The song was included on their respective solo albums: Paul Simon's Still Crazy After All These Years and Garfunkel's Breakaway. Contrary to popular belief, the song is not autobiographical of Simon's early life but of Garfunkel's childhood in Queens. [28].

Outlook Email Some concerts turn out to be different than you had expected. The charity concert for the renovation of Central Park is listed in the history books as one of the best live performances of the two musicians. In February the first live album of the folk duo Simon and Garfunkel was released: *The Concert in Central Park*. With classics such as *Mrs. Tamborelli*. The park has fallen into decline as a result of many budget cuts in the 1970s and 1980s. Mayor Ed Koch calls upon the Central Park Conservancy to come up with a solution at the beginning of the 1980s. One of the initiatives of this foundation is to organize charity concerts in the park. The proceeds of the merchandise, television and video rights go to Central Park. The folk duo, which has its roots in New York and often refers to the city in its songs, is a perfect choice. Even though Simon and Garfunkel have their doubts about the project. Simon and Garfunkel reach their peak after five studio albums at the end of the sixties. Around that time, the two New Yorkers grew apart both as friends and musically. They decide to stop. Their last album *Bridge over Troubled Water* dominates the top of the Billboard rankings for ten weeks. When Paul Simon is approached for the benefit concert about ten years after the act collapsed, he reacts enthusiastically. However, he has doubts about a possible collaboration with his old friend Art Garfunkel and is not entirely convinced of the commercial success of the project. Simon struggles with depression and wants to avoid setbacks. After some insistence by the promoter he contacts his buddy. Preparations Art Garfunkel lives in Switzerland when he receives the phone call from his old partner in folk music. His enthusiasm is so great, that he immediately flies back to New York. The rehearsals are not without struggles and fights. Old wounds open up again and the two have a lot of quarrels. In an interview Paul Simon says: Artie and I were arguing all the time. After some discussion, both artists agree that this concert should be carried by both of them. Although the announcement posters contain the separate names of the musicians, the artists announce a week before the show that they will perform as Simon and Garfunkel. It raised some 51,000 dollars for the renovation of the park. In addition, the album itself and the live recordings become great commercial successes. It almost seems like the two stars could reunite again. After a much-praised performance, Simon and Garfunkel try to renew their career as a team and follow up with a world tour. This turns out well, but the attempts to record a new record end in disaster. Art Garfunkel leaves the studio and Paul Simon takes advantage of the situation to record and release his solo album *Hearts and Bones*. *The Concert in Central Park* was not the last time the two claim the stage as a duo. Of the 21 tracks played, only 19 made the record. The fans who want to hear the whole concert must check out the video recordings. Curious about our historical record of February?

The album was recorded in three weeks, and released in January of , while the single was still high on the charts. Two bits of trivia. Of course Paul Simon is much shorter, as later photos show. Either Paul or the photographers stopped caring about the height difference. Interestingly, their next single was not on the album. I remember buying this album at a bookstore in Lincoln, NE. Each week they would feature a brand-new album on sale. It certainly was a bargain, because I like everything on it. There was not another album until . The movie and the use of their music are now classic. There was only one album left. It was raining, we had just parked our car, and we stayed inside to finish the song. It was so good it felt like an honor to hear it. It was just months after their greatest success. There would be some performance reunions, but no more studio albums. But, two questions remain. Would Paul have eventually asked his friend Art to join him? Despite his vocal ability, Garfunkel would likely have become an architect or math teacher.
