For more than one hundred and sixty years, Langenscheidt has been offering a broad range of products to language learners, professionals and enthusiasts. In many areas, the publishing products have been highly innovative and ground-breaking. In the early 20th century from , the publisher was already developing language learning vinyl records. In the s, Langenscheidt came up with the first pocket calculators with a dictionary function in four languages. Numerous other digital products followed: In a constantly changing world, languages are also constantly evolving. Every day, new words appear, old ones alter their meaning and new expressions are coined. To keep up with changing language use, reliable and up-to-date dictionaries are more important than ever. At the same time, people in the globalised world increasingly want to be able to use foreign languages actively rather than just comprehending them. The free online dictionaries from Langenscheidt offer a wide-ranging, up-to-date vocabulary in 25 language combinations and help learners to get to know and understand the specifics of their chosen foreign language through verified translations and a range of other information. Free online dictionaries from Langenscheidt The particular strength of Langenscheidt dictionaries, whether online or in print, lies in their versatility. In addition to the most important translations of a particular headword, they also contain numerous expressions and examples, as well as information about grammar, pronunciation, language level or regional use. To master a foreign language, it is essential to understand the nuances in the meanings of words or the expressions in which they are used. Content of the Langenscheidt online dictionaries The Langenscheidt online dictionaries provide the same content that is included in the print dictionary. In the digital versions, however, the dictionaries offer a number of additional features, including: Audio of pronunciation to listen to More context sentences than in the printed version Links to synonyms and similar words Users can find the meanings of abbreviations, e. The following elements are especially helpful when looking up words in digital dictionaries: Headword Dictionaries consist of so-called entries or items, each grouped around a headword. Headwords are typically shown in their basic form, e. German nouns are shown in the nominative singular and verbs in the infinitive. In addition to translations of the headword, an entry always contains other important information, e. Phonetic spelling In many online dictionaries the phonetic spelling is written after the headword in square brackets in accordance with IPA standards. The phonetic spelling gives learners an initial idea of the correct pronunciation. Information on grammar For headwords, the dictionaries provide grammar information in an abbreviated form, usually to indicate the part of speech. For nouns in languages with grammatical gender German, French, Italian, Spanish etc. M, F, N masculine, feminine, neuter or PL where the word is used only in the plural. For verbs, the dictionary provides information on whether the verb is transitive, i. Inflection Inflection is the generic term for declension inflection of nouns and adjectives and conjugation inflection of verbs. In German, for example, nouns have different word forms depending on the grammatical number singular or plural or case nominative, genitive, dative, accusative. For verbs, the dictionary specifies the main forms, for example irregular forms. For German nouns, the dictionary typically shows the genitive singular and the nominative plural. The dictionary specifies different types of inflections and information on inflection depending on the language. Explanatory notes indicators, subject areas and language level information To help users to choose the most suitable translation for the given context from several translations, the online dictionaries offer numerous references in a concise form: Example sentences and phrases Another helpful feature are the numerous example sentences and expressions that show how a word is used in context. Often, in combination with other words, new, independent meanings emerge, best illustrated by examples with a matching translation. Be prepared and stock up on products from the Langenscheidt online shop and the app stores In the online shop at [www](http://www). They are practical because they are available in many different sizes and the required word or phrase can be looked up even if you do not have access to the internet. This is invaluable, e.

In addition to print products, Langenscheidt also offers a range of iOS and Android apps for dictionaries, language courses, vocabulary trainers, and much more:
