Ensemble cast[edit] The main cast members were familiar to television viewers before their roles on Friends, but were not considered to be stars. All six actors appear in every episode. Rachel Green Rachel Karen Green Jennifer Aniston is the spoiled but warm-hearted and likeable daughter of a rich vascular surgeon and his wife. She eventually becomes a buyer at Polo Ralph Lauren. She decides to move in with Ross, even though the two are not involved in a relationship. Their daughter, Emma, is born during the eighth-season finale. During the tenth season, Rachel is offered a job with Louis Vuitton in Paris. She accepts and prepares to move herself and Emma to France. However, in the series finale , she declines the job offer and famously "gets off the plane". Rachel and Ross get back together in the final moments of the series. Monica Geller Monica E. Geller Courteney Cox is the younger sister of Ross and best friend of Rachel, the latter of whom she invites to live with her after Rachel forsakes her own wedding. She works primarily as a chef at a variety of restaurants. She is described as the mother hen of the group, [18] and is known for her obsessive-compulsive and competitive nature. Despite the twenty-one year age difference, Monica and Richard are happy, and her parents accept their relationship. However, as a result of Monica yearning for a family but Richard having already had one, they break up at the end of the second season. Monica and Chandler try to hide their relationship from the rest of the group for much of the fifth season, but eventually everyone finds out. After celebrating their first anniversary in Las Vegas , they move in together and get engaged by the sixth-season finale. After their marriage, Monica and Chandler try to conceive children, only to discover that they are unable to do so. In the final season of the series, they adopt two children, whom they name Erica and Jack. Phoebe Buffay Phoebe Buffay-Hannigan Lisa Kudrow is an odd, ditzy albeit sweet-natured masseuse who grew up homeless, sometimes telling her friends outlandish tales of life on the street. She is an aspiring musician who plays the guitar and sings songs with somewhat unusual lyrics at the coffee shop. She has an identical twin sister, Ursula also played by Kudrow , who is just as odd as Phoebe and appeared as a recurring character on Mad About You. After a series of dates and relationships with a number of men, Phoebe meets Mike Hannigan Paul Rudd in season nine, whom she eventually marries in season ten. She also became a surrogate mother for her half-brother Frank Jr. Giovanni Ribisi , giving birth to his triplets in the fifth season. Matt LeBlanc is a good-natured but not-so-bright struggling actor and food lover, who becomes mildly famous for his role as Dr. Drake Ramoray on a fictionalized version of Days of Our Lives. Prior to his role on Friends, LeBlanc appeared as a regular on the short-lived TV , a minor character in the sitcom Married Chandler Bing Chandler Muriel Bing Matthew Perry is an executive in statistical analysis and data reconfiguration for a large multi-national corporation. He later quits his job and becomes a junior copywriter at an advertising agency. Chandler is known for his sarcastic sense of humor. Chandler is often depicted as being somewhat of a hapless individual, suffering a lot of bad luck while struggling through life and occasionally struggling with an on-and-off smoking addiction. However, he eventually falls in deep mutual love with Monica and proposes to her at the close of season six, with the two of them marrying at the close of season seven. By the end of series, he and Monica adopt twins, whom they name Jack and Erica. Ross Eustace Geller, Ph. David Schwimmer is a paleontologist at a museum of prehistory, and later a professor of paleontology at New York University. The most intelligent of the six main characters, but at the same time a clumsy, quirky man, Ross is known for being a smart, know-it-all who prides himself on his rationality, despite his clear hopeless romanticism. He is shown to be the most caring of all the six members in the various instances on the show. He has three failed marriages during the series, and his relationship with Rachel is a main storyline throughout the series. In the series finale, Ross and Rachel finally reconcile, deciding to be together once and for all. The character of Ross was developed with David Schwimmer in the minds of writers and Schwimmer was also the first actor to be cast on the show. Schwimmer is the only cast member native to New York City. Jack is more balanced in his attention and care towards both Ross and Monica. Due to his gnawing guilt, Jack develops a secret smoking

