To loose the bonds of wickedness, To undo the heavy burdens, To let the oppressed go free, And that you break every yoke? To break every yoke. A yoke is a bondage or a bad habit that you cannot seem to break and leave behind you for good. When you fast, bad habits ARE broken. Addictions to various foods or drinks are broken when you fast. In addition to substances food, alcohol, drugs , any and every yoke addiction or dependency can be broken. Behaviors self-pity, critical spirit, self-condemnation, gossip Emotions anger, rage, lust, excitement, neediness, jealousy, envy, suspicion Activities entertainment, games, TV shows, Facebook, golf, gambling " and there are many more. Humans can be addicted to almost anything. We want to be yoked to the Lord, not addictive substances. I heard a Bible teacher once say that when he realized the hold that Coca-cola had on him, he decided he would never drink it again. And he never did. That was 30 years ago. I recently found I was a little too fond of iced tea, so I stopped it for a few weeks, just to prove I could. YOU determine to do it, and ask the Lord to help you. Fasting gives you the strength to follow-through. Please pray with me"Declare Out Loud: Thank You for loosing the bonds of wickedness in my life. You have undone every heavy burden. I am no longer oppressed, for You have set me free. I am free indeed and I walk in newness of life, and I will never be the same again! Glory to God, thank You, Father God! Think it may help someone else, too?

The Bible says, the whole world lies in wickedness. There are a lot of people that ought to have moved farther in life than they have. To every barren situation, there is a yoke attached. Embargo is an evil voice speaking contrary to your elevation Result of embargo v It causes rise and fall. Conscious Embargo When a person is aware that something is wrong, something is keeping them at the tail end. Collective Embargo When a group of people or family are experiencing the same cycle of problems. It is a like father like son problem; like mother like daughter problem. Selective Embargo Such people are usually regarded as the black sheep of the family; despite their go family background, they just go wayward. Let the backbone of the stubborn pursuer and strongman break, in the name of Jesus. I clear my goods from the warehouse of the strongman, in the name of Jesus. I bind the strongman behind my spiritual blindness and deafness and paralyze his operations in my life, in the name of Jesus. Every inherited covenant affecting my life, break and release me, in the name of Jesus. Seven Fold Amen with Faith!!!

3: The Anointing breaks the yoke

So, yes, clearly, the Spirit's anointing brings liberty to captives, and that means breaking yokes (see also Acts). At the same time, it is a mistranslation in the King James Version of Isaiah that gave rise to the saying "the anointing breaks the yoke."

