

### 1: Best boutique hotels, B&B and romantic getaways French Riviera & Provence

*"Hotel Gems of France" is the first in a series of books profiling what one might consider to be the world's dream vacation hotels. To me, it's a perfect scaled-down blend between the "Resorts & Great Hotels" and "Architectural Digest" magazines.*

Come festival time August , it is not yodelling you hear, but mariachi music. Le Grau-du-Roi, Languedoc "There is a case to be made for isolated creeks, deserted beaches and dinky fishing villages unchanged in a millennium," says Frank Preston. And it can be rewarding for parents, too, to be among people with their sunny sides out. Such considerations lead you to Le Grau-du-Roi. There is nothing vague or undefined about the French Atlantic coast as it bangs into Spain: Cliffs, heathland and woods drop to beaches harder-won than the vast stretches of sand of the flat littoral zone to the north. The ocean rolls in over rocks, chucking surfers about like incompetent seals. Sea and sky are huge. The Mediterranean coast seems effete by comparison. Portbail, Normandy "In high summer, and on market day Tuesday , Portbail fills up with day trippers, but the rest of the time, you may have the place to yourself," says Greg Ward. Cancale, Brittany Greg Ward writes: The tides here at the western tip of Mont-St-Michel Bay " yes, the namesake abbey stands silhouetted on the horizon " are among the largest in the world, leaving scores of fishing boats stranded on the silty seabed. Walk it off afterwards with a bracing hike to the dramatic Pointe du Grouin. Calanques National Park, Provence An expanse of amazing limestone cliffs and hiking routes just south-west of Marseille. There were only half a dozen visitors when I was there in August, all French. The Loire is the big, grand one. The Loir is its tributary running roughly parallel to the north, before ducking down to join up around Angers. It is both more discreet and a lot more charming than its featureless big sister. In town, it splits into dinky little channels, criss-crossing alongside lovely old buildings and gardens, walkways and trees. But the real Loir Valley experience is to wander from village to small town, beside curving river, field, rock and woodland - feeling that few have been this way before.

### 2: The 10 best unsung spots on the French Riviera - Travel

*Hotel Gems of France by Luc Quisenberts, Robert P Schron starting at \$ Hotel Gems of France has 2 available editions to buy at Alibris.*

Both of those and the dog was extra entertaining. And there was a black redstart on the chimney. Michael, United Kingdom Very comfortable, spacious and clean room. Very good, if simple, breakfast. Parking was easy outside on the street. Very friendly hosts with excellent English. Made to feel very welcome. Jarv, United Kingdom Location, 15 minutes walk from centre. Comfortable, spacious and super friendly. Definitely stay there again. Nicky, United Kingdom Very good welcome, a pleasant and comfortable room and an excellent breakfast. It is well placed for Amiens city centre. Ian, United Kingdom Very friendly welcome, and great tip about restaurants for dinner. Found a free parking spot right by the property. Nougat the Beagle was a lovely bonus! Our room was really well appointed and comfortable. The building is old and has beautiful exposed wooden beams and other character features. Denis, United Kingdom Estelle the owner was delightful, friendly and very helpful. Roger, United Kingdom Gorgeous period property beautifully modernised. Cosy and comfortable, with very welcoming family owners. Amiens is a lovely town to visit for a long weekend, authentic French cuisine and atmosphere. Not at all spoilt by tourism.

### 3: HEBE is a new gem in Paris - Review of Hebe, Paris, France - TripAdvisor

*The Hotel de Soubise is one of the most charming Paris hidden gems, housing the Museum of French History and the National Archives. We'd also recommend the Musée Cognacq-Jay which has a superb collection of decorative items and art from the 18th century.*

He gave us a lot of advices! You feel really welcomed. Not expensive at all. Laura, Belgium old-fashioned atmosphere in this hotel which was probably comfortable 30 years ago brick-built pavements and billiard table Kok, France The stay here was amazing. Owners, Kasun and Rohan were really nice and informative. They helped us a lot with their knowledge of gems and stones. Also, I got to play cricket, pool and poker while I was there. They are friendly, helpful, flexible and punctual. It was not a high-speed connection, though. Fresh papaya and juice, toast, scrambled egg on my request, and a big bunch of banana were served in the terrace of the dining room, which was pleasant, refreshing, and contributed a lot for the nice start of the day. Yumi, Japan Staff was really friendly and welcomed us with open arms. Nice gathering area with some games to interact. Jeris, Singapore The room was fine, with a nice little balcony at the backside of the building. In case I met somebody from the staff, they were very friendly, however in my case not really helpful. Andreas, Switzerland We spent one night in this accomodation. They were very flexible with the check in and check out time. The host was very friendly. The hotel is nice, big and has a pool table and some interesting objects. The room is big and has a fan. Every bed is equiped with a mosquito net. Wifi conection works properly. Silvia, Qatar This hotel was so charming, family run business with an authentic feel to it.
