Kenny Aaronson on bass, with Price continuing as drummer. Despite a reputation for being rude, nasty, and stuck-up, Idol is perhaps just putting on a front. Idol released Charmed Life in , and while songs like "Cradle of Love" received good exposure on MTV, the album seemed less inspired than his previous two efforts. Partly due to the departure of Steve Stevens, the album lacked the blazing guitar work that had graced early albums. Idol was also the victim of a serious motorcycle accident that severely injured one of his legs and forced him to temporarily rely on a walking cane. Still, despite these artistic and personal difficulties, Charmed Life lived up to its name, reaching platinum status. An attempt to transform his music from popular punk to techno beat, the album was panned by critics, and found little chart success. To further complicate matters, Idol had sunk deep into drug addiction , leading to a near fatal overdose in Throughout the remainder of the s Idol remained on the sidelines. His career, however, began a slow revival following an appearance in the movie The Wedding Singer in , and the issue of Greatest Hits in The real key to his comeback, however, relied on an inspired performance on VH1 Storytellers in , reminding audiences how central the singer had been to the new wave scene during the early and mids. Life and career[edit] The family returned to England four years later with Idol and his younger sister, Jane who had been born in the U. In October , Idol attended the University of Sussex to pursue an English degree and lived on campus East Slope in Falmer but left after year one in He then went on to join the Bromley Contingent of Sex Pistols fans, a loose gang that travelled into town when the band played. Billy Fury and all that. It was fun, you know? The truth was, we were all building our music on the Beatles and the Stones". Their contribution was the Grammy winning instrumental, " Top Gun Anthem ". Stevens was working on Whiplash Smile, and Faltermeyer supplied the keyboards which led to both of them playing on the Top Gun score. A remix album was released in called, Vital Idol. In the single topped the United States chart and reached number 7 in the UK. Idol did not stay loyal to Lister and started seeing Linda Mathis, who was 13 years younger than Idol. At the age of 19, Mathis became pregnant and chose to move in with her mother to have her child, a girl named Bonnie Blue Broad, born on 21 August Idol was involved in a serious motorcycle accident, which nearly cost him a leg, on 6 February in Hollywood. Judgment Day ; the role was recast entirely as a result of the accident. Since Idol was unable to walk, he was shot from the waist up. The video featured video footage of him singing in large frames throughout an apartment, while Betsy Lynn George was trying to seduce a businessman. The video was placed in rotation on MTV. Idol used Studiovision and Pro-Tools to record the album. The album took ten months to make. Special editions of the album were issued with a floppy disk which contained a screensaver. It was one of the first albums which listed the e-mail address of the artist idol well. GHB was a legal drug at the time, and mainly used by weight-lifters. He has never admitted that he is totally off drugs, just that he has his habit under control. He claims to have first smoked marijuana at the age of 12 and also says he took acid at the age of thirteen. Idol did not want to release an album during this period because he was having a lot of problems with his record label. It was decided that he would wind up owing the record company money if he produced anything. EMI hired producer Glenn Ballard to work with him on a new project, but Idol battled the label over creative differences and the album was put on hold. Idol made a cameo appearance as himself in the film The Wedding Singer with Adam Sandler, in which Idol played a pivotal role in the plot. The film also featured "White Wedding" on its soundtrack. Idol also had a small part in the film The Doors , directed by Oliver Stone. Endgame , although ultimately Bruce Payne was cast. His contribution was on the song "Into the Night", which he also co-wrote. That year he voice acted the role of Odin, a mysterious alien character, in the animated fantasy film Heavy Metal Idol and Stevens took part in a VH1 Storytellers show three days later. The Greatest Hits album sold one million of copies in the States alone, as well as being a success around the world, providing Idol with a big comeback. In the NRL Grand Final in Sydney, Idol entered the playing field for the half-time entertainment on a hovercraft to the intro of "White Wedding", where he managed to sing only two words before a power failure ended the performance. Idol reunited with guitarist Steve Stevens and producer Keith Forsey to record the album. It was after a concert at the Hammerstein Ballroom that Sanctuary Records approached Idol about making new music in his older style. The album was recorded with the entire band playing in one room, rather than each person recording their part separately. The first single and video to be released was " Scream ". The album included a cover of " Plastic Jesus. The guitarist had to perform most of the tour in a two-piece removable cast. That same year he made an appearance on Viva La Bam where he helped Bam Margera succeed in "creating" a sunroof for his Lamborghini Gallardo and performed live for April Margera for her birthday. A video was made featuring Idol and guitarist Slash. He embarked on a worldwide tour, co-headlining with Def Leppard.
