

### 1: Richelle Mead - Bloodlines

*A family of adult siblings find that their past secrets and scars are revealed when their black sheep of a brother returns home.*

How have I never noticed them? I could paint those I love this book! Even though there is not romance here, I still love it! I liked Sydney when I read Vampire Academy! Now, I love her character. I loved Adrian before and I still love him! He is amazing and funny. In half of the book I was laughing at something he was saying. They got it on the first try. So, they gave her a last chance! It was so obvious. They understand each other even though Adrian is vampire and Sydney is human. Their relationship is not romantic YET but they are so much fun to watch them! The adventures and the jokes were the best! I shook my head, still smiling. I will start with the complicated it. He treated Sydney bad all the time and he always wanted to find something to incriminate Sydney and send her to re-education. He was also supplying Nevermore Moroi blood and saliva. Nevermore was place where a lot of people were having a unusal tattoo to make them stronger. Sydney and Adrian expose him and Keith end up at the re-education. And he was so good to Jill. I will admit that he gave clues. But I ignore it. I did not see that coming. Lee was a restored Strigoi and he killed several girls Moroi, dhampirs and humans. But we learn something new. He wanted to try alchemist blood to see if that works. Then, he called his his Strigoi friends using Sydney and Adrian as a bargain for being re-awakened. They feed both on Adrian. Sydney created fire and she distracted the Strigoi. She is a witch! She is also a witch and with her way she introduced Sydney the human magic. She also calls her "Melbourne" because her fake name was Sydney Melrose. He wants Jill and I want them together but he is stupid. He wants to sacrifice his love for Micah. Micah is his roommate and he looks like a lot like Mason his best friend who died. Sydney treats her like sister even though Jill is a vampire. Sydney obeyed his commands because she asked him to attack on Keith and he ended up with a glass eye. I still love Abe. He was still thinking about her. But then, Sydney gave him purpose.. But in the ending, Dimitri arrived in Palm Springs.

### 2: Bloodline (TV Series) - IMDb

*Bloodline is an American Netflix original thriller-drama web television series created by Todd A. Kessler, Glenn Kessler, and Daniel Zelman, and produced by Sony Pictures Television.*

Season 1 [ edit ] The series begins with narration by John Rayburn: You can feel it. Danny is the black sheep of the family, with a poor reputation among them, including his three younger siblings: John, Kevin, and Meg. Danny wants to make his return permanent as he wishes to stay to help his parents at their inn. John breaks the news to Danny, but lies to him by telling him it was their father who wanted him gone, rather than the siblings. Ultimately Danny does not leave, although he gets a ride to the bus stop from John. Danny took Sarah out on a boat. Her seahorse necklace fell into the water, and when she attempted to retrieve it, she drowned. Robert lost control and beat Danny over her death. The two begin siphoning gasoline from local docks for drug and human trafficker , Wayne Lowry. Danny eventually uses his job at The Rayburn House as a front to smuggle cocaine for Lowry. The investigation leads John to Danny and his recent activities. Unbeknownst to Danny, they move the drugs, replacing them with empty suitcases. The loss of the drugs puts Danny in a bad situation with Lowry, who believes that Danny has stolen the cocaine from him. Lowry sends a hitman to assassinate Danny, but Danny kills the hitman. Under pressure, Danny begins to act erratically. Danny tries to get to John by taking his daughter Janie out on a boat and giving her a seahorse necklace, similar to the one that belonged to their deceased sister, Sarah. John and his wife Dianna take this as a threat against the family, so John sends his wife and children away for a few days. The seahorse necklace causes John to reach his breaking point. During a confrontation, John drowns Danny in the ocean. Distraught from murdering his brother, John turns to Kevin and Meg for help. Unsatisfied with what she is told, Sally turns to family friend and retired detective Lenny Potts to privately investigate the matter. Nolan and his mother arrive at the Rayburn house and meet Sally to discuss Danny. John tries to get the tape off Lowry by telling him to turn himself in so that the DEA can arrest his contacts and his family will be protected. Lowry ends up about to do it but backs down due to Kevin giving back some of the drugs Danny had. Lowry is killed by the father of one of the victims killed when he blew up a boat containing people they were trafficking. Marco, who used to have a relationship with Meg, grows to resent the Rayburn family for lying and telling contradictory stories. Meg goes and hides in Los Angeles. Angela Winiewicz portrays young Sarah in flashbacks. According to its official synopsis released by Netflix, Bloodline "centers on a close-knit family of four adult siblings whose secrets and scars are revealed when their black sheep brother returns home. And because we all come from families with three sons, we recognize the roles we play. So the thought was, why not try to mine some of that in our creative life? They settled on a family-thriller genre, set in the Florida Keys, which explored the ghost of the past in family role formation. They met with Chandler in Austin, Texas , and pitched the part. I wanted to be a part of it. When we first hired him, it was for more than the first season. Filming[ edit ] Todd A. Kessler described why they shot the show on location in the Florida Keys: The first season just gets us to the starting line. Cinematographer Jaime Reynoso said, "he never saw [Bloodline] as a TV show", finding the all-at-once Netflix model useful in filming the series as if it were a shorter film. He explained, "The concept the writers had was they wanted it hyper-realistic, almost documentary style. Despite receiving tax credits for shooting in Florida, shooting in the Florida Keys was costly. The high production cost is cited as one of the reasons for cancellation, despite positive reviews and award nominations. It makes things more difficult".
