HarperOne - Edition no. The Attributes of God: Tozer â€” This little book packs a serious punch. Tozer explores the different attributes of God and consistently invites the reader to bow down before the greatness of God. Read this book to grow in your awe of the living God. The Screwtape Letters Study Guide: A Bible Study on the C. Lewis â€” I could recommend a lot of different books by C. Lewis, but this one is probably my favorite. Written as a conversation between a senior demon and a younger demon, it provides fascinating insights into the ways of Satan. What should we say when we evangelize? Mark Dever answers these questions and more in this short book. The Reason for God: Great to give out to unbelievers. Keller has a way of mixing pop culture, philosophers, and the Word of God to create a compelling picture of Jesus Christ. Lewis Signature Classics C.

At the turn of the 20th century, Marta journeys through Europe, ending up in California with a husband and children. She wants her daughter to never doubt her love, but life conspires against her. I try to weave Scripture throughout the story so people receive the Word and see what it might mean in their lives – how the Lord is present and real and passionately interested in each of us. He is not an idea. He is real, all-powerful, all-knowing, the embodiment of love, deeply involved in our existence, and He created each of us for a purpose. It is no respecter of money, social status, or previous trials. In our logical minds, we want to find a meaning, to question why. Readers will definitely find hope in the pages of this book. *Outlive Your Life* by Max Lucado Pastor and author Max Lucado believes that you can make an impact in your community and around the globe. His new book, *Outlive Your Life*, shows every day people how to change the world. Instantly, Don began an amazing journey. I heard literally thousands of praise songs. They were all praise songs. But you could sense this hum of wings hovering all about you, like you were being ministered to by angels, and they were observing this whole episode. *Mere Christianity* by C. Lewis left his childhood Christian faith to spend years as a determined atheist. Just how had I got this idea of just and unjust? A man does not call a line crooked unless he has some idea of a straight line. What was I comparing this universe with when I called it unjust? Consequently atheism turns out to be too simple. If the whole universe has no meaning, we should never have found out that it has no meaning. *The Life, Legacy, and Literature of C. Bonhoeffer* by Eric Metaxas Germany, The world watched in horror as the Nazis bullied first a nation and then a continent. But in Germany, a resistance was building that worked to dismantle the Third Reich from the inside. Dietrich Bonhoeffer, a German theologian and pastor, was a leader in the cause.