It is that divine flow of the Holy Spirit that will break that yoke in our lives. If the church ever recognizes this concept, we will give the prince of darkness "the devil" fits. In the past, if the devil could hinder just a handful of people, he could halt a whole revival move. What would happen if the entire Body of Christ took on the anointing and broke away from the yokes that have been placed around their necks? The enemy will shout in your ear that you will never make it. And he knows how to use the Word of God against you, by twisting it to make us believe what he wants us to believe. We will never make it on our own. But, praise the Lord, we have the same Holy Spirit anointing as Christ had. He has come to deliver us from fear, from doubt and from oppression. I am sure that most of you feel as I do "it is time for us to take the upper hand through the power that God gives us to overcome every hindrance brought against us. But we will never succeed in our own strength. We have to stop fighting our own battles with our puny strength. We must have the strength God provides. Whether we like it or not, we are in a battle with an unseen enemy. The devil has declared an all-out war on the Church. He is out to sift you and cause you to stumble in any way he can. Our real enemy is not the visible people we see around us. He has ranks within his demons "his evil warriors. Sinister forces of unspeakable strength and terror lurk behind the chaotic, brutal and inhumane action on this planet. They are called, as we have just read, and in other places: Satan, demons, principalities, powers, rulers of the darkness, spiritual forces of wickedness, fallen angels, and princes of darkness. There is a sinister, evil army with which we struggle. We can live triumphantly in His victory. The Holy Spirit has been given to us to fight these sinister enemies of our souls. He indwells every believer. Every Christian is a soldier at war. You therefore must endure hardship as a good soldier of Jesus Christ. No one engaged in warfare entangles himself with the affairs of this life, that he may please him who enlisted him as a soldier. The Holy Spirit alone is able to turn the Word of God into a sword. A biblical understanding of spiritual warfare begins at the end and not at the beginning. The reason for this is that it is ever important to keep our focus on Christ and not on the power of the Enemy. Satan has no rightful authority over any believer. Why we need to go to the end is because it is there that we find the ultimate fate of Satan and his demons. The lake of fire was created for the devil and his fallen angels. The heart of spiritual warfare is this "the battle has already been won. We must understand and remember that we fight on the foundation of a victory already won. We are not dualists who believe that God and the devil are equals who are struggling for the control of men and women. Satan does not coexist with God. The powers of darkness were conquered at the Cross. Most of us see in the Cross the sacrifice of Christ for our forgiveness. We see the ultimate example of unconditional love. All of this is certainly true, but there is a truth about what took place on the cross that some do not see. It was a cosmic spiritual war that was waged that day. Satan tried to kill Jesus at His birth, using King Herod as his pawn. He set before the Lord the lust of the flesh, the lust of the eye, and the pride of life. And Jesus defeated Satan with the Word of God. We should be clear that one of the reasons Jesus came to the earth was to do battle with Satan. Jesus saw our world as bound, blind, brokenhearted, and bruised. Throughout His ministry He confronted the forces of hell and cast them out. Jesus is still setting captives free. He is still opening spiritually blind eyes. Jesus saw the destructive work of Satan and did something about it. And I will put enmity between you and the woman, and between your offspring and hers; He will crush your head, and you will strike His heel. In this verse, we have God announcing the ultimate triumph right from the beginning. God is speaking to the serpent, the deceiving devil, in this verse. Satan vented his anger on the Son of God. Satan held the power of death. But, praise God, in Hebrews 2: But with God, all things are possible. Again, it is the anointing that breaks the yoke. Human wisdom cannot heal emotional wounds. Human knowledge cannot set free those who are spiritually bound. Human wit cannot restore those who have emotional bruises. However, the anointing that was on Jesus can heal all those who have been oppressed of the devil. And the anointing did not cease when Jesus ascended into

Heaven. Joel prophesied concerning the anointing: No mountain is too great for God to remove. No valley too deep that we cannot be rescued and restored. No situation so bad that God cannot reach into it and turn it to His glory and our good. He is able to rescue us and restore to us even what the enemy has taken. Let me reiterate once again: We must remember that we fight on the foundation of a victory already won. We can, through the power of the holy Spirit, not relinquish our freedom to enslavement of any kind – worry, fear, anger, resentment, lust, greed or any besetting sin. Jesus stated that the only means of freedom was through Him. The only source of deliverance from bondage is Jesus Christ. According to Colossians 1: But through faith in Jesus Christ, we are delivered from the domain of darkness and transferred to the kingdom of Jesus Christ - the kingdom of light.

