Losing Katherine Brunt, however, is a blow for England. Key player Nat Sciver. It was on the big stage of the home World Cup the Surrey captain announced herself. This time around, she is an integral senior player, built to inflict maximum damage. Prediction Drawn in the softer of the groups, they have every chance. But on their day, they boast hitters and seamers to knock over anyone, led so well by Dane van Niekerk and Marizanne Kapp. This enigmatic affliction was captured on their tour of England, when they routed the hosts in their first game but won only one further match. Key player Lizelle Lee. The year-old left England with her reputation vastly enhanced – the opener hit an ODI ton then smashed another in the KSL final to win Surrey the title. Prediction Must deny the hosts to clear the group. They did defeat India in an ODI but it was a dead rubber. Their dreadful time continued in the T20s, losing those As a result of her useful contributions in the win over India, year-old Kavisha Dilhari has been included in a squad that lacks matchwinners. Key player Chamari Atapattu. Prediction Require an astonishing form reversal to go beyond the group stage. Yet for all this, their bid for consecutive titles is unlikely. Since pipping Australia in the final, they have sputtered – dreadful at the World Cup in and whitewashed by New Zealand in both white-ball formats earlier this year. Key player Stafanie Taylor. The World T20 could not have gone any better for hard-hitting Taylor, who not only led her charges to the title but also picked up the player of the tournament gong. Prediction Not this time, even if they do sneak into the final four. Thrashed by South Africa to begin, the expectation was they would limp into this competition at best. Instead they arrive in better shape than ever. This uptick was punctuated by a stunning Asia Cup, knocking over Pakistan then beating India twice – in the group stage and then the final, in a last-ball thriller – to win the trophy from nowhere. Next, the Tigers dominated World T20 qualification. Key player Salma Khatun. Leading the way to these dozen wins in has been the skipper. Prediction They will pull off one upset that will be remembered for years.

Using our catalogue to find records For tips on searching the catalogue, use the help page. Look for mentions in this guide of: Our catalogue contains descriptions of our records. Some of the records described in this guide are available online through an academic subscription but for many that you find references for, you will need to either visit The National Archives at Kew or pay for copies to be sent to you. Alternatively, you can pay for research. This is available to institutions such as universities and public libraries that have subscribed. Use the advanced search option in our catalogue to search within these series to find documents relevant to your research. The Calendar brings together papers from different sources, printed in date order. The original papers are in CO1 up to and CO 5 to What sort of documents can I find? For each colony there are five main types of record, explained in greater detail in the sections below. Entry Books Entry Books were used to record correspondence going in and out of the Colonial Office, although from they only record items going out. They contain full copies or summarised versions of despatches, letters, reports, petitions, commissions and instructions. Colonial Office entry books are in CO Acts and sessional papers Colonial authorities sent copies of their Acts and Proceedings to the Privy Council for approval or rejection. They were then forwarded to the Board of Trade. There will be information in PC 1 and PC 2 but this will not be picked up by a catalogue search and you will need to look speculatively within those record series. Copies of Acts and Proceedings were kept by the colony itself and you can often find these in US state and university archives see section 2. Conference of British Missionary Societies: IDC Microform Publishers, Yale Divinity Library, Special Collections: Fiche RG93 Arranged in five sections: The World Conference had established a Continuation Committee whose goal was to stimulate the foundation of national cooperative councils for mission. The CBMS, however, was not itself a missionary society. It served an important function for cooperation between missionary organizations at home and abroad. The collection documents the activities of the CBMS for the period Material pertaining to the Standing Committee includes annual reports, issues of the Edinburgh House Bulletin and triennial policy groups devoted to the study of particular aspects of missionary purpose and policy. The Home Council material documents the education for mission of British churches, recruiting and training of missionaries. The Literature and Medical Sections provide information on the provision of literature overseas and on the financing and staffing of missionary medical institutions. The collection is important for studying the cooperation between missionary organizations and the religious, social and political climate in Britain and many other nations. About Other collections Today the great majority of historical documents about the Danish era in the West Indies are located in the Danish National Archives. However, significant collections that communicate the history of the Danish West Indies can also be found elsewhere. Below is an overview of the most important libraries, museums, literature, and websites. In addition, the Royal Library has digitized all newspapers from the Danish West Indies held in its collections. They can be searched and read online via Mediasream. Museums The Maritime Museum of Denmark in Elsinore has several important collections, including objects from the colony and a substantial collection of images in the form of photographs, drawings and paintings as well as some manuscripts, e. The collections of the National Museum of Denmark include the colonial period in the West Indies, primarily archaeological finds from pre-historic Indian settlements at Salt River on St. Croix, Danish West Indian coins, furniture, paintings, and other objects. There are also some written sources, e. In this connection, the Plantation Museum at Whim on St. Croix is the most important museum on the islands, where it is possible to gain an impression of what a sugar plantation looked like and how it worked. The local archives of the island and a collection of historical literature can also be found here. Literature The following is a small selection of recent literature on the history of the Danish West Indies. Karen Fog Olwig, Cultural adaptation and resistance on St. University of Florida Press, Neville A. Antilles Press, Arnold R. Highfield and George F. John Ann Arbor, Mich.: Croix in the West Indies St. Virgin Islands , , which provides an overview of both unprinted archival material and printed literature about the history of the islands.
