29 vintage design items designed by Giancarlo Piretti are currently offered for sale by 19 vintage design dealers.

Other designs include the Plia chair, Plona chair, Pluff stool, Platone desk, Planta coat rack and Pluvium umbrella stand. The Plano table by Giancarlo Piretti was released in two models, one with a round top 72 cm tall and 95 cm in diameter and another with a square top 72 cm tall and 85 cm on a side. The table is constructed of reinforced polyester in four sections and diecast aluminium. The legs spread open like a fan, then the four leaf sections are lifted up and lock into place via a spring loaded mechanism. The diecast feet end in plastic glides for mobility. The rest of the patent can be found here. This is a detailed patent with numerous illustrations of the table and mechanisms.