Nonetheless after the passage of the Fugitive Slave Act in , Shadd joined thousands of other African Americans in emigrating to Canada. She briefly taught the children of the emigrants and then turned to newspaper editing. When the first issue of the Provincial Freeman appeared in Windsor, Ontario in , she became the first black woman newspaper editor in North America. The speech below is a sermon she gave on Sunday, April 6, , to an audience in Chatham, Canada. We must then manifest love to God by obedience to his willâ€”we must be cheerful workers, in his cause at all timesâ€”on the Sabbath and other days. These two great commandments, and upon which rest all the Law and the prophets, cannot be narrowed down to suit us but we must go up and conform to them. They proscribe neither nation nor sexâ€”our neighbor may be Either the oriental heathen the degraded Europe and or the Enslaved colored American. Neither must we prefer sex the Slave mother as well as the Slave father. The oppress, or nominally free woman of every nation or clime in whose Soul is as Evident by the image of God as in her more fortunate contemporary of the male sex has a claim upon us by virtue of that irrevocable command Equally as urgent. We cannot successfully Evade duty because the Suffering fellow woman be is only a woman! She too is a neighbor. The good Samaritan of this generation must not take for their Exemplars the priest and the Levite when a fellow wom[an] is among thievesâ€”neither will they find their Excuse in the custom as barbarous and anti-christian as any promulgated by pious Brahmin that [word crossed out] they may be only females. The spirit of true philanthropy knows no sex. The true christian will not seek to Exhume from the grave of the past [word crossed out] its half developed customs and insist upon them as a substitute for the plain teachings of Jesus Christ, and the Evident deductions of a more Enlightened humanity. We are told to keep Holy the Sabbath day. In these cases particularly was the Sabbath made for man and woman if you please as there may be those who will not accept the term man in a generic sense. Christ has told us as it is lawful to lift a sheep out of the ditch on the Sabbath day, i[f] a man is much better than a sheep. Those with whom I am identified, namely the colored people of this country--and the women of the land are in the pit figurat[ively] speaking are cast out. These were Gods requirements during the Prophecy of Isaiah and they are in full force today. God is the same yesterday today and forever. And upon this nation and to this people they come with all their significance within your grasp are three or four millions in chains in your southern territory and among and around about you are half a million allied to them by blood and to you by blood as were the Hebrew servants who realize the intensity of your hatred and oppression. You are the government what it does to [th] you Enslaves the poor whites The free colored people The Example of slave holders to access all. What we aim to do is to put away this Evil from among you and thereby pay a debt you now owe to humanity and to God and so turn from their chanel the bitter waters of a moral servitude that is about overwhelming yourselves. I speak plainly because of a common origin and because were it not for the monster slavery we would have a common destiny here--in the land of our birth. And because the policy of the American government so singularly set aside allows to all free speech and free thought: As the law of God must be to us the higher law in spite of powers principalities selfish priests or selfish people to whom the minister it is important the [that? Slavery American slavery will not bear moral tests. It is in Exists by striking down all the moral safeguards to society byâ€”it is not then a moral institution. You are called upon as a man to deny and disobey the most noble impulses of manhood to aid a brother in distressâ€”to refuse to strike from the limbs of those not bound for any crime the fetters by which his Escape is obstructed. The milk of human kindness must be transformed into the bitter waters of hatred--you must return to his master he that hath Escaped, no matter how Every principle of manly independence revolts at the same. This feeling Extends to Every one allied by blood to the slave. And while we have in the North those who stand as guards to the institution they must also volunteer as [s]hippers away of the nominally free. You must drive from this home by a hartless ostracism to the heathen shores when they

fasted, bowed themselves, and spread sack cloth and ashes under them. They must repent of their sins--put away iniquity from among them and then should their light shine forth. But we are or may be told that slavery is only an Evil not a sin, and that too by those who say it was allowed among the Jews and therefore ought to be Endured. Isaiah sets that matter to rest he shows that it is a sin handling it less delicately than many prophets in this generation. These are the sins that we are to spare not the sin of Enslaving men--of keeping back the hire of the laborer. You are to loose the bands of wickedness, to undo the heavy burdens to break Every yoke and to let the oppressed go free. To deal out bread to the hungry and to bring the poor [word missing] speaking. Their cry has long been ascending to the Lord who then will assume the responsibility of prescribing times and seasons and [word crossed out] for the pleading of their cause--of and righteous cause--and who shall overrule the voice of woman? No friends we suffer the oppressors of the age to lead us astray; instead of going to the source of truth for guidance we let the adversary guide us as to what is our duty and Gods word. And now, I declare that the power of every yoke, every bondage, addiction and unhealthy dependency is BROKEN, OBLITERATED AND DESTROYED from my life. The anointing of the Lord is upon me by His grace -- His anointing is the "burden removing, yoke destroying power of God."

