Send me job offers When you take and pass the CDL test and you have your license a whole new world of career options will open up to you. Suddenly you will find that it is much easier to get a job and you can demand a higher salary or hourly wage. For many, this is very intimidating and they allow for the test to stand between them and a career that they love. Understand the Test CDL general knowledge test is one of several parts of the test that you made need to take for licensing for any job that you aspire to have. For instance, if you want to drive a class A, B or C vehicle you need to take both the general knowledge and the transporting cargo test parts. If there is a chance that you will be driving a vehicle with air brakes, you also need to take the air brakes section of the test. If you do not take this part of the test you may limit your ability to drive many different types of vehicles. If you would like to drive combination vehicles you will also want to consider taking the combination vehicle portion of the test. As you can see, you really need to plan ahead so you know what to expect. Of course, you should start with the general knowledge area and expand out from there. While it can be overwhelming to think of how many areas of knowledge you need to ascertain, starting with the general knowledge test will give you the confidence you need to do well in other areas of CDL testing.

Preparing for the Test: It is important to review information as much as possible until you know it well. This will allow you to get an in depth view of the knowledge. You may want to call your local motor vehicle department and see if they have any additional information that you can use to learn what you need to pass the test and be a safe driver. Many times they offer free or low cost study guides that aim to educate you in the most comprehensive manner. Visit your library or your local book store. There is usually a wealth of information that can be found in these books. Not only will you get overviews of the tests, you can also take a look at sample tests and learn tricks for remembering certain things. The more information you are able to find and the more dedicated you are to learning it, the better you are going to do on the test. The internet can become your best friend when you are preparing for the test. If you spend any time searching the internet you will find that there are many websites that will give you tips on passing the test. Some will offer the information up for free and others will require you to pay a small sum for the information. You will need to pick and choose but when combined with traditional study methods, they can help you be very well prepared for the test. To get an idea not only of your knowledge but how well you will test with nerves, you should take practice tests. The benefit of the practice tests is that they allow you to see where you need the most help. Continue taking the practice tests once a week and continue studying until you are able to pass the test with ease. This practice will also allow you to see that you really do know what you need to know to pass the test. There are many online CDL general knowledge tests for you to take advantage of. You should check with your motor vehicle department as well, because many offer a free practice test so you can get an idea of the types of questions that you will be asked. It will also allow you see how much you know. Everyone would like to get a perfect score and yet a lot of people do not. What you need to know to do your job well every day, every time is all of the information. Again, this is where the practice tests will come in handy. The reason for this is that the practice tests are only a sampling of what will be on the real test. This is why it is a good idea to take several practice CDL general knowledge tests so you get an accurate idea of what will be covered. Go in with the thought that you will pass the test instead of assuming you will not. Find out how often you can take the test in the event that you do not pass the first time. Do not bring your cell phone into the test with you. If you do, make sure that the phone is off. If your cell phone rings or you pick it up, the test will be terminated. Read the question three times before you answer. Go with your gut when you choose your answer. If you are unsure, choose the best possible answer and move on. If you finish the test in plenty of time, be sure that you
