

CONCLUDING THOUGHTS PETER HERNON, CAMILA A. ALIRE, AND JOAN GIESECKE. pdf

1: Camila Alire - Wikipedia

Get this from a library! Academic librarians as emotionally intelligent leaders. [Peter Heron; Joan Giesecke; Camila A Alire;] -- Presents a solid overview of Emotional Intelligence, its connection to other leadership theories, and its particular application to academic librarianship.

At the height of the crisis, I was The majority of the students that able to meet with library board utilized the Homework Assistance President Pete Carrasco, Friends Center, funded by the California State Vice-President Library, were minoriResidents Linda Tripp, and ties; and most of the Ruth Martinez, work-study student understood who had just been tutors provided by San the need for Bernardino State Unilaid off as managbudget cuts, versity were minorier. The passion that they displayed but their real ties as well. The center was heartfelt even was extremely popular concern was how those and included a focus though they were still shell-shocked cuts were made. On November 17 at the first city council meeting after the deciIt broke my heart to hear Martinez, a yearâ€™plus library employ- sion was made, the crowd of community residents was overflowing. It was an overnight massacre. As library officommunity and varied age groups. She mentioned that the closure hap- cials told me, they were never given the chance to make alternative budpened just as the library was busier get cuts. They would have appreciatthan ever before, helping residents by Camila Alire ed an opportunity to work on cutting costs while attempting to keep at least one library open. This is where grassroots advocacy needed to be organized and visible. Colton residents, like thousands around the country, care about their libraries, and they advocated for them with their elected representatives. But they must continue to do so. Advocacy for libraries is more critical during these tough economic times. Spotlight on Spectrum Ida Z. Donovan and Miguel A. The problem for librarians is that public libraries are essentially a socialistic endeavor with the community owning Public libraries the books and other are essentially a materials in socialistic endeavor common. It behooves American Libraries to get the views, official and unofficial, of major political figures and pundits regarding public librariesâ€™and maybe libraries in general. I, at least, would be interested to see what sophistries are brought up to claim public libraries are not socialism. I bring this up not just to be a smart-ass and a pedant, but to urge ALA to get ahead of the matter before some of the more extreme commentators make it an issue. At least for now, we can avoid the issue of interlibrary loan having the potential of violating local community standards. It only leads to hurt feelings and nothing getting done. I college received some local news that I agree with Editor in Chief Leonard thought worth promoting. I am a thing for the planet. According to Thomas Jefferson, Mark A. Letters should be limited to words. Send to americanlibraries ala. My condolences on the passing of another great librarian, Ms. Effie Lee Morris see. She, along with the Comment at americanlibrariesmagazine. Not once does she stop to consider the reasons that students might come to the library seeking textbooks, aside from a flip remark about needing pizza money. Sure, some students come to the library out of a misapprehension about our role as textbook providers, but I found Ms. The textbook industry is bloated by I always tell students they may not excess, producing new editions each find their textbooks in a public library, year that are frequently really just the because they are cost-prohibitive and same content with a different cover and limited in audience, so they are better slightly different pagination. This off going to the school library or a renders the older versions instantly bookstore. Public Library much of their resale value. Students simply cannot afford to buy the books they need for their Can We Afford Retirement? While translate into a new cannot afford to online book rental opening. And, given the hit her k publishers themselves. Every fall and spring, I can past advisor to the World Intellectual count on a bunch of high school and Property Organization diplomatic college students coming in to look for conference on copyright. AL apologizes their textbooks. Most of the time, we for the errors. Morris was so supportive of me during my candidacy for ALA president and provided me with some great tips. My heart goes out to all of you. But, what Effie Lee and E. Please accept my humblest sympathy. The Association is urging the FCC to increase the cap to compensate for inflation and to provide full support for current library
