So what would you do if your prince charming turned out to be the worst kind of monster? Calida Alexander moves from Charlotte to Atlanta after a painful break up. She faced some harsh realities about herself during that breakup and desperately wants to change who she perceives herself to be. When she meets Seth, she is drawn in by his sexy good looks and is won over by his gentlemanly demeanor. Seth Jokobi is sexy and charming, the kind of man that women dream of being with. As a master manipulator, he uses his charm and good looks as a lure. His prey never suspect that lurking behind those piercing blue eyes and million dollar smile, lies a sadistic monster. When he meets Calida, her shy nature tempts him into playing a game where the stakes end up being higher than he could have imagined. Can love really conquer all or is it sometimes just not enough? This e-book contains sexually explicit scenes some that may contain dubious and non-consent, adult language, and graphic violence and may be considered offensive to some readers. A Twisted Fairytale" Reviews K. I assure you, it was in a good way. Just when the author had shocked me once, she turned around and slapped me in the face with another shocker. It made me question myself and I realized that I root for the bad guys to change their ways and come out ahead. I was really pulling for Seth, even though I already knew what happened to him. I could write on this book for days, and had the honor of chatting with the author about the dynamics of the story once I read it. Pick it up and give it a read. It does have a few domestic violence triggers, so readers beware. James has earned herself a stalker--me! First I want to say I was drawn in by the cover. Especially seeing the word "dark". Fiendish is about Calida Alexander, who moves to Atlanta for a fresh start on life. She wants to break free of the person she has become You know I have to comment. I really liked it! You really KNOW all their struggles and demons and you have no idea what either of them are going to do next. You really need to pay attention to this one--it was delicately woven in all the right ways and I love that in a story. If you miss something, you miss the whole novel, and I have missed those kind of stories. This book is awesomazing and I recommend it highly to all the weirdoes like me who are dying for a book that will make them scream, cry, and a little nauseous, and it even had a few minutes where you fall in love. You will LOVE it. Robyn 5 Thu, 24 Jul At first I was put off by the number of pages in this book, but the reviews encouraged me to give it a chance. I read it in a day I was bleary eyed and emotionally drained the next day to say the least. I thoroughly enjoyed his POV Kudos to the author for causing that conflict in me. There was a particular scene when Seth and Calida are having a tense dinner with her sister Dorian and her groom-to-be Daniel. I laughed out loud at the things Seth was thinking about the sister Then what he did to Paul at the wedding reception This was a very dark story about an abusive relationship and a young woman who kept taking her abuser back for a variety of reasons The author keeps it real. Anyway, my final thought is this: Thank you for keeping it real, Ms. Morena 2 Fri, 27 Feb I read this whole monstrosity despite the terrible prose and stupid characters because at last the scary dark and sexy man was truly scary and did not care for the petty humans one bit. I have even overlooked the poor writing because it was told from the First-Person POV of the two main characters, neither one of them possessed the soul of a poet, certainly not our little heroine. She was a sweet little simpleton and the writing fit her. The man was more complex and here the writer failed. Half way through, the story began to draaaag. The incessant showers, outings and horrid weddings became more torturous than pulling the nails from some screaming woman. The end was utterly predictable and disappointing. I admit I am a little envious of those readers who were shocked by the end. I wonder how they would feel if this antihero killed the friend, her ugly brother and then after the heroine gave birth, killed her too and raised the child by himself. It was a fast read because I was engrossed in all the drama and conflict. For now at least. Seth was a cold-hearted bastard and I loved reading every moment. He was sick and gave me the creeps. For example, one of his inner-thoughts was: Seth owns Pets,

who are women. Some he locks in his basement to torture, but Calida is special in his eyes, so she gets a different treatment. He was very controlling. It made the story more realistic. She was too weak for me and definitely a Mary Sue type but it fit the storyline. My favorite characters were Seth the perfect villain , Macy, and Malcolm. They brought charm and personality where Calida was lacking. I swooned during the steamy sex scenes and cringed in the abusive ones. Seth was definitely a prick. Besides their relationship, there was other tension. Calida had a crappy boss and her sister was awful. I did feel bad for her, especially her backstory with her ex. I cheered for her when she started to fight back with mind games towards Seth. Someone needed to put him in his place. This section was very entertaining and I feared for all the characters. Seth was determined to harm anyone Calida loved if she ever dared leave him. Bring on the drama. Smiliar Books of "Fiendish:

2: Smashwords " Fiendish-A Twisted Fairytale - A book by Meka James - page 1

Marketed as a twisted fairytale, Fiendish takes elements of the classic Beauty and the Beast story and turns it on its ear. Whereas in the classic, beauty is found within the monstrous beast, however, with Fiendish, the beast is beautiful on the outside and a complete monster on the inside!

5: Download/Read "Fiendish: A Twisted Fairytale" by James, Meka (epub) for FREE!

Twisted is the debut novel for Meka James and although I did like her style of writing I think some parts could of done with a bit more editing. In regards to Calida, half the time I found myself internally screaming out her, she does seem to spend the majority of the time crying and while sure she has a lot to deal with it gets to be a bit.
