

1: Card Search - Search: +treasure - Gatherer - Magic: The Gathering

Each Treasure token has ", Sacrifice this artifact: Add one mana of any color to your mana pool." There are four versions of the printed Treasure token, each with art of a chest that contains valuables from one of the four factions.

I explain them in the video below, and you can read more detailed information in this article. What is a Treasure Chest? What can I find inside a Treasure Chest? But sometimes one or both of them will be replaced with either a curated card or a Modern-set rare or mythic rare. How do I get Treasure Chests? Once you have them, open them up! While Treasure Chests are untradeable, the cards inside can be traded. If you have multiple Treasure Chests, you can open them one at a time, or you can right click and open all at once—whichever is more fun for you. These changes will take effect starting with the Wednesday, October 5 downtime. What are the curated cards available in Treasure Chests? The curated cards will also include the Kaladesh Inventions. Later this year, the curated card list will be updated to include selected non-premium Magic cards from Conspiracy: This is the only way we plan to unlock these cards on Magic Online. You can see a full list of the curated cards here. How many do you get as prizes in constructed events? What do those events look like now? The new structures will be as follows for Friendly Constructed Leagues: What additional details can you provide on Treasure Chest contents? All Treasure Chests will contain one of the following: Most Treasure Chests will additionally contain two Standard-set commons or uncommons, but they may be replaced as follows: Standard-set commons and uncommons will appear as from those sets. Each common will appear 2. These cards will be non-premium. Modern-set rare or mythic rares will appear as from those sets. Regular rares and mythic rares in these sets that have been banned in the Modern format are still included. Each regular rare will appear twice as often as any given mythic rare. This includes regular rares from older sets that lacked mythic rares. All cards in Treasure Chests will be non-premium, with the exception of rares from Eighth Edition and Ninth Edition, which will be premium. Some curated cards may have multiple versions that appear. The rarity on the card shown reflects only the original printing of the card and is not indicative of its frequency of appearance in Treasure Chests. If any of this information changes, it will be announced on MTGO.
