This actually creates a small discrepancy within the series as Melinda is known to have died in ; however it is possible that she created the book, and her daughter Prudence started adding to it later. Although it was fairly small then, each succeeding generation of Warren witches had added onto it, including information that they came across and felt necessary to be journaled. One of the earliest entries that was around when Melinda was alive included a curse, and possibly the entry which details the coming of the Charmed Ones, through carvings, mentioned in *Something Wicca This Way Goes?* After Melinda was burned at the stake, the Book passed to her daughter Prudence, and was passed down throughout the generations. Grams, often noted that she created most of the potion recipes in it as *Evil Witch Vanquishing Potion* , and the only other entries we know for a fact that she wrote was the entry on the *Necromancer*, *The Ice Cream Man* and *Gammill*, *The Collector*. Patty Halliwell added text on *Barbas* , the *Demon of Fear*, and also, the page on how to properly raise and nurture magical children. The first entry they made themselves was "*Woogyman Spell*", or how to banish the *Shadow of the Nexus*. This was reminiscent of the alterations Penny made to the *Necromancer* page, adding such things as "*likes Clarke Gable movies*" to aid in her getting over the end of their romantic relationship. Phoebe also wrote an entry on the warlock *Anton*. He says that when the sisters die, they, like their ancestors, will essentially become "a part of the Book", so to speak. He goes on to say that he believes the Book to be a living entity within itself. This demon managed to capture it by bringing it to the *Astral Plane*. This was possible as, technically, the book was still in the house or rather the area where the house would be on the *Astral Plane* but just on another plane. Due to his telekinetic powers, he could easily flick through the pages and move the book without it hurting or repelling him. The human half of *Belthazor* tried to get the book, however, by then it was strong enough that no evil could touch it. As a result, it jumped off its stand and avoided him every time he took a step forward. He later mentioned that he got shocked the last time he tried to touch it. A dark priestess named *Dantalian* worked with a warlock named *Zile* to capture *Prue* and unite them in a dark wedding ceremony which turned *Prue* into a warlock. Since the Book was now evil, *Dantalian* was able to steal it and take its power into her own hands -- thus becoming the first evil being to physically get the Book out of the manor. By vanquishing the warlock, the evil bond broke and the sisters and the book returned to normal. In an alternate timeline, the warlock *Bacarra* time traveled back a few months with knowledge from the future to help his past-self. Fortunately, *Piper* traveled back to stop him the entire series of events from happening, and *Bacarra* never got the book. Three evil low level witches, the *Stillman Sisters*, cast an identity theft spell to make the world see them as the *Charmed Ones*. However, the real sisters were able to convince their whitelighter, *Chris Halliwell* , that they were the real *Charmed Ones*. He tricked the *Stillmans* into fighting with each other and severing their bond as sisters, which undid the identity theft spell. Since the sisters lost their confidence, the Book defended itself against them instead. Eventually they managed to get it back with a *Power of Three* spell.

2: Book of Shadows Essentials | Exemplore

The Book of Shadows, or simply the Book, is a book of witchcraft from the TV series www.enganchecubano.com the beginning, the book was created by Melinda Warren and was passed down the family to the Charmed Ones.

Pictures and drawings are great to help you remember and to add a personal touch and energy to your Book of Shadows. What is a Book of Shadows? Your BOS is a sacred tool and an item of power and should be treated as such. Most people will then dedicate their BOS to their coven, tradition, Gods and Goddesses, or simply to the Divine before using. This seems to be an area of great debate. Many believe that your BOS needs to be handwritten. They feel that as you write in your BOS that you are not only adding your own energy into your BOS, but it will also aid your ability to remember the contents. This is a great method for people who have trouble reading their own writing, or would like it to be in a decorative or old-fashioned font. There is a third option that is emerging in this digital age of ours, and that is the digital BOS. This is when a person keeps their BOS strictly in digital form and there is no hard copy. By doing this people can carry their BOS anywhere with them, and thus have their information always available. This works great for people who tend to do a lot of their rituals outside or away from home. There are obviously advantage and disadvantages to each method. Which option you pick is up to you, although people who are in a coven or following a certain tradition, may be required to do the handwritten BOS. If you are a solitary or eclectic, however, the choice is yours. When I started out, I got a huge 3-ring binder and I wrote everything out by hand. I can put my BOS on my phone and always have it handy, which is great when I want to buy things for a Sabbat, Esbat, or spell. This is simply my personal belief and I know that not everyone is going to have the same opinion or belief. That would be boring! There is an almost limitless amount of information that can go into your BOS. Now some people will have a separate journal for their spells and spell work and yet another for their dream journal, some people find it easier to keep it all together. I think that whatever works or is easier for you is what you should do. Here are some of the more common things that people put into their BOS.