The son shall not bear the iniquity of the father, neither shall the father bear the iniquity of the son: For example, if someone comes from a cursed home, that kind of person cannot prosper. Once a person is under a family curse, it will be very difficult for the star of that person to shine. When a person comes from a cursed family, His wisdom or talent cannot deliver him. This family embargo has wasted many people and keep them away from the blessings of God. What some people do not know about generational curses: Some foundational curses have been issued against them by ancestry or wicked powers. Unfortunately, many people are living on generational curses today. When you are under the yoke of family curses, you cannot complete whatever you have started. A person who is living in a cursed house, there will be no faster growth. Everything about the person will be delayed in the journey of life. 7: Nahum For from you I will now break off his yoke and tear away your shackles."

Breaking every yoke Posted on May 1, 1 Comment Over the last week there has been a group of bloggers in Kolkata, India as part of a trip with Compassion International.

So in the practice of the ancient Church fasting and almsgiving were closely connected, as indeed they are in Matthew 6: The truth which he proclaimed was recognised in the hour of danger and forgotten in that of safety. To undo the heavy burdens. He, who was thought not to fast, relieved them of their two-fold yoke of evil selfishness and ceremonial formalism. Pulpit Commentary Verse 6. This passage, as Dr. Kay observes, "stands like a homily for the Day of Atonement. The Jews call the true fast "the fasting of the heart. To set free those whom wicked persons have wrongfully imprisoned or entangled. To undo the heavy burdens; literally, to untie the thongs of the yoke. To let the oppressed literally, the bruised go free. Remission of debts and restoration of pledges Nehemiah Matthew Henry Commentary These professors had shown sorrow on stated or occasioned fasts. But they indulged pride, covetousness, and malignant passions. To be liberal and merciful is more acceptable to God than mere fasting, which, without them, is vain and hypocritical. Yet persons, families, neighbourhoods, churches, or nations, show repentance and sorrow for sin, by keeping a fast sincerely, and, from right motives, repenting, and doing good works. The heavy yoke of sin and oppression must be removed. As sin and sorrow dry the bones and weaken the strongest human constitution; so the duties of kindness and charity strengthen and refresh both body and mind. Those who do justly and love mercy, shall have the comfort, even in this world. Good works will bring the blessing of God, provided they are done from love to God and man, and wrought in the soul by the Holy Spirit.

8: The Anointing Breaks the Yoke - Transfer

Lord, break the yoke of the enemy's burden, and break the staff and the rod of the oppressor as in the day of Midian (Isaiah). Let every yoke of poverty be destroyed in the name of Jesus. Let every yoke of sickness be destroyed in the name of Jesus.

