She fantasizes about their wedding, and in the fantasy sings " Wedding Bell Blues ". She is mortified to discover that while fantasizing, she inadvertently and publicly asked Will to marry her, and immediately denies having done so. Emboldened nevertheless, Will gives the glee club an assignment: Mercedes Amber Riley and Sam Chord Overstreet separately recount their summer relationship to their friends, singing " Summer Nights ". Sam, hoping a varsity letterman jacket will impress her, joins the only sports team still recruiting: However, when Becky tells Artie that she wants to have sex with him, he panics and asks Sue Jane Lynch for advice on how to break off the relationship. She advises him to treat Becky like anyone else and tell her directly. Becky is disappointed, and is later comforted by Sue. Will asks Finn Cory Monteith to be his best man, and Finn tells Will that he is considering enlisting in the army. Finn explains that he feels an obligation to his late father to be a good man and help people. His mother reveals that she hid from him the fact that his father did not die in Iraq, but instead suffered from post-traumatic stress disorder there, was dishonorably discharged, and died in Cincinnati from a drug overdose. The news is devastating to Finn, and he, Rachel and Kurt talk about how the future no longer appears promising. Rachel sings " Without You " to Finn, and the two embrace. Unaware of that discussion, Emma later asks Will about their progress toward marriage, and he also wonders whether she could cope with a family given her obsessive-compulsive disorder. Though distraught, Emma tells Will that her disease is a part of her: Will, realizing that he loves Emma regardless, stages a spectacular marriage proposal-aided by the glee club and synchronized swim team, who sing and perform a water ballet to " We Found Love "which Emma tearfully accepts. Later, Finn surprises Rachel with a proposal of marriage, complete with an engagement ring, which leaves her speechless. Reviewers thought it was a bad idea-Kubicek declared, "No one in high school should get engaged-but Poniewozik wrote that it "made a lot of sense for Finn" as a character, and VanDerWerff said the scene "worked" for him. Canning called it "exceptional" and "the most emotional and satisfying of the episode". Poniewozik called it "the kind of ridiculous-but-weirdly-logical move I love from Glee", and Lynch said it "was one of the most charming treats this show has offered in a while". Poniewozik described her as "pretty damn excellent", and Votta wrote, "She only has one generally pointless scene but is arguably the best part of the whole episode. Kubicek was one of the most enthusiastic about "Summer Nights", and wrote, "This is the kind of ridiculous, over-the-top, hilariously cheesy stuff I want to see from Glee all the time. VanDerWerff was similarly unimpressed: In short, it was kind of a train wreck. Just shot a fun little scene with my favorite 2 people in the whole world! Retrieved December 12,
