In this resource Dr. Warren Wiersbe leads the reader through Daniel. Warren Wiersbe Publication Date: Meet some concerned believers who made a difference in their time and who show you how to make a difference in your time: Obadiahâ€™The prophet who explained why longstanding family feuds ultimately bring defeat and disgrace. Micahâ€™The prophet who shows why the only hope for any nation is surrender to the Lord and obedience to His Word. Zephaniahâ€™The prophet who saw the coming "Day of the Lord" and told the people how to get ready. Haggai, Zechariah, Ezra Author: Others may not know, but God sees what they do and He honors them. In times of crisis, when everything seems to have fallen apart, God raises up His heroes and uses them. So it was with the Jewish remnant after the captivity in Babylon. They returned to the Holy Land, rebuilt the temple, and restored their civic life. Their story is told in the Book of Ezra, describing the record of the sacrifice and service of a godly priest and 50, Jewish exiles who trusted God and accomplished wonders. And finally in the Book of Zechariah, where a young prophet had insight into the times and what God was doing for His people. By studying these three exciting books and applying what they teach to your life, you can develop heroic faith and learn to trust God in tough times and not give up, claim promises that will give you victory, and become an encourager of others. The group of writers called "The Minor Prophets" calls us back to a life of amazement and achievement as they remind us of: Does God close His eyes when nations sin? Are we giving the Lord our best? The messages of these six Minor Prophets point the way to an attitude of wonder and worship that can transform your life. While attending the seminary, he was ordained as pastor of Central Baptist Church in and served until Wiersbe has authored over books.
