

1: Our Study & Revision Guides | Oxford Study Courses

I will order this IB Chemistry Study Guide using the IB Chemistry Syllabus. How to Use This IB Chemistry Study Guide If there is one specific topic that you need more help with, use the Command + F function on your computer to search this guide for that subject.

Home About IB Chemistry IB Chemistry is a course designed for highly motivated students who are interested in chemistry and ready to accept the challenge of the IB curriculum and examinations. Students enrolling in this course should be personally motivated, mature, and ready to accept the greater work and responsibility required in a higher-level science course. This chemistry course combines academic study with the acquisition of practical and investigational skills through the experimental approach. Here is the link to the Strike It Rich Lab. Print out the lab and tape it into your notebook. Make a data table in your notebook. Bring in at least 5 clean new pennies for the lab. Posted Nov 1, , Posted Oct 30, , 6: This is a two week lab. Please download and have copies of the lab taped into your notebook. We will be doing parts or I-III this week. Posted Oct 25, , 4: Print out the lab, tape into your lab composition notebook, read over the lab, summarize the introduction and procedure. There will be a quiz on this lab before we start on it tomorrow. Posted Oct 18, , 3: It starts from the beginning and goes all the way through the steps we took to write your report. Hopefully this will help you as you revise your final draft of your report this weekend. Final draft is due on Monday. Posted Oct 12, , Please download and put lab into notebook. Posted Sep 27, , 7: We will be working on this lab for the next week. Please read over the lab.