habit and decides to gift Monica the Porsche. Despite being favored throughout his entire childhood, this makes Ross insanely jealous. Their relationship hits a rough patch when he and Rachel consider getting back together. Rachel is invited to the wedding, but receives a cold reception for jilting Barry while she is there, and a ridiculous speech from Ross which bemuses everyone in the room does not exactly improve the situation for her, until she, in a desperate attempt to salvage some pride, walks onto the stage where the microphone is and starts singing. He has also been called "Barry White", and is possibly[original research? Barry is portrayed as a horrible, selfish little man who cheats, lies, and belittles other people. Getting both Rachel and Mindy to fall for him also suggests[original research? Carol dumped and divorced Ross to be with Susan. Susan does not attempt to hide her contempt of Ross and vice versa, but they briefly put aside their differences when Carol gives birth to a boy, whom they all agree, after weeks of argument, to name Ben. Though Ross and Carol are on good terms after their divorce, Ross continues to resent Susan for losing Carol to her. It was just an opportunity to tell a really interesting story. Jessica Hecht originally auditioned to play Monica. The manager of the Central Perk coffee house, who first appears as a background character in "The One with the Sonogram at the End". He is a former actor who once played Bryce on All My Children before that character was "killed in an avalanche. James Michael Tyler was cast as Gunther because he was the only extra who could competently work the cappuccino machine on the Central Perk set. The Seattle Times ranked Gunther as the eighth best guest character of the series in Marcel[edit] Marcel live animal actor: A Capuchin monkey that Ross initially keeps as a pet, [e 15] and who provides comic relief for his geeky master. One time Rachel loses him in the city, [e 16] and calls Animal Control" only to learn from Ross that Marcel is an illegal exotic animal that cannot be kept in the city. In a later season Ross questions why he had a monkey as a pet. Janice is one of the few characters besides the six main friends who appears in all of the Friends seasons. Their relationship lasts into the third season, when Janice decides to leave her husband to be with Chandler. Later, Joey sees Janice kissing her husband, who runs a mattress business. In a later episode, the tables are turned on the annoying natured Janice when she has a brief fling with Ross shortly after he has broken up with Emily, as he is unhappy and spends the entire date complaining about everything, causing her to find him insufferable and leave him Ross had expected the reverse to eventually happen, but had been happy to date someone who listened so well to him in the meantime. As Monica and Chandler make plans to have children, [e 29] she offers Chandler advice and support at a fertility clinic. Presumably due to being amused by their wacky, quirky, goofy personalities, Janice seems to enjoy spending time with the six friends, which is somewhat ironic and very much inconvenient for them since none of them can stand to be around her although she seems to be completely blind to the fact that they feel this way, showing almost no awareness whatsoever of the fact that they hate having to put up with her , due to the unbearably irritating nasal New York accent she speaks with, and her annoying machine gun laugh. Heckles[edit] Mr. He usually states that items are his, and when the other person states that he does not have one, Mr. Heckles says that he could have one. For instance, when Rachel and Phoebe are searching for the owner of a lost cat, Mr. Paolo[edit] Paolo Cosimo Fusco: Terry[edit] Terry Max Wright: Monica tries to wean him off drinking but regrets it when he becomes extremely boring. Monica then began drinking on their dates, so that she could sit through his mind-numbingly dull stories. Seven years later, he returns to New York for a brief visit and shares an evening with Phoebe. She first appears in "The One with Mrs. Bing", [e 43] where she meets the gang while on a book tour in New York. After dinner, she kisses Ross. Phoebe refers to Ursula as her " evil twin. Joey becomes attracted to Ursula and they start dating. Ursula tells Phoebe that she is bored with Joey and sarcastically claims that he is smart enough to figure this out on his own without her having to actually tell him implying his stupidity irritated her, hence her naturally nasty reaction , so Phoebe pretends to be her sister to let Joey down gently. Ursula next appears briefly in "The One with the Jam", [e 47] where she is being stalked by a man David Arquette who mistakes Phoebe for her. Phoebe naively begins a relationship with the man in question, but ends it with him when he cannot get over his obsession with Ursula. Phoebe is horrified that Ursula has told Eric that she is a teacher, a member of the Peace Corps , a non-smoker, and attends a church group all lies. The series finale of Mad About You , set 22 years into the future, reveals that after a successful porn career, Ursula becomes Governor of New York. Mindy and Rachel were best friends while growing up and their friendship is tested

after Rachel discovers Mindy and Barry are seeing each other. She asks Rachel to be her maid of honor and dress in a garish pink dress. Steve[edit] Steve Jon Lovitz: In , Monica tries to impress him in an attempt to get a job at his restaurant, and Phoebe tells him he is welcome to go to her apartment and try her food there, but he gets stoned on the journey there and consequently acts obnoxious. At the end of the episode, Phoebe punishes him by giving him a very painful massage. He is first mentioned in the second episode of the series, [e 8] but only appears twice: In "The One with the Flashback", [e 7] it is learned that he used to be "Cute Naked Guy", but then, in , started putting on weight. For many years, the identity of the actor that played him in his extremely limited appearances was a mystery. It was speculated that Michael G. Hagerty , the actor who played Mr.