3: Book of Shadows (Charmed) - Wikipedia

Limited Edition - Charmed Replica Book of Shadows (full and complete version pages) Full Charmed Replica Book of Shadows - complete version that has pages including pages that were shown on the TV's Book of Shadows (for ex. A photocopy of the Charmed Book of Shadows (beginning of Season 3, about eighty pages) was sold on e-bay in August. It was supposedly used on the set as a stand-in for the real BOS. It was supposedly used on the set as a stand-in for the real BOS.

For Season 10 news visit: With it they are able to fade, freeze, travel in and change the flow of time, create holograms and break down mental barriers against feeling love. It is a powerful potion ingredient that both helped revive the Source and later share its power with other demons and evil beings. Like the Book of Shadows, the Grimoire possesses the power to protect itself from its enemies. Its spells and incantations are written in Latin. Pyrite crystal Pyrite Crystals are pure white crystals that resonate a harmonic tone when exposed to evil, kind of like a demonic alarm system. Phosphorus Cauldron A neutral vessel, strong enough to contain all forms of magic. It was used to vanquish the Source of All Evil, using magic of good beings from the Magical Community. Excalibur A legendary sword which holds a tremendous amount of power. Excalibur was used to weaken the Source in order to vanquish him. The Darklighter crossbow arrows are coated with a special type of poison that is especially lethal to Whitelighters. The Angel of Destiny used it to escape. A bite from it is the only known way for someone to escape this realm. Cole revealed that these kind of apples are illusions. Neena plans to use them to unite the Underworld and the Heavens. The orbs seem to be a very important part of her plans The Sphaera of Light and Dark The Blue and Red orbs found in the vault of "Up There" were united into one sphere by Neena after she casted a latin spell. The unification of the two spheres are meant to unite the Underworld and the Heavens and create a new world. Before that happened the sphaera was divided by the Warren witches , the Elders and Leos sword. Cupid Bow This kind of bow is used by Cupids but lately it seems they are not used often by them. One arrow can spread love. If an arrow hits a demon the love it emits can weaken him. The sword and wings that came with it are now part of him.

Things have gotten kind of stressful with school, and other things. I apologize for the delay of the pages being uploaded to a different site.

