

1: Science Textbooks :: Homework Help and Answers :: Slader

Course Summary Use this fun textbook help course to supplement what you're learning in your Glencoe Earth Science textbook.

By accessing or using this Site, you agree to be bound by the following terms and conditions the "Terms of Use" and the terms and conditions of our Privacy Notice, which is hereby incorporated by reference collectively, this "Agreement". We reserve the right, at our discretion, to change any of these terms in the future. If you do not agree to these Terms of Use, you may not access or otherwise use the Site or the Services. The material on this Site includes general non-proprietary information available to all users of the Site, but in order to access and use the Services you will be required to register on the Site or through your educational institution. If you register to use the Services on behalf of your educational institution, you will be required to agree to additional terms and conditions in connection with the registration process the " Services Agreement". If an educational institution with students that are under thirteen 13 years of age uses our Services, the educational institution may provide us with personally identifiable information about its students. Except as otherwise expressly provided herein, or pursuant to the Terms and Conditions, your use of the Site does not grant to you a license to any content or materials you may access on the Site. Nothing contained on the Site should be construed as granting any license or right to use any Trademark displayed on the Site without our written permission or that of the third party rights holder. Although we encourage you to e-mail us, you should not e-mail us anything that contains confidential information. Please refer to our Privacy Notice with regard to how we handle your personal information. With respect to all e-mails you send to us, including but not limited to feedback, questions, comments, suggestions, and the like, we shall be free to use any ideas, concepts, know-how, or techniques contained in your communications for any purpose whatsoever, including but not limited to, the development, production and marketing of products and services that incorporate such information. MHE does not and cannot review all communications and materials posted to or created by users accessing the Services hereinafter, "User Generated Content" , and is not in any manner responsible for the content of the User Generated Content. MHE reserves the right to block or remove communications or materials that it determines to be in violation of our Community Guidelines or is offensive or otherwise unacceptable to MHE in its sole discretion. You own the rights to anything you post to the Services, including text and photographs. You do, however, grant us an irrevocable, non-exclusive, worldwide, perpetual, royalty-free license to use, modify, copy, distribute, publish, perform, sublicense, and create derivative works from all submissions you provide to us, in any media now known or hereafter devised. While using the Site and the Services, you agree not to: The Site may contain links to third-party websites "External Websites". These links are provided solely as a convenience to you and not as an endorsement by us of the content on such External Websites. We are not responsible for the content of any linked External Websites and do not make any representations regarding the content or accuracy of materials on such External Websites. You agree to defend, indemnify, and hold us and our officers, directors, employees, successors, licensees, service providers, and assignees harmless from and against any claims, actions, or demands, including, without limitation, reasonable legal and accounting fees, arising or resulting from your breach of this Agreement or your access to, use, or misuse of the MHE Content, the Site, or the Service. We shall provide notice to you of any such claim, suit, or proceeding and shall assist you, at your expense, in defending any such claim, suit, or proceeding. We reserve the right to assume the exclusive defense and control of any matter that is subject to indemnification under this section. In such case, you agree to cooperate with any reasonable requests assisting our defense of such matter. We respect the intellectual property rights of others, and require that the people who use the Site do the same. If you believe that your work has been copied in a way that constitutes copyright infringement, please send notifications of the claimed infringement to: Notices of the claimed infringement should include the following information: We control and operate the Site from our offices in the United States of America. We do not represent that materials on the Site are appropriate or available for use in other locations. Persons who choose to access the Site from other locations do so on their own initiative, and

are responsible for compliance with local laws, if and to the extent local laws are applicable. All parties to these terms and conditions waive their respective rights to a trial by jury. If any provision of this Agreement is found to be invalid by any court having competent jurisdiction or terminated in accordance with the Termination provision above, the invalidity or termination of such provision shall not affect the validity of the following provisions of this Agreement, which shall remain in full force and effect: No waiver shall be effective against us unless made in writing, and no such waiver shall be construed as a waiver in any other or subsequent instance. Except as expressly agreed by us and you in writing, this Agreement constitutes the entire Agreement between you and us with respect to the subject matter, and supersedes all previous or contemporaneous agreements, whether written or oral, between the parties with respect to the subject matter. The section headings are provided merely for convenience and shall not be given any legal import. This Agreement will inure to the benefit of our successors, assigns, licensees, and sublicensees.
