We do not accept returns. Exception " for items damaged in shipping, we will make an exact exchange. We will send a confirmation email with payment instructions. Signed Book and Graphic Novels " only available here! As chief Cutter and the Wolfriders are driven from their forest home, they wander an ever-changing landscape in search of a new home, confront by fearful and vengeful humans, power-hungry trolls, and other mysterious elfin tribes. Volume 1 collects over pages from ElfQuest 1" Signed by Wendy and Richard Pini. Dark Horse Comics published a limited number of copies in hardcover as a Comic-Con exclusive; you had to be there to get it. We managed to pry a few more of these from the Dark Horse warehouse. We have had no word whether there will be a hardcover edition. Contains everything in the regular edition, plus an additional page selection of artwork at the end, along with a signed, numbered limitation page. Specially bound and presented in a beautiful slipcase. Limited to copies worldwide, and signed again personalized, if you wish on the title page. These self-contained pieces are some of the finest Elfquest stories ever told. The Art of the Story. We have fewer than 10 copies left of the first printing of this gorgeous, three-and-a-half pound hardcover with dust jacket book. Signed by Wendy Pini. Contains the first one-third of the complete collection listed above. Once these are gone, there are no more of either format. Something you should know. However, these collect only the defined canonical stories, which means at least half the material in these Readers Collections will not be reprinted.

### 2: GCD :: Issue :: ElfQuest Reader's Collection #14a - Mindcoil

*The Elfquest Reader's Collection collects all the core stories in book form, so that readers new and old can follow the entire tale from its beginnings on up to the most recent work. The Elfquest Reader's Collection series includes the following volumes.*

### 3: Elfquest - Reader's collection

*"In All But Blood" is a great book, where the stories fall between or right after the first 8 books. If you're a fan of Elfquest, I would highly recommend this book. If you haven't read Elfquest, I suggest you do yourself a huge favor and order book 1, Fire and Flight.*
