

1: Ten poems for Autumn days

Grace Kohn is a motivational speaker and author offering her extensive experience and knowledge to parents with autistic children.

Open posters-Autumn workshops Print, laminate, and display to identify your various workshops. Workshop planning booklet-Autumn Open workshop planning booklet-Autumn Print, laminate, and use the grid with a dry-erase marker. This essential tool will help you prepare and create the material you need for your various workshops, organize your environment, and plan per the interests of the children in your group. It will also help you analyze your weekly activities. Workshop follow-up booklet-Autumn Open workshop follow-up booklet-Autumn Print for each child. Provide only autumn-coloured blocks. Add a small bin of real or fabric leaves. Children will use them to add to their constructions. A small storage bin filled with leaves or other objects from nature can be used for collages or other art projects Autumn-coloured tissue paper for crumpling Autumn-coloured crayons and markers. Gather waxed crayons which are not frequently used Autumn colouring pages Stencils and tracing paper A painting activity involving leaf prints. Hang a large sheet of paper on the wall. Tape leaves to the paper and let children splash paint over them with toothbrushes. Remove the leaves for a beautiful autumn mural Paint with branches or a leaf bouquet Make prints with various types of squash or paint directly on decorative squash Role play: Add decorative squash to your kitchen area. Children can play with them for several weeks. They come in all sizes and colors Apples are appropriate for this theme too Manipulation: You can easily make a homemade version by gluing autumn items and pictures behind leaves cut out of colourful construction paper green, brown, orange, yellow, red Lotto game with pictures of forest animals preparing for winter Modeling dough red, yellow, brown, orange with leaf-shaped cookie cutters Puzzles representing fall scenes Large laminated cardboard leaves with holes punched around the edges can be used for lacing Reading and relaxation: Books about autumn or seasons Books about colours Hang a piece of tulle over your reading area and deposit leaves on top real or fabric Puppets representing forest animals Music and motor skills: Simply let children toss them in the air to the sound of music Sensory bins: Bin filled with objects from nature Bin filled with sand Observation, inside and out, of various types of squash Roast squash seeds. They may also be used to identify your thematic bins. Have each child pick a word and present it to the group ex. Ask them questions to see what they know about the theme. Reinvented scrabble Open word flashcards-Autumn Open giant word flashcards-Autumn Print many copies of the word flashcards and encourage children to use scrabble tiles to write the words. Manipulating the small tiles represents a great fine motor skill exercise. At the same time, children will notice which letters make up the different words. Word association-Autumn Open word flashcards-Autumn Open giant word flashcards-Autumn Print two copies of several different word flashcards. On a large piece of cardboard, stick one copy of each flashcard vertically to create a word column. Cut the second copy of each word flashcard so you have the word on one side and the illustration on the other side. Attach Velcro behind each part as well as to the right of the uncut flashcards on the cardboard. Arrange the cut flashcards on the table and encourage children to look at your flashcard board to identify a matching word and illustration. When they succeed, they may stick them next to the corresponding flashcard, on your board. This exercise will help children associate words with pictures. Use a hole-punch to make a hole at the top of each flashcard. Thread a ribbon through each hole and tie a knot. Bring the word flashcards outside and encourage children to use them to decorate a tree. Children will be happy to repeat this activity many times. Eventually, they will learn to recognize the words. Word clothesline Open word flashcards-Autumn Open giant word flashcards-Autumn Print two copies of several word flashcards. Hang one copy of each word on an indoor clothesline with colourful clothespins. Arrange the copies in a pile on a table. Let children take turns picking a word and finding the matching word on the clothesline. When they find a match, they can place the flashcard on top of the one that was already hanging on the clothesline. Help younger children manipulate the clothespins if necessary. Word race Open word flashcards-Autumn Open giant word flashcards-Autumn Print several word flashcards and hide them throughout your daycare or yard. Divide your group into two teams. When you give them the signal, children

