

## 1: NOOK Audiobooks by Barnes & Noble – No Subscription Required

*Welcome to the NOOK® book store, where you'll find a vast selection of eBooks to satisfy your love of reading. Escape in a classic book, find love in romance novels or get lost in a world of some of our popular genres, including science fiction & fantasy, Christian Fiction, poetry, and more.*

If you consider buying Nook device, you are surely interested in how many books you can find for your new device – and how many of them can be downloaded legally for free. The most important consideration is DRM. It stands for Digital Rights Management and it prevents from opening the files on unauthorized devices. Please have it in mind when making a collection of free Nook books. The format which is compatible with Nook – not only e-readers and tablets, but also e-reading applications – is epub. There are over 2 million free books in epub format, available on the web. Most of them are classic books, that are in public domain. The other option to consider is free samples. You can download a free sample of almost every Nook book, before you decide to purchase it. There are apps for PC and Mac computers. You can also pick up a version that will let you read Nook books in a browser. Read also 50 best case covers and accessories for your Nook e-reader and tablet [Top article](#) A list of fashionable, well-designed Nook case covers and accessories. Having in mind one disadvantage – the DRM – you have to balance it with the comfort of using and managing downloaded books. Generally, all books purchased in the Nook Store will be synced across all devices you have. This is very convenient. You can start reading on a Nook Simple Touch, and finish a book in a bus on your Android smartphone with a Nook app installed on it. By default, they are sorted by top matches, but you can change it to bestsellers. The catalog is a directory of all things free in the Nook Store. Such books contain more free content than you would get with free samples. For instance, the mentioned above book offers 19 chapters. Other very popular way among Nook users to get a free book is called Nook Free Fridays. Every week one or more books are offered for free – on Friday only. If you are looking not only for free, but discounted Nook books, you should check Nook Daily Find. Check the Nook Daily Find section [here](#). Project Gutenberg Project Gutenberg is the top place to download free classics. On Project Gutenberg all books are free. Currently there are 40, public domain books in the catalog. The files are very well prepared. There are two kinds of epub files: The one with images is much heavier. The one without should take no more than k of disc space. Among some very attractive books, that I found recently on Project Gutenberg are the complete collection of Mark Twain works , the cool slang dictionary from , or several sci-fi stories from 30s, 40s, and 50s, including the ones from Philip K. Smashwords I highly recommend to check this site. Smashwords is a top place with titles from independent authors. There are around , titles in the catalog. There are two major benefits of using Smashwords. Secondly, all books on Smashwords are DRM-free. To quickly get to the list of free ebooks, simply use the combination of three top filter bars. For instance, [here](#) is the link to: Currently there are almost 23, free ebooks on Smashwords. You can pick a category first and then select Free tab to get a list of free titles in your favorite genre. For instance, there are 2, science-fiction books that are free on Smashwords. In most cases epub will be included. There are over 1,, free ebook titles available. BookRix BookRix is a German-based self-publishing platform that has currently over 20 thousand publications on offer. [Here](#), at BookRix you can find books mostly from European authors. Feedbooks On Feedbooks you can find both public domain Public Domain section and free contemporary books Original Books section , both fiction and non-fiction. As the site is based in France, there are a lot of titles in French, as well as in other languages, not only in English. The site offers RSS feeds of specific categories, so you can subscribe to them and get new books the moment they are added to offer. ManyBooks The site offers 29, free ebooks. The book detail page displays not only the usual fields like the author or publish date, but also word count and the reading ease. The number of available formats is impressive. DigiLibraries The site is an online ebook catalog, where you can find almost 30, titles – all of them are free. There are several categories to choose from. Goodreads The largest book discovery site, Goodreads, offers also books in epub format. The catalog is not huge, there are only 2, titles listed [here](#), but they are very interesting ones. It recounts an adventure experienced by Sirius Black and James Potter. The books are available in epub, pdf and txt format. Check out
