Pulling It All Together: Integrated Theories of Crime Putting Theory to Work: Guiding Crime Control Policy Broken Windows, James Q. Wilson and George L. Situational Crime Prevention, Ronald V. Cullen, Robert Agnew, and Pamela Wilcox Reviews and Awards "Criminological Theory is a well-crafted collection of the seminal pieces of criminological theory. It brings together the major theoretical scholars and researchers to historically and conceptually introduce young, new scholars to the field. This is a book that every criminologist should have on his or her bookshelf. Past to Present is a unique criminological theory reader: The text provides readers with fundamental information about each perspective coupled with original writings from the criminologists themselves. The writing style is captivating; the authors write about theory as if it were a story.

2: Criminological Theory: Past to Present : Essential Readings - Google Books

"Criminological Theory: Past to Present is a unique criminological theory reader: it tells the fascinating history of criminological theory in the broader context of the field.
