Before cutting, fix the barking support 4. When using the saw, keep both hands on the handles. Nobody is allowed to be within the swing area of the saw.

**2: SOLVED: Have a se husqvarna, serial number - Fixya**

*Some 's will have SE on the serial number plate, but XP on the top and starter covers. XP originally stood for Xtra Power, and I suppose still does but you don't see it mentioned very often. I'm pretty sure the only saw with the metal fuel tank was the SE which was the first saw on this chassis.*
