

## 1: The Sweetwater Blog | Sweetwater

*Sweetwater is the world's leading music technology and instrument retailer, offering Highly Knowledgeable Sales Engineers, In-house Technical Support.*

All of the designing, marketing, shipping, and distribution takes place at the corporate office just southwest of the town of Fort Morgan. Sweetwater is actually a spin-off of its parent company Farmyard Creations. Farmyard Creations began as a quilt company in , providing quilt patterns and designing fabrics for quilt stores throughout the United States, Canada and even overseas. In , Sweetwater was born by taking the fabric designs of Farmyard Creations and turning them into paper. Coordinating stickers and other accessories were then added to give the Sweetwater line a soft, sophisticated style. Recently, Sweetwater has been focusing their energy on fresh and innovative graphic design, as well as a fun line of fabric and quilt patterns. This line was inspired by my favorite clothing catalog. When the monthly JCrew catalog comes in the mail, I always flip through to see the pretty clothes. Of course I like the clothes, but what I really like about the catalog is the graphic design, the beautiful photography, the cool fonts and the way they style the whole thing.
