THE COMPREHENSIVE POSTAL EXAM for /C Everything You Need to Know to Improve Your Skills in address checking completing forms coding.

The Battery Examination covers the majority of entry level hiring although some offices also maintain custodial registers, which by law, are reserved for veteran preference eligibles. All of the skilled maintenance positions require examination. A separate announcement, examination number, is required for Electronics Technician positions. Click here for more information about the Postal Exam. Comprehensive sample practice exams with answer keys are included in Post Office Jobs. It can be a fellow worker, a spouse, or just a good friend. Try various study routines until you hit a combination that works. Try studying in 20 to minute sessions, with 5-minute breaks in between, or stretch it out to hour intervals. A good study routine will improve your test scores. The following strategies will help you improve your grades. Use these strategies on the practice tests in this book and when you take your actual Postal Service exam. If you practice these techniques now, when you take the postal exam they will become second nature. Eliminate the answers in multiple-choice questions that make no sense at all. You can often eliminate half of the answers through this method. Only select an answer with these words in it if you are absolutely sure it is the right answer. If two answers have opposite meanings, take your time and look closer. Many times one of the two is correct. Place a mark next to answers that you are unsure about. After completing the remainder of the exam, go back and review these questions and make a final selection. One word can dramatically change the meaning of a sentence. Read each question word-for-word before answering. Build your confidence by answering the questions you know first. If the first question you read stumps you, skip it and go on to the next one. Get plenty of rest the night before the exam. This book includes a comprehensive study guide with a full length practice exam. Also, explore and apply for all job vacancies in the government and private sectors to improve your chance of employment.

2: Postal Exam | Post Office Exam | USPS Exam

Auto Suggestions are available once you type at least 3 letters. Use up arrow (for mozilla firefox browser alt+up arrow) and down arrow (for mozilla firefox browser alt+down arrow) to review and enter to select.

I have checked with former USPS employees and they conformed that this book is accurate. This book is amazing. I start Monday, thank you. June 5, - Debra Ford This is a excellent book. It totally help prepared me for my exam. I would highly recommend it. This is the book to get. September 15, - Star Bought as a gift and after she used this book to study she scored 83 percent on the written test and got the job. I looked over the book and you need to make a commitment to study. I would definitely recommend it to anyone who wants to pass the exam for the postal service. March 29, - Amy Lindgren - TwinCities. Damp does a great job explaining everything from the step-by-step application process to what you can expect in the testing room to how the interviews are conducted. I especially appreciate the generous selection of test questions and the sampling of 24 job descriptions. This guide will also help your patrons to prepare for he relevant civil service test, the Postal Exam. Online updates to the material are provided at www. I found the memory section to be the hardest. Just remember as testing, they give you 7 minutes to memorize. Memorize the best you can and when the test starts, you will mostly be making an educated guess. When the test started, it was like tunnel-vision and the addresses looked Greek to me. They only give you your grade, they do not let you know what you answers you missed. I could have done really well on the first sections and totally flunked the memory test but I have no idea??? As, stated in this book, the reader does need to really study and prepare before taking the required postal exam. Or seek assistance from a partner to prepare oneself but the information to know is in this book. A top reference is the all-new sixth edition of "Post Office Jobs: Recommended by Library Journal, over a third of this outstanding book is devoted to testing, with realistic sample exams as well as tips and answer keys. Damp is a retired federal manager, business owner, career counselor and veteran. His new edition addresses all postal occupations from professional and administrative to mail carrier, maintenance worker, tractor trailer driver and clerical worker. August 25, - Review by True Grinder This book helped me score high on the exam and I got an interview within one week after taking the test. March 28, - Review by em Joe I placed an order for this Post Office book, and I received it in a couple of days, which provide an overview of battery exam and tips on the interview progress. Therefore, I prepared and studied for the battery exam, believe or not with only six hours of studying, I passed the exam. I was called in for interview, so I went to the book for some advice and what to expect during the interview. As result, I went to the next step which is medical assessment evaluation and passed that too. This book is a great buy, but just remember one thing to apply yourself to your studies with this book and you will have positive results. September 12, - Review by Rachael G. My husband and I read though this book over the course of 2 days, took the practice quizzes which were EXACTLY like the real computer test and I got an 86 and he got an Over the course of 11 chapters and three appendixes, Damp Book of U. Government Jobs offers a vital testing primer, incorporating challenging sample questions in the anticipated test format. Also included is an overview of the hiring process and a comprehensive positions list. Lansing MI "I read your book and then took the battery Test I reported for orientation and to fill out forms for the position I wanted, part-time flex carrier.
