And the green grass grew all around Now on this feather (Now in this feather) There was a flea (There was a flea) The prettiest little flea (The prettiest little flea).

Lyrics There was a hole There was a hole In the middle of the ground. In the middle of the ground The prettiest hole The prettiest hole That you ever did see. That you ever did see And the green grass grows all around, all around. And the green grass grows all around. And in this hole, And in this hole There was a tree. There was a tree The prettiest tree The prettiest tree That you ever did see. That you ever did see Well, the tree in the hole and the hole in the ground. And the green grass grows all around, all around. And on this tree, And on this tree There was a branch. There was a branch The prettiest branch The prettiest branch That you ever did see. That you ever did see Oh, a branch on the tree and the tree in the hole And the hole in the ground. And on this branch, And on this branch There was a nest. There was a nest The prettiest nest The prettiest nest That you ever did see. That you ever did see Well, the nest on a branch and the branch on the tree And the tree in the hole and the hole in the ground. And in this nest, And in this nest There was an egg. There was an egg The prettiest egg The prettiest egg That you ever did see. That you ever did see Well, the egg in the nest and the nest on a branch And the branch on the tree and the tree in the hole And the hole in the ground. And in this egg, And in this egg There was a bird. There was a bird The prettiest bird The prettiest bird That you ever did see. That you ever did see Well, the bird in the egg and the egg in a nest And a nest on a branch and the branch on the tree And the tree in the hole and the hole in the ground. There was a hole There was a hole In the middle of the ground. That you ever did see Well, a branch on the tree and the tree in the hole And the hole in the ground. And in this nest, And in this nest There was a bird. That you ever did see Well, the bird in the nest and the nest on a branch And the branch on the tree and the tree in the hole And the hole in the ground.
