### 1: disney 5 minute stories | eBay

*The latest installment in our 5-Minute Stories series features tales of friendships both new and tried-and-true, from The Lion King, Mulan, Dumbo, The Aristocats, and The Little Mermaid.*

With 12 stories featuring your favorite Disney and Disney Pixar characters, each meant to be read aloud in five minutes, this padded storybook with beautiful illustrations is the perfect fit for bedtime, story time, or anytime! Customer Book Reviews Great bedtime book By Gatorgirl on Jan 06, This, like all of the 5 minute stories series, was a great find for a 5 year old. He can listen through a chapter book but is too old for board books. So these are a great middle ground for bedtime. They are all pretty cute and stay true to the spirit of Christmas Santa Clause, etc. He really enjoyed the stories with his favorite characters. Love these books By Qoanderson on Nov 07, No complaints. By Showmeashley on Feb 25, Great book! Love that the stories are shorter, perfect for little attention spans before bed. Both parent and toddler enjoy! Bowring on Jan 01, Beautiful illustrations and stories. Nice way to countdown the evenings until Christmas. Lane on Jan 10, I read to my kids every night so this is a great addition to our library to read during the holidays Great quality, padded cover By Linda Napoli on May 13, My 7 year old daughter loves these. She reads them all year long and loves it. Great quality, padded cover, wonderful size. I sent it to families, rather than an individual. By Carol Kneeland on Oct 16, Beautiful book - great quality with fun stories. Ordered four more of the same type with different hero stories. This book is not a disappointment. Still fun to read though and the illustrations are great By Jen on Jan 16, Longer stories than the bedtime version. These take a bit longer to get through for little attention spans. Still fun to read though and the illustrations are great. We have 3 different ones. Add a Book Review Book Summary: This particular edition is in a Hardcover format.