must search for the flashcards for a pre-determined period, for example three minutes. When the time is up, children must be able to "read" their flashcards to earn a point for their team. If they are unable to find the correct word, the other team can earn the point if they succeed. Sequential story-Autumn Open sequential story-Autumn Print the story, laminate the illustrations and cut them out. Children must place them in the correct order. Autumn theatre Open puppets-Autumn Print the characters. Have children color them and stick a Popsicle stick behind each one to create fun puppets. If you prefer, use the color version and simply laminate them. Felt board-Autumn Open felt board-Autumn Print the items and glue them on felt pieces. Glue four pieces of black felt on a large piece of cardboard to create a felt board and hang it on a wall. The felt items will easily stick to your board. Children will enjoy using them to create a variety of scenes and stories. Plan a special sharing day, the Friday before Thanksgiving. Open perpetual calendar-Sharing Day-Thanksgiving Print. Invite each child to bring an item that is precious and an object of lesser value to daycare. They will give the item of lesser value to a child in need. Invite each child to present their precious item to the group. They can share it with their friends. Encourage each child to present their object of lesser value too, the object they chose to give to a child in need. As a group, visit an organization in your community to give them the items children have chosen to donate. Organize a potluck lunch. One child can bring something for the morning snack, another child can bring something for the afternoon snack, a few children can bring dishes that can be served for lunch, and finally, a child can provide dessert. Ask parents what works best for them. Divide your group into pairs for the day. Encourage each pair to share everything throughout the day to give them the opportunity to experience the joys associated with sharing. Show children how to play "blind man". Organize a plastic bottle drive. Return the bottles you collect to your local corner store and donate the money received to a local organization. Encourage families to donate clothing items they no longer use or no longer fit to a shelter or the Salvation Army. Use adhesive paper to secure one copy of each illustration on the table. Deposit the second copy of each illustration in an opaque bag and invite children to pick a card that will determine their spot at the table corresponding illustration. At lunch or snack time, invite children to come pick a leaf or an apple to determine where they shall sit corresponding number. Autumn stroll Arrange construction paper leaves on the floor. Invite children to hop on the leaves in a variety of different ways: Each hop will help them work on their gross motor skills. Giant hopscotch Use adhesive tape to draw a large hopscotch grid on the floor within your daycare. You may, for example, use it to connect two areas. Show children how they must alternate hops on one foot and on two feet. Draw an autumn-related item in each square. My autumn path Open my autumn path Print, laminate, and arrange the illustrations on the floor to create a path leading to various areas within your daycare. The path can lead to areas frequently visited by children throughout the day such as the bathroom, the cloakroom, etc. Open getting dressed routine-Autumn Print, laminate, and display in your cloakroom. Let children hide in the leaves, toss them up in the air, and manipulate them. Give children who may be tempted to put the leaves in their mouth their pacifier. Autumn stimulation bottles Fill clear plastic bottles with items that can be associated with autumn such as red, orange, and yellow beads, dirt or instant coffee , raffia, leaf-shaped confetti, etc. This is a simple outdoor activity. For variety, why not bring leaves into the daycare and create your very own leaf storm. You will have a hefty cleanup job, but oh what fun! Leaf race Use adhesive tape to determine a start and finish line. Place two leaves 10 cm apart. Provide children with straws or empty toilet paper rolls they can use to blow on the leaves to move them towards the finish line. The first child to successfully cross his leaf over the finish line wins.

You searched for: children of autumn! Etsy is the home to thousands of handmade, vintage, and one-of-a-kind products and gifts related to your search. No matter what you're looking for or where you are in the world, our global marketplace of sellers can help you find unique and affordable options.

When leaves are falling, just pick your crayons and add some colors to the most colorful season in a whole year. Fall coloring pages are the great choice for children of all ages. Halloween, pumpkins, hedgehogs, rainy weather, a funny worm coming out from an apple, mushrooms and many other autumn symbols. Questions about Autumn coloring books Just place your mouse cursor over the question to see the correct answer! We call this day Halloween. We call it a rainbow. Name all four Seasons. Spring, Summer, Autumn Fall , Winter. Visibility is then much worse than usual. Using what hedgehog defends itself from predators? Spines on their back. Autumn coloring pages interesting facts: Children born in Autumn have the biggest chances to live a hundred years or more. Leaves in Autumn change their colors because the green pigment is produced by rays of sunlight. Once winter comes, the sun shines shorter. That is why there is less pigment. In this season leaves have other pigments such as yellow or orange. Therefore, you can color our coloring books in many various colors. It is because the sun falls at almost the same angle throughout the whole year and it makes a hot weather at all times. A day all year round lasts 12 hours. According to Swedish scientists, in Autumn women lose the biggest number of hairs. In accordance with some superstitions catching falling leaves in Fall brings good luck. Each caught leaf means a lucky month in the upcoming year. Numerous bird species start they annual migrations during the fall. The distance they travel can be really impressive. For example, the Arctic Tern can travel up to 11 miles each way during migrations! Not all trees change their colors in autumn. Some evergreen types like for example, pines, cedars, and spruces stay green throughout the year. It happens because their needles are covered with thick wax protecting them firmly when it gets really cold. An ultimate selection of Autumn coloring pages with beautiful motives: Use your imagination and show us that this season does not have to be dull and only grey at all. Moreover, you can print out all coloring books on a home printer for free, and as many times as you want. After coloring, you may like to try to guess all the questions in our quiz and read some interesting facts about Autumn.