Is there a nagging issue that makes you feel as if chains are wrapped around you? Does it feel like some kind of yoke is on your neck—weighing you down and restricting your freedom? We all have problems—some of them completely hidden from view and unknown to others. What might that yoke look like in our lives? It could be a horrible self-image that hobbles us. Or a hidden addiction, an unreasoning fear, scars from past abuses, or bouts with depression. Yokes like that can weigh us down, making normal life much more difficult. If any of those describe your condition, please know that you are not alone in what you face. In this letter, our intention is to understand fully how the Lord can remove that yoke, and break its hold over us forever. How does that sound to you? A Very Clear Answer I was asked recently to speak at a local conference of pastors whose main focus is ministry to the Hispanic community. It was to be a very short speaking session—basically only enough time for a greeting, a quick introduction of the work of Derek Prince Ministries, and a brief update. But then, I sensed that familiar urging of the Holy Spirit. To that unmistakable prompting, I responded: Very clearly, the answer came: I recognized it as a very powerful, potentially liberating word. I remembered hearing this exact expression over the years from many speakers, so I assumed it was actually a verse of Scripture. However, what I did find was extremely encouraging. First of all, there are many references to yokes. Consistently, His second step is to break them so they can never again be placed upon us. We see this pattern clearly in Isaiah It is Jesus Christ who absolutely delights in removing and breaking any chains that bind us. The Scripture that expresses this so clearly is Isaiah We can say with confidence: He made it clear, however, that this is just one of many aspects of the ministry of our Lord and Savior. He was truly the Mashiach, the Messiah, the Christos, the Anointed. This marvelous ministry of Jesus, the Anointed, the Christ, the Messiah, is summed up by Peter in one verse. As he was speaking to the house of Cornelius, he described to them what he had witnessed in the ministry of Jesus. God anointed Him with the Holy Spirit. God was with Him. In the power of that anointing, He went about doing good and healing all who were oppressed of the devil. You may be thinking about an area of your life where you know you are chained down—where there is a need for the Lord to remove a yoke and break it into pieces. You and I both know He will gladly help us with those areas. All we have to do is ask Him. Would you like to deal with that matter once and for all right now? Lord, first and foremost, I want to recognize and honor you as my Messiah—the Anointed One who has forgiven me, released me from captivity, and chosen me to be used for Your purposes. Thank You, Lord, for pouring out Your grace upon me and making me Your very own. I commit myself afresh to You with this prayer. Now I want to confess that there are some areas of my life in which I am burdened by a yoke. No one else but You knows how bound up I am, and I need Your help to get free. Lord, please remove these bondages from me that hamper me and hinder me. I also ask You to destroy them completely. Break their hold over me from this point forward. Thank You, Lord, for bringing complete freedom to me. I give You all praise and all honor. Help me in the days ahead to step into the new liberty You have provided for me. I want to walk in a way that has eluded me until this moment of freedom which You have provided. Thank You for removing and breaking the yoke that has weighed me down. Walking in Freedom Because of the prayer you just prayed, you will be able to walk differently—freed from the yoke and the burden you have been carrying up to now. You may have not even realized you were carrying it. But by the prayer you have just prayed, that yoke has been lifted off your neck. The Lord has broken it into pieces so that it may never again be used against you. If you want to shout and sing right now, you have good reason to do so. Please know that we are shouting and singing with you. Your freedom, as well as your closer relationship with Jesus Christ, is of the highest importance to us. We want to help you in every possible way to live in a way that brings maximum glory to our Savior. Through your prayers and intercession for us, your expressions of appreciation and your generous financial participation, you are making it possible for us to do

this vital work. As you have clearly discovered, the Anointed One breaks every yoke. Your life will be newer and freer from this moment on because of that truth, and because of what you have just prayed in response to this letter. We hope you will share what has happened to you with someone close to you. When you do, please let them know that we stand ready to be of assistance and encouragement to them as well. You can begin by telling them: It is such a privilege to be joined with you in the work of Derek Prince Ministries. Thank you again for partnering with us.

9: Breaking Family Curses Through Prayers | Evangelist Joshua Orekhie

His possessions also were 7, sheep, 3, camels, yoke of oxen, female donkeys, and very many servants; and that man was the greatest of all the men of the east.