This actually creates a small discrepancy within the series as Melinda is known to have died in ; however it is possible that she created the book, and her daughter Prudence started adding to it later. Although it was fairly small then, each succeeding generation of Warren witches had added onto it, including information that they came across and felt necessary to be journaled. After Melinda was burned at the stake, the Book passed to her daughter Prudence, and was passed down throughout the generations. Patty Halliwell added text on Barbas , the Demon of Fear, and also, the page on how to properly raise and nurture magical children. The first entry they made themselves was " Woogyman Spell ", or how to banish the Shadow of the Nexus. This was reminiscent of the alterations Penny made to the Necromancer page, adding such things as "likes Clarke Gable movies" to aid in her getting over the end of their romantic relationship. Phoebe also wrote an entry on the warlock Anton. He says that when the sisters die, they, like their ancestors, will essentially become a part of the Book, so to speak. He goes on to say that he believes the Book to be a living entity within itself. The new Charmed Ones, also put many spells, potions, and entries on demons themselves. A trio of shapeshifters posing as their neighbors tried to get the book. This demon managed to capture it by bringing it to the Astral Plane. This was possible as, technically, the book was still in the house or rather the area where the house would be on the Astral Plane but just on another plane. Due to his telekinetic powers, he could easily flick through the pages and move the book without it hurting or repelling him. The human half of Belthazor tried to get the book, however, by then it was strong enough that no evil could touch it. As a result, it jumped off its stand and avoided him everytime he took a step forward. He later mentioned that he got shocked the last time he tried to touch it. A dark priestess named Dantalian worked with a warlock named Zile to capture Prue and unite them in a dark wedding ceremony which turned Prue into a warlock. Since the Book was now evil, Dantalian was able to steal it and take its power into her own hands -- thus becoming the first evil being to physically get the Book out of the manor. By vanquishing the warlock, the evil bond broke and the sisters and the book returned to normal. In the alternate timeline of, the warlock Bacarra time traveled back a few months with knowledge from the future to help his past-self. Fortunately, Piper traveled back to stop him the entire series of events from happening, and Bacarra never got the book. Three evil low level witches, the Stillman Sisters, cast an identity theft spell to make the world see them as the Charmed Ones. However, the real sisters were able to convince their whitelighter, Chris, that they were the real Charmed Ones. He tricked the Stillmans into fighting with each other and severing their bond as sisters, which undid identity theft spell. Since the sisters lost their confidence, the Book defended itself against them instead. Eventually they managed to get it back with a Power of Three spell. Nor can it be taken out of the Halliwell Manor, except by the sisters, good magical or non-magical being. This is particularly important, as many evil beings covet the book, and the Charmed Ones would be much weaker without its knowledge. Although it is protected by good magic, evil has found a way around this and captured the book several times. For example, when Rex Bucklans blackmailed them into giving up their powers, the Book turned blank after they cast the Relinquishment Spell. However, when Leo healed and restored the Book, their powers were restored as well. Also, if one of the Charmed Ones turns evil, the other two will turn evil as well, and the evil will flow through the Book although in later episodes, when one sister has turned evil, the other two did not succumb to it. Dantalian, a high-level demon priestess, realized this, and tricked Prue into marrying a warlock, Zile, turning her evil. As expected, this turned Piper, Phoebe and the Book evil as well, enabling her to briefly get the Book. The plan backfired when evil Piper and Phoebe vanquished Zile, breaking the evil bond and restoring the Book to normal. In Thank You For Not Morphing, an evil shapeshifter is able to touch the book and take it as far as the front door before it repels itself from his grasp. In future episodes, it is established that it is impossible for evil to even touch the Book. For a demon or half-demon to be able to touch it without triggering its defensive properties, the being must have pure good intentions in his heart. According to one of the videos below, the magic the

book possesses came from the deceased family ancestors who then become part of the book, which is presumably how it became so powerful throughout the centuries.

When Melinda was burned at the stake in the Salem Witch Trials , she claimed that the magical powers of each successive generation of witches in the family would grow in strength, until the book reached three sisters known as The Charmed Ones, who would be "the most powerful witches the world has ever known". Melinda passed the book on to her daughter, Prudence, and it continued to be handed down from mother to daughter until it came to the Halliwell sisters in It continued to grow as The Charmed Ones added more information to it. Penny Halliwell brags in the season five episode, " Happily Ever After ", that she created most of the good potion recipes in it. Normally, all witches are supposed to keep their Book of Shadows in a specially protected altar room. The Halliwell sisters added several entries. The first, added by Phoebe , was a spell to banish the Woogyman. Later, at the end of the series, the sisters write in the book about their adventures and what become of their lives. The entry included information on whitelighter powers and advice on using them. Can keep itself within the Manor, unless otherwise removed by one of The Charmed Ones or their family. If the sisters lose belief in one another, the sisters will lose their powers and the triquetra on the front of the book will separate. Much like the Book of Shadows, the Grimoire possesses the power to protect itself from its enemies or anything good. It makes only a few appearances in the television series and Leo later orbs it, to rest under a mountain of rock in the West Andes, to prevent the coronation of another Source. For instance, good spells were replaced with evil spells. Gypsy books[edit] In the series, Gypsies and witches are sister traditions. Though never specifically stated to be so, Gypsy families also have their own versions of the Book of Shadows that is passed down to immediate family members. Demons, Whitelighters and the Power of Three. Like the famed book of the series, the replica versions continued to grow as fans created more and more pages. The most extensive replica source has 2, pages to date[when? Fan-made Book of Shadows have become an art form in itself, and many different people create these. There is no one-copyright holder to this collective work, which has become a hobby, like scrapbooking. There was good-natured discussion over several years concerning which of the long-time crew and cast members had the best claim to the book. Kern and Holly Marie Combs currently share custody of the book, and agreed to alternate possession between the two of them, each getting the book for an entire year at a time. Most recently Holly Marie Combs, appearing on a Comic Con Panel, confirmed that although Kern and her did agree to share custody, Kern has not shared the book.
