

1: Who is the best Disney Channel female singer? | Yahoo Answers

1 Miley Cyrus Destiny Hope Cyrus, aka Miley Ray Cyrus, was born November 23, , in Franklin, Tennessee, to Tish Cyrus and Billy Ray Cyrus. She is an American singer, songwriter, and actress. Miley Cyrus's voice type is Mezzo-Soprano and has 4 octaves. She became a teen idol starring as the.

We all grow up a little scared and unsure of our potential, but she eventually learns how to own what makes her special and literally builds an entire kingdom from these powers. A whole freaking kingdom. Marie, The Aristocats The Aristocats Spunky, sassy, and devastatingly addicted to romance, Marie was the first and ultimate spirit animal for the hopelessly precocious. She may not always be the most well-mannered little girl, and she does seem to use her cuteness as an excuse for her tell-it-like-she-sees-it attitude, but she knows how to hold her own against her rough-and-tumble brothers. Bonus points for knowing how to kick butt, take names, and rock an impressive amount of pink all at the same time. Elle Woods clearly took some pointers from her. That, and she figured out how to climb a pole with two very heavy cinderblocks attached to her hands, so, you know. The story of Mulan is also one of the earliest works of Chinese literature to feature gender equality. Show me a slumber party of girls who did not shout this song at the top of their lungs, and I will show you a cavalcade of liars. Belle, Beauty and the Beast The patron saint of clever little girls the world over, Belle gave the bespectacled and booksmart hope that one day, they too could meet a guy who was sort of rough around the edges, polish him up and teach him how to read, and, in turn, he would gift them with the library equivalent of a carat diamond. A princess and a rock star. She might be vanquished in the end, but at least for a minute there, she looked good and she knew it. Seriously, watch it again: Judge Frollo decides to damn the entire gypsy community in Paris because Esmerelda refuses to be his mistress. She dances for a living; entrances the affection of the pretty-boy war hero; and helps our lonely, titular hunchback realize his own potential and inner beauty. Maleficent, Sleeping Beauty I mean, look. She is determination at its worst or best, depending on how you look at it, and quite possibly the precursor to every evil boss that ever was. Besides, somebody this bad is bound to have a really good origin story, and I mean. Can we talk about this movie? Pocahontas, Pocahontas Pocahontas Despite the fact that what begins as a pretty promising coming-of-age story for a young woman to assert her independence devolves into a love story, Pocahontas still has a few moments of badassery. Hold out for real, true, heart-pounding, wind-painting love, and then risk your life for that love. To risk yourself in the face of what has heartbreak written all over it is to do something crazy, and yet she makes a pretty good play for holding out against Hunkules for as long as she can. And trust me, few women would be able to last against those pectorals and that fame. She has a good sense of herself. She is an independent woman. She is a good, good woman. That, and she and the muses are a pop song made on Olympus. She puts up with lots of basic, hopeless girls in her quest to own her own business, and is able to still be kind to her ultimate foil, Lottie.

2: Top 10 Female Disney Songs by Brenda S. on Prezi

Top 10 Best Disney Channel Female Singers The Top Ten 1 Miley Cyrus Destiny Hope Cyrus, aka Miley Ray Cyrus, was born November 23, , in Franklin, Tennessee, to Tish Cyrus and Billy Ray Cyrus.

They have younger eyes looking up to them for encouragement and advice. They have fans that depend on them to comfort them with whatever style music they produce. These women below do not have an easy job, and they have plenty of equally talented male singers to compete with. But their hard work pays off, and that is why we rated these women as the Top 10 Most Popular Female Singers of in no specific order. Katy Perry Katy Perry is a well known and talented women, who surprisingly started out as a gospel singer. Along with her voice, Katy Perry is also a great songwriter and actress. Her sweet and beautiful voice has led her to gain the tremendous popularity among many onlookers. Meghan Trainor Meghan Trainor is continuing to climb her way successfully up the pop music ladder. She is currently on tour and continues to record new music. Jenifer Lopez Jenifer Lopez is an American singer who is known world wide for her music and Latin-American dance style. She is also a fashion designer, dancer, and producer as well. But aside from her dancing, she is a great singer, rapper, and songwriter. Miley Cyrus Daughter of the famous country singer Billy Ray Cyrus, Miley Cyrus has taken the spot light from her dad through her incredible talent. While Miley is not singing the same innocent, country style songs that kids are used to, her new album Bangerz is incredibly popular and shows us a different side of Miley Cyrus.