The research concerning the supernatural wisdom of the God-commanded fast continues to pour in. This is a place where everything is working for our good in spite of the obvious contradiction that plays out before us. In every thing give thanks: Whether in death or in life, whether for richer or poorer, the redeemed of the Lord tread upon their high places. This Jesus is the only way—the only truth and the only life. Have you been born again? Can you point to a time and a place where you believed upon the Lord Jesus, repented and turned from your sins to follow the risen Lord of Glory? Would you like to do it today? Would you like all your sin and shame washed clean: If yes, today is your day of salvation. What are you waiting for? Today will be the best day of your life! Is not this the fast that I have chosen? My philosophy of life will lead me. If it feels good, do it! All of these features are archived here for your edification and as ammunition in the battle for the souls of men. Every Thursday eve, God willing, they grow by one. Thank you for coming today. Thousands of years before man begins to understand the reason, God has already staked out His position. Moses twice fasted for 40 days a supernatural fast before the Lord. And he wrote upon the tables the words of the covenant, the ten commandments. The Lord Jesus Christ began His ministry with a supernatural day fast. Fasting is power to access God. The supernatural, bondage-breaking power of the faith is unlocked by the holy fast. If thou take away from the midst of thee the yoke, the putting forth of the finger, and speaking vanity; 10 And if thou draw out thy soul to the hungry, and satisfy the afflicted soul; then shall thy light rise in obscurity, and thy darkness be as the noon day: When the prophet Jonah prophesied judgment over the city of Nineveh, which is now found in the country of Iraq, the king of Nineveh proclaimed a national fast of repentance, and God heard from Heaven. When the Jewish people were doomed to die as a result of the stealthy hand of the wicked Haman, Queen Esther called for a fast as she prepared to approach King Ahasuerus and entreat him for mercy. Go, gather together all the Jews that are present in Shushan, and fast ye for me, and neither eat nor drink three days, night or day: I also and my maidens will fast likewise; and so will I go in unto the king, which is not according to the law: Jesus Christ declared the power of fasting in Mark 9: The holy fast breaks the strongholds of Satan. Sinatra, in his newsletter The Sinatra Health Report, writes: Why would caloric restriction slow aging? It appears that a little starvation actually boosts endocrine i. For instance, we know that imbalances in growth hormone and insulin accelerate aging, setting the stage for all kinds of systematic shifts, from weakened muscles to diabetes. Lower growth hormone or higher insulin levels lead to sub-optimal mitochondrial function. So the goal is to promote hormone production, which you can do by fasting. Not only does fasting eliminate an incredible free radical load in the form of food, restricting caloric intake for 24 hours makes your body secrete more growth hormone, the precursor for numerous endocrine activities. And if your endocrine system is balanced, it jump-starts your whole immune system. Two new studies from the Institute on Aging shed more light on the effects of a calorie-restricted diet, an issue that has received increasing attention. Mattson wanted to establish whether the health benefits were a result of fewer calories or a result of fasting. The results weigh in the favor of fasting. In his study, one group of mice fasted every other day but was allowed to eat unlimited food on the intervening days, thereby making up for missed calories. A control group of mice fed freely. The meal-skipping mice had nerve cells that were more resistant to neurotoxin injury or death—more so than the other mice. He did, by the way, create all things. Another article reporting on Dr. In the new report, the researchers said both the fasting mice and those on a restricted diet had concentrations of blood sugar and insulin that were significantly lower than mice allowed to eat whenever they wanted. Indeed, insulin levels in the fasting mice were even a bit lower than the dieting ones. Scientists at the University of Southern California say the discovery could be particularly beneficial for people suffering from damaged immune systems, such as cancer patients on chemotherapy. It could also help the elderly whose immune systems become less effective as they age, making it harder for them to fight off even common diseases. During each cycle of fasting, this depletion of white blood cells induces changes that trigger stem

cell-based regeneration of new immune system cells. In trials, humans were asked to regularly fast for between two and four days over a six-month period. Scientists found that prolonged fasting also reduced the enzyme PKA, which is linked to aging and a hormone which increases cancer risk and tumor growth. Fasting for 72 hours also protected cancer patients against the toxic impact of chemotherapy. The article recommends the guidance of a physician. He said the church he attended in his youth never taught fasting. Note the supernatural power of prayer coupled with fasting. The NIV simply omits Verse 21 entirely. That weapon is fasting and prayer. Westcott and Hort have expunged the record of this powerful weapon against the Gates of Hell! Does it make sense that Satan would want this weapon to be destroyed?
